Principal's Report.....

As I recount to pen the meteoric rise of Vidya Prabodhini College of Commerce, Education, Computer and Management in the short period of eight years since its inception, I can't, but feel a sense of pride for the heights the college has reached in the brief span of time.

The glories achieved by the college owes credit to the principals, faculty and non-teaching staff of this college, who have, in a sense, made history due to their innovative initiatives as well as their strong faith and loyalty to the organization.

The college opted for the NAAC certification within five years of being founded, and was awarded a well-deserved B+ grade by the organisation. Similarly, the India today ranking found the college respectably placed between the 1-150 slot in the all-India list.

The value based education imparted by the college offers its students an eclectic mix of curricular and co-curricular activities. And, the success of this can be seen in the accolades received by its students and staff across the academic and literary spectrum of the state.

The college has marked its presence on the educational map of Gomantak in a very short period of time due to its dedicated, research-loving, and diligent teaching staff who are passionate about education, and the hard-working non-teaching staff who ably complement the academicians.

The courses offered by the college reveals an interdisciplinary context. The college was established for the purpose of imparting education in four branches of knowledge. At present, the college offers two degrees namely B.A.B.Ed. (Integrated) and B.Com. The curriculum of this college has been designed in line with the expectations of National Education Policy 2020.

The students who have enrolled at this college have also excelled in various spheres. Along with successes in education, they have won laurels in the fields of sports, performing and fine arts, culture, and literature, amongst others.

The annual memorabilia of the college, representing all these achievements, had been broken for the last two years due to the Covid-induced lockdown. That the college is getting back into its role as a beehive of buzzing academic and cultural activity is a very encouraging sign of things to come.

This publication contains annual reports of various departments, cells and committees clubs. There is no doubt that this will prove to be an important document for the NAAC re-accreditation process to be held in this college after two years.

I personally thank all the members of the editorial committee as well as the staff and printers who laid the groundwork for the publication of this magazine. Due to their creativity, this magazine has become not only a dossier of activities and achievements, but also an attractive, collectible souvenir for all those associated with it.

I would also like to place on record the gratitude of the college to the Chairman of the society, Shri. Sanjay Walawalkar, and all the office bearers of Prabodhan Shikshan Sanstha, for their constant guidance and rock-solid support whenever we needed it.

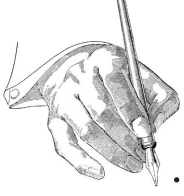

While I look back at the years that have passed with fondness, I also look ahead for the years to come with hope and expectations. I urge all my colleagues to work even harder and more creatively in the coming years.

I would also like to commend all the students who have done their best to continue to bring dignity and prestige to this college.

I also congratulate those who have awakened the writers in themselves by publishing their creative literature and urge them to continue this writing tradition.

And to you, dear readers... Happy reading!

..... Editorial

Silence is a form of speech and an element of dialogue

-Susan Sontag

It is a privilege to present to you the first edition of the college magazine (Sarvottam). The theme chosen for this edition is Stillness. Stillness is a lack of movement, a form of action, an element in advancement, in evolution and in all forward motion. Ironically, human civilization has veered towards movement and action and considered stillness as impeding human progress. In the covid times that we are living today, this intrinsic quality of stillness had to be revisited. A society that thrived on action, literally was forced to 'standstill'. This stillness, albeit imposed by the lockdown, was not stagnation but a much-required respite from the overwhelming paraphernalia that we had engulfed ourselves with - in the form of social media overload or in other forms of digital socialization. It helped us cope with the chaos and sheer desperation that the epidemic had unleashed.

The academic year 2020-2021 has been especially testing for the academic fraternity used to regular bustling activity. Colleges were closed and activity came to a standstill. However, the ingenious human mind found a way out - a mode that became a buzzword of our times the 'online', to tide us away from this looming crisis. It was through this medium that the academia could communicate. The plethora of activities conducted in this academic year are a testament to this desire of the human mind to communicate. It is a record, seemingly minuscule, of the resilience and the effort put in by every section of the college to continue the process of teaching and learning. The activities undertaken by the college this year display a kaleidoscope of such activities conducted by the faculty and the students.

In keeping with the educational philosophy of National Regeneration envisaged by the founders of the Prabodhan Education Society, the Vidya Prabodhini institutions have strived to instill the core value of service to society in the students. The activities conducted by the NSS and the various departments, clubs and committees of the college concur to this value and the vision of achieving Excellence Everywhere Every Time.

It is with this core objectives in mind, that we present to you the college magazine of the academic year 2020-2021. I take this opportunity to thank the management for their cooperation and the Principal of the college, Dr. Bhushan Bhavne for entrusting the magazine committee the responsibility of this venture. My due acknowledgement to the diligent effort put in by my fellow committee members in collating the edition and my colleagues for their valuable inputs.

This edition of the magazine Sarvottam envisaged in the backdrop of 'stillness' will always remind us of the value of human communication and the desire to remain connected. It is hoped that the first edition of the magazine will be a stepping stone in our pursuit of excellence and truly be Sarvottam in the years to come. It is with this aspiration that I present the edition of the magazine to the readers.

Congratulations

Congratulations to the Ph.D degrees awarded during this academic year.

Dr. Ujvala Madhukar Hanjunker
awarded Ph. D in Commerce.

Dr. Ujvala Madhukar Hanjunker, *Assistant Professor*, was awarded Ph.D. in Commerce by the Goa Business School, Goa University for completing research on the thesis titled “Transformational Leadership Behaviour in Select IT Companies in India”, on 7th September, 2021. The Ph. D was Completed under the guidance of Prof. K. G. Sankaranaryanan, Zantye College Research Centre, Narayan Zantye college of Commerce, Bicholim- Goa.

