vpc_goa_ 📚✨ Learning to teach the learner's way!

The Department of Education organised an engaging session on "Student Centric Teaching Approaches" for F.Y.B.A.B.Ed students in the College Board Room.

The session was conducted by Kavindra V. Phaldessai, who introduced students to innovative teaching styles focused on making learning interactive, joyful, and meaningful.

Through demonstrations, activities, and group discussions, students got the opportunity to practice different teaching methods and experience learner-centred strategies firsthand.

Activity Report

Event Id : A2614349

Event Name : Use of different Teaching methods in classroom

Academic Year : 2025-26

Activity Type : Workshops / Training Programmes

Reach of the Event : Local

Mode of the Event : Offline

Date of the Event : 2026-03-02 To 2026-03-02

No of Day(s) : one day

Venue : College Board Room

Objective of the Event : Students enhanced learning by using diverse teaching methods that address different learning styles and promote active participation.

Outcome of the Event : Students became more engaged, understood the concepts more effectively, and showed improved academic performance through the use of varied and appropriate teaching methods.

A brief write-up about your Event (in about 300 words) : The session gave hands on experience to the students where students tried different teaching methods that can be used in the classroom for various subjects. The resource person has experimented different teaching methods with the students where students had actively participated and also enhanced their critical thinking. The resource person had also explained what type of assignments to be given to the students so that it will develop their cognitive ability. Using different teaching methods is important because it accommodates diverse learners, increases student engagement, strengthens understanding, and creates a more inclusive and effective learning environment.
