Thanks for the Lunch, tea and batata vaadas

Special thanks to Sir. Kalidas Mahmal, God bless. Hope we have such insightful and lovely sessions in the future.

The session was very engaging, activity-based and a little-bit of informative. More such interactive and practical activities should be conducted in future programs. However, a better balance between lecture and activities would have enhanced understanding. A little more time can be given for group discussions and role play activities for better imaginative and creative thinking. Overall, the program was well organised, beneficial and enjoyable for the students.