Dr. Pinkesh Dhabolkar
awarded Ph.D. in Commerce

Dr. Pinkesh Dhabolkar awarded Ph.D. in Commerce by the Goa University for completing research on the thesis titled “Performance Evaluation of Index Funds in India.” The study provides a comparative analysis of index mutual funds and exchange-traded funds listed in India, based on various performance parameters.

The study contributes significantly to finance literature and will help market regulators, fund houses, market makers, and research analysts evaluate the Indian index fund market. As individual and institutional investors tend to diversify their investments across different markets, the findings would be decisive for investors interested in portfolio diversification. The Ph.D. was completed under the guidance of Prof. Y.V. Reddy, former registrar of Goa University and senior professor at Goa Business School.

DEPARTMENT OF COMMERCE

Introduction:

Vidya Prabodhini College has the vision of *Excellence Everywhere Every time*. With this vision, the Commerce Department was set up with the year of establishment i.e., 2012 offering undergraduate courses in Commerce. The courses offered are undergraduate B. Com (Honors) under CBCS system from academic year 2017. Initially the college started with four temporary faculty members. Presently the strength of the commerce and allied department has increased to sixteen. All staff members are highly qualified, knowledgeable, energetic, and enthusiastic and dedicated to their work. The Allied Departments include Mathematics dept, Economics dept, Law dept, EVS dept and Computer dept. All the faculty members of the Commerce department have made consistent efforts to reach out to the needy and poor students and work towards an all round development of students through the various activities i.e. curricular and Co- curricular. To improve the overall performance of the students faculty members, strive to hold extensive interactions with the students through Guardians-Teachers Meetings, Educational/Industrial Tours, and Special Lectures. Moreover, familial atmosphere is created wherein the students shed their inhibitions and communicate with ease. The main challenge for the department is to enhance the skill potential of the students in classes as well as to create awareness about the huge employable as well as entrepreneurial potential of commerce graduates in big cities or elsewhere.

DEPARTMENT OF EDUCATION

Introduction:

The College takes credit for having started a unique program i.e. a Four-Year integrated B.A.B.Ed from the Academic Year 2015-16. The programme was designed to enable learners to deploy suitable methods, strategies and techniques of teaching to achieve instructional objectives at school level, manage classroom environment to ensure effective learning, demonstrate basic understanding of chosen social science and language electives and conduct research to improve the process and product of education.

The objective of this department is to create competent and trained human resource in the field of Teaching and Education in the society, to draw talented and vocationally inclined youth (after HSSC or equivalent) in the vitally significant teaching profession and to infuse a sense of purpose and commitment in the aspiring teachers at a fairly early stage in their education.

DEPARTMENT OF GEOGRAPHY

Introduction:

Vidya Prabodhini College of Commerce, Education, Computer and Management has a vision of *Excellence, Everywhere and Every time*. With this vision B.A.B.Ed. program started in the year 2015-2016 with the Geography Department offering undergraduate course in Geography. Initially the department had one contractual and one lecture basis faculty member, Dr. G. Srinivas, Asst. Director, IGNOU, Panaji Regional Centre. Dr. Srinivas provided a strong foundation to the Geography Department and contributed to its success. He has been guiding the department and giving suggestions for improvement in the teaching learning process. Presently, the strength of the Geography department has increased to 4 which includes 3 regular faculty and 1 lecture basis faculty. All faculty members are highly qualified, knowledgeable, energetic, and enthusiastic and dedicated to their work. The Geography department has an equipped lab with all the facilities right from tracing table to all types of maps, aerial photographs, satellite images, toposheets, weather reports, globe, geometric box, pocket and mirror stereoscope and advance GPS instruments. It also has enough infrastructure with separate high speed internet connectivity. The department prioritises quality teaching and aims to create effective teachers, who will be environmentally conscious and responsible citizens for the society and nation.

DEPARTMENT OF KONKANI

Introduction:

Vidya Prabodhini College has a vision of Excellence, Everywhere Every time. With this vision, Konkani Department was set up in the year 2014. The vision of the department is to inculcate in student-teacher an awareness of the rich heritage of Konkani language and literature. The goal of the department is to create responsible and good teachers, to impart primary and secondary language skills in student teacher and develop a reading culture so that they inculcate the same in future students. As Konkani is the official language of Goa and students have a growing inclination for Konkani language, the strength of this department is increasing day by day. To make the students proficient in the Konkani language the department organizes debates and encourages students to participate in one act plays, yuvamahotsav, sahitya sammelan, writing articles to the college magazines and department Newsletters, preparation of wall papers, participating in inter-collegiate poetry recitation, short story, elocution and other competitions.

Besides University curriculum, the development of reading, writing and conversational skills are inculcated in students by way of ample measures like preparing wall papers, organizing field trip, study tour and quiz.

FUTURISTIC PAST

Somewhere, in the year 3035 lived a Princess named Eve. She was absolutely elegant with a dusky skin tone, tall stature, her eyes as blue as the ocean made her look even more prepossessing. She was therefore the most eminent girl of all. Her wisdom and intellect added to her beauty, and because of these qualities every other princess envied her. There was no other beauty with brains as Princess Eve on planet Jupiter. Her father, the King of Saturn was rageful and imperious. He was proud of his daughter Princess Eve who had taken over the planet Jupiter with her intelligence. Eve's mother died when she was six. Since then, she lived with her stepmom Queen Elizabeth, who hated her the most. With all the mistreatment Eve grew up even stronger, that she was capable of ruling a whole planet.

