A brief write-up about your Event (in about 300 words) : The Department of Commerce of Vidya Prabodhini College of Commerce, Education, Computer and Management, Parvari-Goa, in collaboration with the National Stock Exchange (NSE), Mumbai, successfully organised a one-day seminar titled “Decoding Financial Markets: Opportunities, Risks, and the Road Ahead” on 7th October 2025. The seminar aimed to enhance financial literacy among students and equip them with knowledge about the structure, opportunities, and challenges within the Indian financial markets. The session was conducted in three batches, witnessing active participation from 218 students across FYBCom, SYBCom, FYBABEd, and SYBABEd classes. Assistant Professor Rudresh Uttam Mhamal, Coordinator of the seminar, welcomed the gathering and introduced the guest speaker. Dr. Ujvala Hanjunker, Vice Principal and Head of the Department of Commerce, addressed the participants and presented a token of appreciation to the guest on behalf of the college. The resource person, Prof. Soniya Mashelkar from the National Stock Exchange (NSE), Mumbai, conducted an engaging and interactive session that offered students a comprehensive understanding of the functioning of financial markets in India. She began by explaining the basic structure and role of stock exchanges,

emphasising how they act as platforms for companies to raise capital and for investors to participate in wealth creation. Prof. Mashelkar further elaborated on various investment avenues, including equity shares, mutual funds, bonds, and systematic investment plans (SIPs), highlighting their risk–return profiles and suitability for different types of investors. She guided students on how to start investing responsibly, the importance of financial planning, and the need to set clear financial goals early in life. A significant part of her presentation focused on investor protection and financial safety, where she shared real-life examples of common financial frauds and scams, and provided practical tips on how to identify and avoid them. She urged students to rely on verified financial platforms, stay informed about market regulations, and practice ethical and informed investing. In his vote of thanks, Assistant Professor Rudresh Mhamal expressed gratitude to Principal Dr Bhushan Bhawe, Vice Principal and HOD Dr Ujvala Hanjunker, Dr Anil Thosare, Head of the Education Department, as well as all teaching and non-teaching staff and students for their support and active participation. The seminar represented the college's ongoing efforts to offer students learning experiences beyond textbooks and classroom teaching, thereby bridging the gap between academic knowledge and practical financial understanding. The initiative aligns with the United Nations Sustainable Development Goals (SDGs) — particularly SDG 4: Quality Education, by fostering financial awareness and lifelong learning, and SDG 8: Decent Work and Economic Growth, by promoting responsible financial behaviour and economic empowerment among youth.
