A brief write-up about your Event (in about 300 words) : The TY and FY B.A.B.Ed students visited Prudent Media for an insightful field trip. They explored the newsroom, recording studio, and editing room, observing how news is researched, scripted, and broadcast. Journalists and technical staff interacted with them, emphasizing accuracy, ethics, and teamwork in media production. Live demonstrations of camera setups and

editing software helped students connect theory with practice. The experience broadened their understanding of media's role in society and inspired them to integrate media awareness into their future teaching careers.