The whole of the universe was connected with tracks, so that it would be easy for people to travel from one planet to another via spaceships. A few groups were assigned various responsibilities. For instance, setting the right amount of artificial oxygen in the atmosphere, laying down the tracks between the planets in an orderly manner and to make sure to fix up any damaged track.

The planet Jupiter ruled by Princess Eve was far more developed than Saturn because of Princess Eve's quick-witted nature. She would predict any trouble lurking on her planet before anyone could be affected by it. And therefore, she was the most loved Princess of all time.

Every new year, Princess Eve visited her father at Planet Saturn. But this year, the King planned his voyage to Jupiter. But on the way his spaceship was attacked by his cunning and valiant enemies. The moment Princess Eve got to know about this news she swiftly got into a spaceship accompanied by a soldier and army and headed towards the attack. The moment she reached there, her soldiers attacked the enemies one by one and destroyed their spaceships. While the fight was still going on, Princess Eve was attacked by her own soldiers who were bribed to do this vicious act by her stepmother. In this Chaos Princess Eve tripped and her spaceship fell on the ground with a terrific thud.

"Princess EVE!!!!!!!" screamed the king looking at his daughter disappearing into the space.

Princess Eve didn't know where she was heading. The only thing she could see was a black space.

"Is this the same black hole that everyone spoke about, where, whoever would fall into would never come back?" she said to herself.

The deeper she went through it, the harder it was for her to breathe. And at last, her spaceship fell down with a loud thud!

"Ouch" she yelled in pain.

She looked around

Everything was so much green around her just like her grandmother would tell her about life in the

past. There were huge brown logs covered densely with green colored leaves as they called it then.

She looked around to see a man staring at her. He was all naked standing still without any movement gazing at her from top to bottom.

Princess Eve raised her hand to shake hands with him "I'm Eve. What about you?"

The man stood motionless, looking at her having no idea what the Princess was talking.

He stepped behind as Princess Eve moved closer to him "I shall call you Adam." She made hand movements to make him understand what she was telling him.

"Ad-um" repeated the boy.

"Yes! Adum" Eve chuckled to herself.

THE GIRL CHILD

Born as a girl in this cruel world,
I wish to be praised and loved
Sadness lurking in my mother's eyes
Telling me to break the norms and rise

Let me stumble, regain my courage,
Chase the dreams beyond my cage.
Promise, I will make my own name,
Won't let your head hang in shame.
Just let me have my freedom,
Let me build my own kingdom,
Soaring high to infinite,
More than just a girl child.

WORDS UNEXPRESSED

A voice unheard
Always wanting to come out as a word
Of a girl who was a booknerd
Wishing to be as free as a bird
Soaring high above with its wings
Happiness which to her, it brings
To her dreams she tightly clings
Which shine like diamond rings
Gazing at the sky she asks
As the seconds of the time pass
"Why is this a misery to me
As deep as the ocean and the sea?"
With rage in her eyes she heralds
Recalling the days of her pain and troubles
As she receives some hope in the form of a ray
Says she, "my dreams will be true one day"
Now she expresses her feelings through her poems
Also sometimes consisting of her problems
By reading the words in a whole verse
She is known in the entire universe
Not only did she raise her name
But also acquired abundant fame

GLOBAL PANDEMIC

As the news began to emerge from China in 2019 of a new infectious respiratory disease, no one knew then, that it would be a global pandemic. The disease name “corona” started in China in October 2019 when the first case was identified in Wuhan which was linked to Wuhan's seafood market. The disease started spreading at an alarming rate and almost all the countries started getting affected. Italy was the highest in the number of covid cases. The situation worsened and India also came under its grip. Since initially people weren't aware about the virus and the precautions, all kept moving outside as usual. After a comprehensive study by the scientists and the World Health Organization (WHO) people were made aware of the disease they had the information and got to know of the precautions. The number of deaths started increasing worldwide. There was chaos around the world.

Researcher and studies had shown that imposing lockdowns are effective in reducing covid 19. The World Health Organization started implementing curfews and lockdowns. The World Health Organization also recommended that the covid affected should follow strict personal hygiene and isolation. In some cases, only essential business was allowed to remain open. Schools, universities and colleges were closed worldwide. The restrictions imposed due to the pandemic had social and economic impacts in the sense that millions of people had to suffer from extreme poverty. It also led to huge loss of human life worldwide. Most of the people lost their jobs due to which they had no money, as a result they were unable to feed themselves and their families. The farmers who were feeding the world also experienced poverty, malnutrition and poor health. The scarcity of money led people to indulge in child labor and borrow predatory loans. Millions of entrepreneurs also faced the challenges created by the pandemic. There were also people who started small businesses to earn some income to save their families from starving.

In India the Prime minister Narendra Modi introduced the concept of Atamanirbhar Bharat which means self-dependent India. It was introduced to boost the economic development of the country. This concept was started in India in the year 2014 to eliminate poverty and for national security. After some period of time the second wave of covid 19 emerged. The second wave too hit the people hard. The number of deaths started increasing. There was shortage of beds in the hospitals. The rate of oxygen cylinders was also increasing and hence people couldn't afford to buy them. The government made arrangements for the creation of new hospitals. Since the people who were experiencing poverty didn't have enough money in order to pay for the beds they slept on the floors of the hospitals. People faced more difficulties in the second wave than the first wave.

