Vidya Prabodhini College holds certificate course

PANAJI: The Department of Commerce, Vidya Prabodhini College of Commerce, Education, Computer & Management, Porvorim, organised a Certificate Course on "Financial Services in the Digital Era" from September 15 to 30. The primary objectives of this intensive course were: To provide practical knowledge of the emerging FinTech landscape. To develop job-ready skills by critically analysing the regulatory framework (RBI, SEBI) and understanding risk management. To foster awareness of future financial trends, including the implications of digital currency (Cryptocurrencies and CBDCs) and algorithmic trading.

The curriculum was structured to cover a wide spectrum of modern digital financial services. Core sessions focused on: Digital Banking (Mobile Banking, UPI, and payment systems), FinTech advancements, online investment platforms, and the regulatory framework shaping the financial sector in India. Specifically, the sessions delved into: Digital Insurance (Insurtech and online policy management), Mutual Funds (online investment and SIP platforms), Equity Trading (discount brokerages and algorithmic trading), and the emerging field of Digital Currency.

The course was coordinated by Darshan Gaonkar and Sunny Pandhre, operating under the guidance of Dr Ujjala Hanjunker, Vice-Principal and Head of the Department of Commerce, and Prof Bhushan V Bhawe, Principal of the college.

Sessions were conducted by industry experts, Akanksha Gaitonde (Branch Manager) and Vishal Singh (Assistant Branch Manager) of TJSB Sahakari Bank Limited, Mapusa-Goa.

A brief write-up about your Event (in about 300 words) : The Department of Commerce, Vidya Prabodhini College of Commerce, Education, Computer & Management, Parvari, Goa, successfully organised a highly comprehensive Certificate Course on “Financial Services in the Digital Era” from 15th to 30th September 2025. The college places a strong emphasis on the overall development of its students and is continuously conducting various certificate courses throughout the academic year to enhance their skills, employability, and professional readiness. Financial services are indispensable to a modern economy, facilitating investment, managing risk, and driving economic growth. In the digital age, understanding these services is crucial for all students, regardless of their stream, to ensure personal financial literacy and career competence. The primary objectives of this intensive course were: 1. To provide practical knowledge of the emerging FinTech landscape, enabling students to navigate and utilize key digital financial products and platforms (like UPI, online broking, and Insurtech). 2. To develop job-ready skills by critically analysing the regulatory framework (RBI, SEBI) and understanding risk management in a paperless, real-time transaction environment. 3. To foster awareness of future financial trends, including the implications of digital currency (Cryptocurrencies and CBDCs) and algorithmic trading, preparing students for future career opportunities in the BFSI sector. The curriculum was structured to cover a wide spectrum of modern digital financial services. Core
