APPEAL

Prabodhan Education Society's
VIDYA PRABODHINI COLLEGE
OF COMMERCE EDUCATION, COMPUTER AND MANAGEMENT

Affiliated to Goa University
Accredited by NAAC with B+Grade (CGPA of 2.73)

Excellence... Everytime... Everywhere

Dear Patron

The Prabodhan Education Society managed **Vidya Prabodhini Shiksha Sankul** at Vidyanagar is a well-known landmark in Parvuri-Goa. The spacious premises, consisting of a towering **3-storey building** spread over **3850 sq.mt.** and an adjoining **4000 sq. mts. Playground** houses Vidya Prabodhini College of Commerce, Education, Computer and Management, Vidya Prabodhini Higher Secondary School of Arts, Science & Commerce, L.D. Samant Memorial High School, Prabodhan Poorva Prathamik Vidyalaya and Prabodhan Prathamik Vidyalaya. Within its campus, the institution offers excellent infrastructure facilities and a conducive learning environment to cater to a growing student population. Amongst other facilities, the institution has a Wi-Fi enabled campus, smartboards, IT laboratories, well-stocked libraries, online resources, sports facilities, modern classroom furniture, and transportation facilities.

In order to keep pace with growing educational requirements of the future, especially in the light of the **New Education Policy (2020)**, the Vidya Prabodhini Shiksha Sankul is looking to expand its infrastructure in terms of facilities and amenities being offered to its stakeholders.

The Society has listed out the following projects for execution:

1. Recreational-cum-Seminar Hall

With the student strength growing, and the academic needs of the institution increasing along with, the need to add one more storey to the building is being keenly felt. The floor will include a **recreational cum seminar hall with equipment, classrooms, laboratories, restrooms and storage facilities.**

Estimated project cost: Approximately Rs. **55,00,000 (Rupees Fifty Five Lakh).**

2. Passenger Elevator

The institutional building spread over three massive floors. Hence, a **requirement of an elevator** to cater to the needs of **students**, especially of **Divyang students, parents and visitors** has been severely felt. Hence, infrastructural provisions, such as construction of an elevator well, have already been made during the construction of the building. The proposed elevator, having a passenger capacity for 15 persons, will facilitate easier access to the services and facilities of the institution.

Estimated project cost : **Approximately Rs. 20,00,000/- (Rupees Twenty Lakh).**

3. Solar panels for self-reliance in energy

Educational institutions have high energy requirements, and since most of this energy comes from coal and other thermal power plants, the institutional carbon footprint is quite large. As a part of a larger initiative

to go green and to contribute its bit to environmental sustainability, the institution plans to create a total generation capacity of 35KVA from solar energy to meet all its electricity needs.

Estimated project cost : Approximately **Rs. 18,00,000/-** (Rupees Eighteen Lakh).

4. Development of Sports and Gymkhana Infrastructure

A healthy mind needs a healthy body. However, in the quest for academic excellence, physical education and health often take a back seat. While, we all wish to win sporting medals at international fora such as the Olympics, India sorely lacks a holistic approach to sports. To cultivate a sporting culture amongst its students, Prabodhan Education Society runs **Kreeda Prabodhini**, a sports mentoring programme for students of the schools and college managed by the Society, as well as for children and youth who live in vicinity of the Sankul. Mentoring and facilities for sports such as Gymnastics, Kho-Kho, Kabaddi, Cricket, Football, Table Tennis, Judo and Skipping amongst others are offered to interested students. Sportspersons trained at the Prabodhini have won state and national laurels. The Society now wishes to expand the facilities and upgrade equipment to offer infrastructure that can be considered at par with the best in the state.

Estimated project cost : Approximately **Rs. 10,00,000/-** (Rupees Ten Lakh).

5. Faculty Development Programs, Conferences, Seminars, Workshops and other Academic Activities

The college conducts a number of faculty development programs for training its academic and administrative staff. In addition, national and state-level conferences, seminars, webinars and workshops are also organised by the college. We welcome your participation as partner, through your partial or full sponsorship of these academic activities.

Estimated project cost : Approximately **Rs. 10,00,000/-** (Rupees Ten Lakh) per annum.

We approach you to come forward with financial or material aid under your CSR mandate. We assure you due credit will be given to the donor. In case you have any query, you may reach us on the contact numbers given overleaf or write to us at office@vidyaprabodhnicollege.edu.in. You are also invited to visit our campus at your convenience; we would be delighted to show you around.

We are positive you will consider this appeal favourably, and help us continue this monumental task of nation-building through enlightened education.

Yours truly

Sanjay Walavalkar
Chairman

ABOUT PRABODHAN EDUCATION SOCIETY

Prabodhan Education Society is one of the most reputed organizations in the field of Education in Goa. Founded in **June 1988**, the Prabodhan Education Society has cherished a vision to develop a forward-looking educational philosophy that is in consonance with Indian ethos and philosophy, and which strives to inspire citizens to contribute to the national cause.

Today, the 33-year determined journey has seen the family grow into **eleven premier educational institutions** that cater to students from nursery to graduation. The respect that L.D. Samant School and Vidya Prabodhini Higher Secondary School command due to the quality of education and values that they impart is second to none. Students from our schools have won academic and sporting laurels at national and state fora. Several of the students have gone on to achieve greater glories, be it in the fields of administration, defence, education or medicine. Admissions to the Prabodhan Primary and Pre-Primary schools are also sought after due to the value education and skill education imparted at these schools. Together, the schools boast a total strength of **1966 students and 103 staff members**.

ABOUT VIDYA PRABODHINI COLLEGE

Vidya Prabodhini College of Commerce, Education, Computer and Management was similarly envisaged to meet social and educational needs of the society. The college, affiliated to Goa University and aided by the Government of Goa, started enrolments in 2012. The first batch of **44 Bachelor of Commerce** students graduated in 2015. In the same year, the college introduced the **National Council of Technical Education (NCTE) approved Four-Year Integrated B.A.B.Ed. programme, the first of its kind program** in the state of Goa. A third floor was added to the building to accommodate the college premises. Today, the well-staffed college has over **765 students and 65 faculty members** on its rolls. The youngest college in Goa, Vidya Prabodhini College has **been assessed and accredited by the National Assessment and Accreditation Council (NAAC) with B+ Grade** (with a CGPA of 2.73 on a 7-point scale). The college is also **recognized by UGC under sections 2(f) and 12(B) of the UGC Act 1956**.

Prabodhan Education Society is registered under **Section 12A** and **Section 80G** of the **Income Tax Act (1961)** and contributions are exempt under the related provisions of the Act. Cheques and drafts may be addressed to, "**Prabodhan Education Society**".