After a few months there was one more variant detected named as “delta variant”. The delta variant was first detected in India in December 2020. The variant had been detected in forty-three countries. In United Kingdom a rapid increase in the cases with this variant has been associated with travel from India. Even as a deadly second wave of covid was on, doctors began reporting a huge number of cases where some people had a rare infection called the black fungus which affected the sinuses, the brain and the lungs.

Gradually, the cases of covid were in control. Considering the global pandemic various trials have

been made in order to develop a suitable vaccine against covid 19. In India two vaccines have got approval namely Covishield and Covaxin. The vaccines aim at improving the immune response to the virus. In the beginning the health care providers and frontline workers were vaccinated followed by the general population. Vaccines were being supplied to different parts of the county. Almost 60% of India's population has been vaccinated. The war is not yet over and we have to take enough precautions to be safe from covid.

HUMANITY

Humans are what we are termed as
Differentiated we are in various names whereas,

Everyone has formed their own group of religion and category
For which is written this allegory,

Division does not change the colour of your blood
Don't treat humans like their veins flow mud,

Humans do have birth marks
But they do not represent your diverse archs

When we shatter this unity
We divide humans from humanity,

So, here's a plea to all the disguised ones
Try to be human in your life at least once,

Do not forget the differences are made by us
And we have to see that we don't continue it as such,

Nationality is also a word
We all are humans at first and then deferred,

You can be a change in the list
It's in your hands; whether to be a human or a misanthropist,

So, here's a plea to all the disguised ones
Try to be a human in your life at least once.

EVILS AGAINST WOMEN: A MENTALITY

The life of a woman has been miserable right from the ancient time; Draupadi's stripping of clothes (cheer-haran) to Laxmi Agarwal's acid attack. The hypocritical society keeps on reminding a woman that "You cannot defy anyone". And surprisingly such cringy thoughts are mostly propagated by women. Though we live in a democratic country; no justice prevails in such matters; which was evident in the case of 'Nirbhaya' wherein it took nearly 7 years for meting out justice. Savitri Bai Phule emphasized on how advantageous it would be if the woman of a family is educated and endorsed the famous saying "Gharatli Bai Shikshit Tar SarvGharSushikshit" (If a woman is educated then the entire household is educated too.)

Everyone expects the first child to be a 'son' and if not the second one, rendering the life of a girl confined to household work even after getting education. I had first-hand experience of this when I overheard such views during my sister's pregnancy. It was mostly women saying this rather than men whose judgement was overpowered by such pathetic statements. If girls are a burden, we would not see women excelling in every field at par with men. The vicious circle of blaming a woman will end only when we change our mentality. Instead of just blaming men, we as 'mother in laws, mothers, sisters and daughters must make sure we respect every woman, their way of living, their choices and not just be judgemental with our narrow-minded approach.

Torturing one's wife for not bearing a son is a sign of the parochial mentality and inhumane attitude of the husband who fails to gauge the unbearable pain a woman undergoes during her pregnancy. At such a time, women require support and care as they are mentally and physically exhausted. After pregnancy 90% of women get inflicted with illnesses like diabetes, high blood pressure etc. As women we have no role to play regarding the sex of the child, so think scientifically. Shower the same love to the daughter as you would to a son, correct both when they are wrong so that in the future, we put an end to this gender discrimination. If we inculcate such thinking, gradually the misogyny will end and we shall have a truly equitable society.

AN INSTANCE OF TWO MINUTES

That day was Sunday. Since it was a holiday, we had an opportunity to buy new clothes! And that's the reason we were excited and happy. After having breakfast in the morning, I, my mother and my sister were all set to leave. The three of us, sat in the bus to go to the market. The bus reached a junction and I was totally disappointed looking at the long array of vehicles in front of us. After having a look at the traffic signals, I realized that it was a red one. To see people following traffic rules, I thought to myself- better days are here! Meanwhile when I was busy in these thoughts, a small child of 6-7 years old... came in front of a car and started pleading to the person seated in the car, "I am really hungry, please give me something to eat." He pleaded bitterly. However, the person yelled, "hey, go away from here". He refused as though the urchin were a lizard which had fallen on him. The poor boy went near another car with hope. That soft hearted lady seated in that big car offered him fifty rupees note and a pack of biscuits. The child's face brightened up with happiness. Looking at him, I had a happy and satisfying smile on my face. I felt so cheerful looking at him! The child, thanking the lady, went to his mother at a distance and pointed his finger towards the lady who helped him. The next moment, the traffic signal changed to green and our bus left the spot.

WINGS OF FREEDOM

My life under restrictions right from the time I was born
And been always cautioned on what to be worn.

The misogyny, disrespect, ignoring my existence will never vanish.
In every field, I have suffered anguish.
As a daughter, wife and mother I am blamed for every misfortune.
Yes! but appreciated for nothing....

Wake up, we are not anymore "dolls in a cage".
We are the women of 21st century, full of enthusiasm and courage.
Excelling everywhere with the wings of freedom.
No one can curtail it and no one can spell its doom!

I hope, all the stigmas towards women are uprooted!
And my wings of freedom glide embedded.

WOMEN EMPOWERMENT-THE NEED OF THE DAY

*“She is independent
She is professional
She is passionate
She is a giver, a friend, a mother
She is a daughter, a wife
She is a woman
A masterpiece.”*

Being a woman, a question often comes to my mind, “are women really safe and empowered in our country”. Women Empowerment and safety are pertinent issues that have plagued our society.

Women empowerment is all about ensuring dignity, safety, health and happiness to women and to assert their right to equality and right as humans. True gender equality can be achieved when women are empowered in all the fields. With women constituting almost half of India’s total population their empowerment is fundamental requirement for the growth of the country and to achieve rapid progress.

