Activity Proposal

Participation/Organization	:Organization
Event Id	:P2603483
Event Name	:Alumni Interaction Series – Integrating Practical Insights into B.Com Curriculum
Academic Year	:2025-26
Activity Type	:Seminars / Conferences
Reach of the Event	:Local
Mode of the Event	Offline
Date of the Event	:2026-02-02 To2026-03-20
No of Day(s)	:Two Months
Objective of the Event	:To bridge the gap between academic theory and real-world business practices. To expose students to diverse career paths and industry expectations. To enhance student engagement through live interactions with successful alumni. To provide networking opportunities for students within a professional yet familiar setting. To enrich the syllabus with practical illustrations of concepts taught in class. To encourage alumni involvement in the academic development of current students.

Outcome of the Event :

Students will gain practical insights into how theoretical concepts are applied in business. Increased student motivation and interest in the subject. Alumni will contribute to curriculum relevance and student mentorship. Enhanced institutional reputation through sustained alumni engagement. Students develop professional communication and networking skills.

A brief write-up about your Event (in about 300 words) :

This initiative aims to bring alumni from diverse professional backgrounds into the classroom during regular lectures to share their industry experiences, career journeys, and practical knowledge. The sessions will be

strategically aligned with specific subjects across the B.Com program. Alumni will interact with students through talks, Q&A rounds, case discussions, and problem-solving activities, making theoretical concepts more relatable and applied. This will be a recurring activity across semesters, carefully scheduled as part of the syllabus delivery. This initiative is founded on an Experiential and Authentic Learning framework, specifically implemented through Alumni-Integrated, Contextual Teaching. This pedagogical approach strategically merges principles of social constructivism, wherein students co-create knowledge through guided interaction with industry practitioners as “more knowledgeable others,” with situated learning, which embeds abstract syllabus concepts within authentic professional contexts. By intentionally weaving alumni interactions into the curriculum, we directly bridge theoretical instruction with applied, real-world practice, transforming passive content delivery into an active, career-relevant, and professionally situated learning experience. This methodology is designed to foster higher-order cognitive engagement, enhance curriculum relevance, and achieve the prescribed Course and Program Outcomes by aligning academic rigor with industry expectations and narratives.

Activity Report

Event Id : A2603286

Event Name : Alumni Interaction Series – Integrating Practical Insights into B.Com Curriculum

Academic Year : 2025-26

Activity Type : Seminars / Conferences

Reach of the Event : Local

Mode of the Event : Offline

Date of the Event : 2026-02-04 To 2026-03-14

No of Day(s) : two days

Venue : S Y B Com & T Y B Com Class rooms

Objective of the Event : To bridge the gap between academic theory and real-world business practices. To expose students to diverse career paths and industry expectations. To enhance student engagement through live interactions with successful alumni. To provide networking opportunities for students within a professional yet familiar setting. To enrich the syllabus with practical illustrations of concepts taught in class. To encourage alumni involvement in the academic development of current students.

Outcome of the Event : Students will gain practical insights into how theoretical concepts are applied in business. Increased student motivation and interest in the subject. Alumni will contribute to curriculum relevance and student mentorship. Enhanced institutional reputation through sustained alumni engagement. Students develop professional communication and networking skills.

A brief write-up about your Event (in about 300 words) : The Department of Commerce, Vidya Prabodhini College of Commerce, Education, Computer and Management, Parvari, Goa, successfully launched the inaugural session of its visionary Alumni Interaction Series, a novel teaching-learning pedagogy conceived by Assistant Professor Rudresh Mhamal. Held under the guidance of HOD Dr Arun Ramakant Marathe, and the quality initiative of IQAC, the series aims to bridge academic theory with industry practice. The debut event featured esteemed alumnus Mr Akshay Hirve, founder of a thriving 'Hrive's Event' management enterprise, who shared invaluable insights from his professional journey. Assistant Professor Mhamal inaugurated the session by outlining the series's core mission: to create a dynamic forum where real-world experience directly enriches classroom learning. The interaction was graced by Dr Ujvala Hanjunker, Principal-in-Charge, who presented Mr Hirve with a token of appreciation and encouraged students to learn actively from his

entrepreneurial story. Mr. Hirve engaged the audience with compelling narratives on the essential pillars of success—discipline, strategic risk-taking, meticulous planning, and perseverance—transforming abstract concepts into tangible industry wisdom. The event culminated in a vibrant Q&A where students posed thoughtful questions on client relations, crisis management, and career pathways, receiving candid, experience-driven advice. This pioneering session set a powerful precedent for the series, providing students with a practical blueprint for their futures and affirming the department's commitment to fostering industry-ready graduates. The department looks forward to hosting more such enriching dialogues, continuing this innovative pedagogical journey. The Second Session of the Alumni Interaction Series was successfully conducted at Vidya Prabodhini College of Commerce, Education, Computer and Management on February 14, 2026. The session was held in the TY BCom classroom from 9.00 am to 10.00 am, with Mr. Sandesh Singh, Co-Founder of Veom Enterprises (Cafe Pathsala), Goa, as the resource person. The program began with an introduction of the guest speaker by Assistant Professor Rudresh Uttam Mhamal, who highlighted Mr. Singh's journey as an entrepreneur and his association with the college. Assistant Professor Darsh Gaonkar then welcomed Mr. Singh with a token of appreciation on behalf of the college, honoring his contribution to guiding the current students. Mr. Sandesh Singh addressed the students on the theme "The Startup Story." During his inspiring talk, he shared his personal experiences and struggles during his early days before becoming a successful entrepreneur. He spoke candidly about the challenges he faced while establishing Cafe Pathsala, the lessons learned from failures, and the importance of perseverance and passion in building a business. His journey from humble beginnings to co-founding a thriving enterprise motivated the students to consider entrepreneurship as a viable career path. The interactive session allowed students to ask questions and gain practical insights into the world of startups. Mr. Singh emphasized the need for dedication, continuous learning, and adapting to market needs. He also spoke about the day-to-day responsibilities of running a business, including operations, staff coordination, customer experience, and marketing.
