A brief write-up about your Event (in about 300 words) :

The Industry Academia Interface Committee of Vidya Prabodhini College is organising a workshop titled "AI for Career Building" on 13th December exclusively for T.Y.B.Com students. The session aims to bridge the gap between academic learning and emerging industry trends by introducing students to the growing impact of Artificial Intelligence on professional careers. The workshop will focus on how AI skills can enhance employability, support smarter decision-making, and open up new career avenues in business, finance,

marketing, and entrepreneurship. Students will also learn to use basic AI tools for resume building, productivity enhancement, and skill development. This initiative seeks to empower future graduates with industry-relevant competencies, preparing them to confidently step into AI-driven workplaces.

A brief write-up about your Event (in about 300 words) : The Industry Academia Interface Committee of Vidya Prabodhini College, in collaboration with the Education Committee of the Goa Chamber of Commerce & Industry (GCCI) and in association with the Goa Technology Association, successfully organised the Tech Manthan Workshop on "AI for Career Building" on 13 December 2025 at Vidya Prabodhini College of Commerce, Education, Computer and Management. The workshop aimed to familiarise students—especially from non-technical backgrounds—with the rapidly evolving world of Artificial Intelligence and its growing impact on career development. Emphasising AI as a new-age literacy, the session focused on future-ready skills, industry expectations, and emerging professional opportunities. The program featured expert sessions by distinguished resource persons. Mr. Prasad Sawant, CEO of Buoyancy Consultants & Engineering, shared insights on the evolving technological landscape and the influence of digital innovation on careers. Mr. Amey Karmali, CEO of the Centre for Incubation and Business Acceleration, highlighted essential workplace skills,

startup ecosystems, and entrepreneurship pathways for students. Mr. Gilbert Mendes, Assistant Professor at Dempo AI Business School, guided participants on essential AI and digital skills, certifications, and building an AI-ready professional profile. The workshop was conducted under the guidance of Dr. Ujvala Hanjunkar, Incharge Principal of Vidya Prabodhini College, whose constant encouragement supports initiatives that enhance students' industry exposure and digital readiness. The activity was effectively coordinated by Shri. Darshan Gaonkar, Assistant Professor in Commerce and Activity In-charge, who played a key role in the planning and successful execution of the program. Aligned with the vision of Swayampurna Goa, the Tech Manthan initiative seeks to empower youth through digital literacy and technological preparedness. The workshop witnessed enthusiastic participation from students and faculty members, making it an engaging and informative learning experience. The organisers expressed their sincere gratitude to the resource persons, faculty members, and students for their active participation and support.