There is enough evidence to show that women during the early Vedic period were seen as equal to men in all walks of life. “Our country has gender equality as a core principle.” But I feel being a human is most important rather than being a man or a woman. Criteria of being a human is that there should be no discrimination because finally both are human. There is no need for women or men to fight for their identity.

This brings me to my first point, aren’t the men ever at risk? Are they always safe? What makes them safe all the time? Do they have guards or helpline number? Who should they fear? Women? We all know that men are safe as compared to women, why so? if a woman steps out what does she fear? Men may probably fear of accidents, thefts, violence etc. But in case of women is it the same,if not then what does she fear?

The major fear projected by the media on a woman is the fear of man. This is probably in big cities. Our country is too big to generalise geographically, socio-economically and culturally.

Rural Indian women might be having more freedom hence a woman’s freedom get compromised by urbanization. Probably women in Europe or USA might be treated equally than in India. This is because beyond urbanization there seems another factor strong enough to influence equal rights and freedom for women and that is our culture.

Social culture begins from parenting, parents should not discriminate between a son and a daughter. The moment parents start discriminating between their sons and daughters the difference begins which only grows large with age. If the son has not learnt to respect his sister and mother at home, he might disrespect women outside his home or rather harass females at home, workplace and streets. That’s the reason it is said “Don’t teach your daughter how to dress, teach your son how to respect a woman”

How do we unknowingly sow the seed of difference, fear, violence in our own family, city and county? Is it the first time we say that blue is for boys and pink for girls? Is it the second time we say that car is for boys and barbie doll is for girls.? Is it that man can become a driver or a plumber and a women cannot? This proves that even career choices are gender biased.

Traveling alone especially at night is mostly permitted for boys but absolutely banned for girls. All the societies that differentiate between males and females face and struggle with a lot of female issues. So, in order to be empowered in our country I would mainly like to focus on three points:

First and foremost, women should be given more importance or at least equal importance. If they get importance in Indian politics, they can make favourable changes for the upliftment of women. Secondly, every woman should be trained in martial arts and self defence right from the school level. The third and the most important is Education for women. No nation can prosper without education for women, right from Savitribai Phule to Malala have supported this right to educate women. Education will bring employment which can make women economically independent. Our society can only progress if each and every individual is given equal amount of respect and are not denied their right to live.

Lastly, I would like to conclude that to lay a strong foundation for the family, the women have to be well educated, well-nourished and well respected. We all are humans first and then men and women.

LOVE YOU MY SISTER

You make grand speeches
When I'm the only audience.
We argue so much, but the next minute,
Chat as if nothing happened.

No song for you can ever match your intense glow.
It will be like writing a big fat book
Full of questions, adventures, dreams,
People, lessons and much more.

Don't lose that spark within yourself
That lights up a hope inside me.
I love you my sister for being so true

CHILDREN

Children are an epitome of innocence
They worry not, about any consequence.
If we look through the spectrum of their vision
We will see the world as a beautiful fusion.

Every day for them is an opportunity
To learn, have fun and erase ambiguity
Wearing not a mask of superficiality
But striving to make a unique personality.

They are not overwhelmed about their littleness
They are not upset about their helplessness
They live depending upon the greatness
Of those around, while spreading their happiness.

NO MORE DARKNESS!

Just like that one morning
When the sun was shining bright,
I felt my infinite thoughts,
Were in the place of dark....

Done no sin no pain'
But why am I living like,
A person who is insane.

But suddenly warmth surrounded
As it was fixed to be bounded,
To heal the wounded stain,
Oh! that's the warmth of the living soul,
An escape door from the dark pool.
When I opened my eyes to see,
She was my mom....
Who is like a rising sun in the sea.

NOT SATISFIED.....

I am not satisfied with myself
That's why I started craving a house of paper
Currently I don't have capital
Because my life is dependent on my pastor

I am not satisfied with myself
Each and every day I am passing through some
breakup
There is no one who can understand my hassle
That's why I tagged myself as a knocker

I met a caucus of a third Gender
Since their birth they were begging for some
satisfaction
" We have brain but we're illicit for education
" We have talent but people laugh at our
presentation
" We have skill but we're taboo for a vocation
We are not satisfied with ourself
We are not satisfied with ourself

I saw a richest man from this world
He was busy to maintain his position.

I asked
"You have a luxury car
You have a luxury house
Why You're still struggling, just relish your life"
He started barking at me
Please stop kid, please stop

Yesterday I experienced, what divorce is
From my adoring wife ...
He is not satisfied with his deep pocket
He is not satisfied with his moneybags.
Now my mind is deadpan
All are not satisfied like me
our wants are unlimited
And there is no end for these wishes

BLISSFUL NATURE

Mother nature's garb greenish
Infuses life's worries to vanish...
Sky in glittering blue
And the evergreens in refreshing hue....

Troding the path of nature, many things I see,
Birds fly high and on flowers the buzzing bees.....
Mother nature, you are beautifully dressed
Frayed mind's free of distress.....
Mother nature, I bow to you,
Respect you and will always preserve you.....

NATURE: A CRY FOR MERCY!

The sky so gloomy
The breeze so warm
The rivers that flow
With gushing water
And all our undigested material greed

Fires burning unseen and unheard
Grey is everything around us
With flakes of Green

The almighty,
Who reveals Himself,
Through His wonders,
Has something to say...
Something to pray.

If we question ourselves.
It is clear!
We all are at fault,
We all have a role to play.
Big or small
In the end, everything counts.

