Activity Proposal

Participation/Organization	:Organization
Event Id	:P2414159
Event Name	:Pedagogy in Practice: Model Creation Challenge
Academic Year	:2024-25
Activity Type	:Competitions
Reach of the Event	:Local
Mode of the Event	Offline
Date of the Event	:2024-10-18 **To**2024-10-18
No of Day(s)	:one day
Objective of the Event	:1. Encourage students to think creatively and innovatively in developing teaching aids that can enhance the learning experience in English. 2. Provide an opportunity for students to apply theoretical concepts from their coursework in practical, hands-on projects. 3. Foster teamwork and collaboration among students as they work in pairs to design and create their models. 4. Promote critical thinking by challenging students to consider the effectiveness and practicality of their teaching aids. 5. Develop presentation skills as students will present their models to the class, explaining their design choices and pedagogical approaches. 6. Encourage peer feedback and reflection on each other's work, fostering a supportive learning environment.

Outcome of the Event :
1. A variety of innovative teaching aids that can be used in English language instruction, showcasing different methodologies. 2. Students will gain a deeper understanding of different teaching methodologies and how to implement them in real classroom settings. 3. Increased engagement among students through active

participation in the competition, leading to a more interactive learning atmosphere. 4. Development of skills such as creativity, collaboration, critical thinking, and effective communication. 5. Strengthened relationships and camaraderie among students as they work together and support each other in their projects. 6. Students will have tangible artifacts (models and aids) to include in their teaching portfolios, which can be valuable for future job applications or interviews.

A brief write-up about your Event (in about 300 words) :

The "Pedagogy in Practice: Model Creation Challenge" competition invites English methodology students to showcase their creativity by designing and creating innovative teaching aids. Participants will work in pairs to develop practical tools that enhance the English learning experience. This event aims to foster collaboration, critical thinking, and presentation skills while applying theoretical concepts in a hands-on way. Students will produce diverse teaching models, enriching their understanding of effective pedagogy and building valuable artifacts for their teaching portfolios. Join us for a celebration of creativity and innovation in education!
