Gearing up for the corporate world

NT KURIOCITY

Final-year B.Com students from Vidya Prabodhini College of Commerce, Porvorim, completed the 'Getting Industry Ready' program, a CSR initiative by Putzmeister Concrete Machines Private Limited. The 60-hour course combined 30 hours of classroom learning with 30 hours of practical internship to prepare students for the corporate world. Sessions were led by Putzmeister experts offering real-world exposure and mentorship.

The valedictory event was graced by chief guest Minister for Water Resources, Cooperation, and Provedoria and MLA of Shiroda, Subhash Shirodkar, along with Utpal Parrikar; Sanjay Walavalkar, Chairman of Prabodhan Society, Porvorim, and principal of the college, professor Bhushan Bhawe. The dignitaries praised the initiative and stressed the growing importance of industry-academia partnerships in preparing Goa's workforce. Senior leaders from Putzmeister, including Managing Director Kanjanabha Bhattacharyya and Head of HR Swapnil Gupta, addressed the gathering, alongside representatives from the College. "CSR is not just about investing in the right causes, but also about sharing your time and experience to build meaningful community connections," said Gupta.

Activity Report

Event Id : A2503171

Event Name : Certificate Course in getting Industry Ready

Academic Year : 2024-25

Activity Type : Certificate Courses

Reach of the Event : Local

Mode of the Event : Offline

Date of the Event : 2024-12-03 To 2025-02-28

No of Day(s) : Five Months

Venue : Prabodhan Education Society's Vidya Prabodhini College of Commerce, Education, Computer and Management

Objective of the Event : 1. Skill Development: Equip students with the skills and knowledge needed for industry readiness. 2. Practical Exposure: Provide hands-on experience through on-the-job training and internships. 3. Industry Insight: Offer students an understanding of industry standards, practices, and expectations. 4. Employment Readiness: Enhance employability by bridging the gap between academic learning and industry requirements.

Outcome of the Event : 1. Enhanced employability through industry-relevant skills and experience. 2. Direct exposure to professional work environments and practices. 3. Opportunities to build professional networks and gain industry insights.

A brief write-up about your Event (in about 300 words) : Vidya Prabodhini College of Commerce, Education, Computer, and Management, Parvari, Goa, in collaboration with Putzmeister Concrete Machines Pvt. Ltd., Verna, a German-based multinational corporation, successfully conducted a pioneering 60-hour certificate course titled "Getting Industry Ready" from 10th January to 3rd June 2025. This initiative, aimed at enhancing students' employability through industry-aligned training, was formalized through a Memorandum of Understanding (MoU) signed on 6th January 2025 at the company's office. The course was strategically designed to bridge the gap between academic learning and industry expectations, comprising 30 hours of classroom instruction and 30 hours of hands-on internship at Putzmeister's Verna plant. The classroom sessions, held at the college campus, featured 15 expert-led modules covering critical topics such as Workplace Communication & Professional Etiquette, Industry 4.0 & Smart Manufacturing, Quality Standards & Process

Optimization, Safety Protocols in Industrial Environments, and Teamwork & Leadership in Corporate Settings. These sessions were facilitated by Putzmeister's internal experts, providing students with direct mentorship and real-world insights. The inaugural ceremony, graced by dignitaries including Prof. Bhushan Bhawe (Principal, Vidya Prabodhini College), Ms. Swapnil Gupta (Director HR, Putzmeister), Shri Pradyumna Thakur (Learning and Development Head), and senior faculty members, emphasized the program's role in fostering skill development, knowledge acquisition, and industry readiness. Prof. Bhawe highlighted the importance of extending education beyond traditional classrooms to prepare students for corporate challenges, while Ms. Gupta underscored the program's alignment with Putzmeister's Corporate Social Responsibility (CSR) objectives to strengthen community ties through education. The valedictory ceremony, held on 3rd June 2025 at Putzmeister's Verna facility, was presided over by Chief Guest Shri Subhash Shirodkar (Hon'ble MLA, Shiroda Constituency, and Minister for Water Resources, Government of Goa), along with Shri Utpal Parrikar, Shri Sanjay Walavalkar (Chairman, Prabodhan Society), and senior executives from Putzmeister, including Mr. Kanjanabha Bhattacharyya (Managing Director). The event celebrated the participants' successful completion of the program, with certificates awarded to the students. Attendees lauded the initiative as a milestone in academia-industry collaboration, addressing Goa's need for a future-ready workforce. The program's success was attributed to its balanced blend of theoretical and practical exposure, with students gaining first-hand experience in industrial operations during the two-week internship. Mr. Swapnil Gupta remarked, "CSR is not just about investing in causes but also dedicating time and expertise to build valuable community connections," reflecting the program's broader social impact. The Initiative stands as a testament to Vidya Prabodhini College's commitment to innovative, industry-integrated education and Putzmeister's dedication to nurturing skilled professionals. The college, an A+ graded institution, looks forward to further collaborations under the MoU to advance student employability and industry-academia synergy. The "Getting Industry Ready" program has set a benchmark for vocational training in Goa, empowering students with technical proficiency, soft skills, and professional exposure while reinforcing the transformative potential of strategic partnerships between educational institutions and corporate entities. The course was conducted under the Guidance of Dr. Ujvala Hanjunker (Vice- Principal and HOD Commerce), Dr. Arun Marathe (IQAC Coordinator) and was coordinated by Assistant Professor Rudresh Uttam Mhamal.