But do we blame ourselves?
Will these wounds heal?
What is the cure?
Or do we just end our lives,
With nothing but black?
Will our soil accept us?

What are we leaving behind,
For the future that needs it too?

TO MY DADDY

When I used to play, when I was small,
You always caught me before I had a fall.
You picked me up when I was down,
And wore me a princess crown.
When I used to give up and cry,
You always said No, Darling please try.

You assured that I am right,
So that my future shines bright.
You always caught my finger and moved around,
So that I would't get lost in the people's crowd.
You always fulfilled all my needs,
But never looked back for your own needs.

You always waited till I fell asleep,
So that you could then sleep.
We understood each other so well that,
When something went wrong, we easily could tell.
You've always been there for me when I needed
you,
My love for you will be always pure and true.

Our bond is so friendly,
That I trust you blindly.
Thank you, dad, for all your advice,
What you have done is much more than nice.
our bond of love will never fade away
So, daddy please hold my hand and don't go
away....

माणुसकी

ते नातं कुठे हरवून गेलं
माणुसकीचं ते नातं

पैशांनी मोजता नाही आली

माणुसकी ही आहेच अशी की,

शांति

हमारा भारत देश सदियों से विश्व गुरु के रूप में प्रख्यात हैं। विश्व को प्रेम, शांति और अहिंसा का पाठ भी भारत ने ही दिया है। हमारे प्राचीन भारत में ऋषि मुनियों की दैनिक दिनचर्या शांति मंत्र के पठन से ही हुआ करती थी। इतना ही नहीं तो हमारे यहां ग्रंथ पठन हो या हवन, यज्ञ, पुजा-पाठ आदि सभी कार्यों के शुरुआत में और अंत में शांति मंत्र का पठन होता था। इन शांति मंत्रों द्वारा हमारे ऋषि मुनि शांति का संदेश समाज तक पहुंचाते थे। तभी तो प्रभात के समय में द्यौः शांतिरन्तरिक्ष, शांति पृथ्वीः शांतिरापः शांतिरोषधयः शांतिः। इस मंत्र के स्वर कानों में पड़ते ही दिन की शुरुआत मन की शांति से हीती थी। और इसी तरह दैनिक कार्यक्रमों के समापन में सर्वे भवन्तु सुखिनः। सर्वे सन्तु निरामयाः। सर्वे भद्राणि पश्यन्तु। मां कश्चित् दुःख भागभवेत्। यह मंत्र पठन किया जाता था। इसका मतलब यह था कि, जब सभी प्राणी सुखी रहेंगे, निरोगी रहेंगे, सभी के दुखों का नाश होगा, निवारण होगा तभी हमें शांतिमय वातावरण प्राप्त होगा। इसी शांति के संदेश से आकर्षित होकर विदेशी भी भारत आते थे। और इसी शांति वातावरण में अपने आप को शांति करके विश्व को भी शांति का संदेश देते थे।

हमारे श्रीमद्भागवत गीता' में भी मन की शांति को श्रेष्ठ बताया गया है। गीता के अनुसार जो मनुष्य अपनी इंद्रियों पर काबू पा लेता है वह हमेशा सुखी व शांत रहता है। तभी तो हमारे राष्ट्रपिता भी गीता का पठन करते थे महात्मा गांधी जब कभी अपने आप को अशांत पाते तब वह गीता का पाठ करते और उन्हें शांति की अनुभूति होती। मनुष्य अपनी इच्छा पूर्ण होते हुए ना देखकर अशांत हो जाता। कई बार वो किसी से ईर्ष्या करने लग जाता है, तो वह घृणा और द्वेष के अधीन हो जाता है। इसीलिए अगर आपको शांति चाहिए तो स्वयं की छांव पर काबू पाना सीखना होगा। दूसरों की खुशी में शामिल होना होगा। तभी हम सुख की अनुभूति से अवगत हो पायेंगे और शांति प्राप्त कर सकेंगे। अपने आसपास की मोह माया को त्याग कर स्वयं को परम शांति के मार्ग की ओर ले जाने वाले महावीर' और गौतम बुद्ध' वह उदाहरण हैं जिन्होंने एक

बार फिर से कलयुग में समाज को शांति का रास्ता दिखाया। इनके अनुयाई आज भी अपने गुरु के पद चिन्हों पर चलकर विश्व को प्रेम और शांति का मार्ग दिखा रहे हैं। जहां प्रेम और शांति का वास होगा वहां अहिंसा जैसे विचारों की धारा अपने आप बहने लगेगी।

हमारे भारत देश ने हमेशा से अहिंसा' को सबसे ऊपर रखा है। परंतु तब तक जब तक अपने राष्ट्र और धर्म पर कोई आंच ना आए। गांधीजी कहते थे कि, युद्ध करना बहुत आसान है, परंतु शांति धारण करना सबसे कठिन। यही आज भारत पाकिस्तान के साथ हो रहा है। हमने पाकिस्तान को हर तरीके से समझाने की कोशिश की, कभी प्रेम से तो कभी शांति से परंतु वह शांति से परिचित ही नहीं है। उसमें शांति का अभाव है इसीलिए वह हर दिन हिंसा का तरिका अपना रहा है। शांति को श्रेष्ठ रखना उचित है। परंतु जब राष्ट्र और धर्म हित की बात आती है तो युद्ध भी उचित है। क्योंकि असली शक्तियों का नाश करके ही समाज को भय मुक्त करवाया जा सकता है और जब समाज में दुषविचारों का नाश होगा तभी शांति का चयन हो सकेगा।

