## Activity Report

**Event Id :** A2614287

**Event Name :** Workshop on "Accessibility Today, Inclusion Tomorrow"

**Academic Year :** 2025-26

**Activity Type :** Workshops / Training Programmes

**Reach of the Event :** Local

**Mode of the Event :** Offline

**Date of the Event :** 2025-07-15 To 2025-07-15

**No of Day(s) :** one day

**Venue :** Board Room ,Vidya Prabodhini College

**Objective of the Event :** To empower the students to build an inclusive and barrier free Goa by sensitising them towards the challenges faced by persons with disabilities and enable them to conduct accessibility audits using the Sugamya Yatra App.

**Outcome of the Event :** The students help in building an inclusive and barrier free Goa as they get sensitised towards the challenges faced by persons with disabilities and will help in the conduct of accessibility audits using the Sugamya Yatra App.

**A brief write-up about your Event (in about 300 words) :** The workshop titled "Accessibility Today, Inclusion Tomorrow" was organized by the PWD Cell on 15th July 2025 in the College Board Room from 10:00 a.m. to 1:00 p.m. The programme witnessed the enthusiastic participation of 50 students, reflecting a growing awareness and sensitivity towards issues of accessibility and inclusion in educational spaces. The workshop was conducted by the Department for Empowerment of Persons with Disabilities, Goa, in collaboration with the Association of People with Disabilities, Bangalore. The session aimed to sensitize students to the needs, rights, and challenges faced by persons with disabilities, while also equipping them with practical strategies to promote inclusive practices in their academic and social environments. The programme was thoughtfully structured, combining both theoretical inputs and hands-on activities. The theoretical component provided students with an understanding of the concept of accessibility, the principles of inclusive education, and the legal and social frameworks supporting the rights of persons with disabilities. Resource persons highlighted the importance of empathy, equal opportunities, and barrier-free environments in building an inclusive society. The practical segment of the workshop was particularly engaging, as students participated

in experiential activities designed to simulate challenges faced by individuals with disabilities. These activities enabled students to develop a deeper understanding of accessibility barriers and encouraged them to think critically about solutions. Overall, the workshop was highly informative and impactful. It not only enhanced students' awareness but also inspired them to adopt inclusive attitudes and practices in their daily lives. The initiative taken by the PWD Cell helped foster a sense of responsibility among students to contribute towards creating a more inclusive and accessible society. The said training programme also equipped the students in the conduct of audit of public building/spaces with regard to their accessibility for all individuals. Each participant was further required to conduct audits of any five public spaces/buildings with the help of the Sugamya App and certificates would be issued to each student on the completion of the task.
