A brief write-up about your Event (in about 300 words) : Vidya Prabodhini College successfully concluded its "Know Your Scholarship (KYS) Awareness Program 2.0," a two-day initiative held on July 16th and 17th, 2025, in the College Board Room. The program aimed to significantly boost the number of students applying for and benefiting from various Central and State government scholarships by providing comprehensive guidance and support. The KYS Awareness Program 2.0 was specifically designed to orient first-year students on the intricacies of scholarship applications. Recognizing the vast array of opportunities available, the program focused on demystifying the process, ensuring students could navigate the application journey without hassle. A key objective was to empower students to identify and apply for scholarships best suited to their academic profiles and categories, thereby preventing them from missing crucial deadlines. Participants were thoroughly informed about the eligibility criteria for a diverse range of scholarships accessible through two primary government portals: the National Scholarship Portal (for Central government schemes) and the Chief Minister Scholarship Portal (for State government schemes). These portals offer various scholarships, including merit-based opportunities for academically meritorious students, as well as schemes catering to different student categories. Beyond eligibility, the program provided invaluable practical guidance