आज हमारे विश्व को शांति का संदेश अपनाने की जरूरत है। ताकि हम विश्व शांति' स्थापित कर सकें। विश्व को शांति का महत्व बताने हेतु और विश्व में शांति की स्थापना हो इसी भावना के साथ २१ सितंबर को अंतर्राष्ट्रीय शांति दिवस' मनाया जाता है। आज के इस युग में अगर कोई बदलाव का मार्ग है तो वह मार्ग हम से होकर जाता है। यानी हम युवा शक्ति को साथ मिलकर एक बार फिर विश्व को शांति का मार्ग बताना होगा। आपसी द्वेष, ईर्ष्या, घृणा को त्याग कर हमें प्रेम और शांति से मिल-जुलकर रहना होगा। और हमारे भारत की वह शांति रूपी विश्व गुरु' की छवि फिर से विश्व के सामने लानी होगी। शांतिः शांतिः शांतिः।

गरीबी केवल धन का अभाव नहीं हैं ।

धन की प्राप्ति, धनी का लक्षण नहीं है।

परंतु मन का मलिन, गरीबी का लक्षण होता है।

उपर्युक्त संदर्भ के अनुसार जिस व्यक्ति के पास धन की प्राप्ति हो, वह धनवान नहीं कहलाता, परंतु जिस व्यक्ति का मन मैला हो वह गरीब अवश्य कहलाता है। 'गरीबी' का अर्थ मनुष्य की वैचारिक क्षमता पर निर्भर करता है। अगर किसी भी मनुष्य को यह प्रश्न पूछा जाये कि 'गरीबी' का अर्थ क्या है? तो आम तौर पर अपेक्षित उत्तर है, 'गरीबी' अर्थात् धन की कमतरता। मैं इस विधान से पूर्ण स्वरूप से सहमत नहीं हूँ। हां, धन की कमतरता गरीबी का कारण है, यह कहना उचित नहीं होगा।

आज की स्थिति में केवल वही मनुष्य गरीब नहीं, जिसे धन का अभाव है। हर एक मनुष्य गरीबी से गुजर रहा हैं। यहां गरीबी का मूल अर्थ ' धन की कमतरता के बजाय दुःख, दर्द, तनाव, ईर्ष्या, लोभ, आदि है। अर्थात् जिस मनुष्य के जीवन में दुःख का समावेश है, वह हर एक मनुष्य पूर्ण स्वरूप से गरीब है। वह दिनता का पात्र है।

धरती पर वास करनेवाला हर एक मनुष्य गरीबी का शिकार बन रहा है। जिसके कारण वह अंदर से खोखला बनता जा रहा है। यह एक बहुत बड़ी दुविदा है कि सबसे धनी मनुष्य भी गरीबी का शिकार हो रहा है। धन का स्थल दुःख, दर्द, तनाव आदि में रूपांतरित हो गया है। आज मनुष्य के पास सबकुछ है; परिवार, पैसा, नौकरी, आदि। फिर भी मनुष्य गरीब है। उसके पास सबसे अनमोल वस्तु ना होने के कारण वह गरीब है। वह अनमोल वस्तु है, प्रेम, सुख, शांति और ईमान।

गरीबी का सबसे बड़ा कारण तन्हाई अर्थात् अकेलापन है। इस भरी पड़ी दुनिया में भी मनुष्य अकेलेपन का शिकार बन रहा है। बड़ा परिवार होने पर भी मनुष्य अपने अंतर्मन की भावना व्यक्त नहीं कर पाता। अकेले ही तन्हाई का बोझ ढोता है। इसके कारण ही धन की प्राप्ति होने पर भी मनुष्य खुश नहीं रहता। वह अंदर- ही- अंदर सहमा सा रहता है। उसी प्रकार से ईर्ष्या भी दिनता का कारण बन गई है। मनुष्य अपनी ईर्ष्या में सुख, चैन सबकुछ खो बैठता है। हमेशा दूसरों से तुलना करने के विचार में मग्न रहता है। अपने जीवन में आए सुखद क्षणों का आनंद नहीं उठा पाता है। वह मनुष्य हर कदम पर दूसरों से प्रतियोगिता ही करता रहता है। दूसरों को कि

प्रकार से पिछे छोड़ा जा सकता है, यह विचार उसके मस्तिष्क में बार- बार उमड़ता है। उसके मन में दूसरों के प्रति घृणा इतनी बढ़ जाती है कि वह स्वयं के खुशी का भी न चाहते हुए त्याग कर बैठता है। मनुष्य की ईर्ष्या इतनी बढ़ जाती है कि वह ईर्ष्या के चपेट में सम्पूर्ण तरीके से फस जाता है।

**जब मन लगा लोभ से, गया विषय में भोय।
कहे कबीर विचारि के, केहि प्रकार धन होय।।**

उपर्युक्त दोहा संत कबीरदास जी का है। उनके अनुसार जब मनुष्य का मन लोभी हो जाती है, तो उसका मन विषय भोग में रत हो जाता है और वह सब भूल जाता है और इस चिंता में मग्न रहता है कि किस प्रकार धन की प्राप्ति हो। धन का लोभ उसकी सारी सुख शांति भंग कर देता है। धन होने के आन्तरिक वह सुखी नहीं रह पाता। सदैव उसके अंतर्मन में चिंता का वास होता है। यह मनुष्य जीवन में कभी सुखी नहीं रह सकता। वह सुख से वंचित रहता है।

अर्थात् कहने का तात्पर्य यह है कि यदि गरीबी धन की कामतरता है, तो वास्तव में धनी मनुष्य उससे भी अधिक मात्रा में गरीब है क्योंकि उसके पास मन की शांति नहीं है। उस धन का क्या लाभ जो अपने अंतर्मन को ही प्रसन्न न रख सके। सरल भाषा में, ' वही मनुष्य श्रीमंत है, जिसके आंचल में ढेर सारी खुशियाँ और अंतर्मन में प्रसन्नता हो। जो मनुष्य धनवान न हो परंतु उसका मन प्रसन्न और खुशियों से भरा हो, तो वास्तव में वह मनुष्य बहुत श्रीमंत है।

धन यह एकमात्र वस्तु है, जो कभी स्थिर नहीं रहती। आज किसी के पास है तो कल नहीं। परंतु अपने जीवन की खुशियाँ अपनी मुट्ठी में होती है। यह हम पर निर्भर है कि हम खुश रहने हेतु कौनसा रास्ता अपनाते है। मेरे विचार से धन का होना ही सर्वस्व नहीं है। सही मायने में हमारे 'अंतर्मन की प्रसन्नता' ही असली धन है। जीवन में धन प्राप्त करना आवश्यक है परंतु धन को ज्यादा महत्व देना ठीक नहीं है। इसलिए गरीबी सिर्फ धन का अभाव है। यह अभाव अंतर्मन की प्रसन्नता से ही मिट सकता है।

**धन वो नहीं, जो ईर्ष्या- लोभ से प्राप्त हो
धन वो है, जो प्रेक् शांति से प्राप्त हो।।**

भ्रमल मुख

चल पड़ा एक राही
सुख की खोज करने,
हाथ में सुट पकड़े
नीचे आधुनिक तरीके की पैट पहने।
हाथ में स्वर्ण घड़ी
गले में दस तोले की चैन,
आँखों पर काला चश्मा चढ़ाया हुआ है,
फिर भी उसका चेहरा सड़े हुए पुष्प की
भाँति मुरझाया हुआ है।

कुछ पग चल, पड़ी उसकी नजर एक ज्ञानी पर,
झटसे उनके पास जाकर बोला,
मुझे आप से कुछ कहना है,
कृपया कर मेरी एक बात सुनोना गुरुवर !

मैं एक रहीस इंसान हूँ
एक दिन में लाखों कमाता हूँ,
स्वर्ण की थाली में भोजन करता हूँ,
सब से ज्यादा महंगी वाहन में सफर करता हूँ।

हर चीज की उपलब्धि है,
बस एक सुख की ही कमी है।

सब कुछ तो है फिर क्यों रहता हूँ मैं बे खुशहाल
क्या करूँ मैं ऐसा जिससे हो जाऊँ खुशहाल।

ज्ञानी बोला, कौन कहता है कि तू है इंसान की जात
तू तो है बस एक अहम का पुजारी,
जिसकी दुनिया है पैसा ही सुविधा सारी
जिसमें न चंद्रमा की चांदनी है, न शुद्ध मन की आमदनी है !
इसमें तो बस है लालच की खात और अमावस्या की काली काली रात।

ए बालक अपने दिमाग को बोल जरा शांत हो जा
अपने अंदर के दुर्गुणोंसे तू दूर होजा
सुख की परिभाषा क्या है तू यूर्हीं समझ जाएगा

पर वत्स पहले ठीक से ईश्वर का बनाया हुआ निर्मल इंसान तो
बन जा।

राही बोला ठीक है गुरुवर !
मेरी सारी बुरी आदतों को फेंक आता हूँ
जो भी भ्रष्टाचार का माल पड़ा है वो मेरे कर्मचारियों को दे आता हूँ
बहुत रह लिया इस अंधेरे में
अब बस एक सच्चा इंसान बन कर रहना चाहता हूँ।

रुक बालक ! तेरा माल तू उन्हें दे जाएगा
तेरा लोभ तो खत्म हो जाएगा
पर वहा उनके लालच का ताला खुल जाएगा
एक तरफ से गड्ढा बंद तो क्या ?
दूसरी तरफ से कीचड़ का पानी बहने लगेगा।

इसलिए तू कुछ मत कर
जो मैं कहता हूँ वो तू बन।

अंधों की तू रोशनी बन,
बे जुबा की आवाज बन।

अपंगों की लाठी बन
गरीबों का स्वर्ण सिक्का बन।

तू गरीबों का ध्येय बन
किसी बिन बेटे मां का बेटा बन।

किसी के जखम का मरहम बन
बस और कुछ नहीं
हर बेसहारे का तू सहारा बन।

जा और इस सुख का अनुभव कर
ये सुख बड़ा अनोखा है
ये मिष्ठान सोच नाम का पेड़ा है
जो चाशनी से भी कहीं अधिक मीठा है।

शहिद भारत माँ का बेटा

नन्हा सा लाल माँ का,
माँ के गोदी में खेलकर बना फौजी।
पहले था वह बेटा माँ का,
अब है वह बेटा भारत माँ का ।

दिया था उसने अपने माँ को वचन,
कि थामे रहेगा उनका हाथ उनके बुपे में ।
ढाल बनकर खड़ा रहूँगा, कर दुँगा जान नौछावर,
यह वचन दे बैठा अपने भारत माँ को ।

था वह पापा का दुलारा फौजी,
पापा यह बोलते थे सीना तान के ।
वही बात पापा अब बोलते हैं,
शहिद हुआ दुलारा मेरा भारत माँ के लिए सीना तानकर।
बचपन में खेलते समय मुन्नी के खीचता था बाल,
वही मुन्नी की रक्षा की राखी बाधता था हर साल।
खुशी से इंतजार करती थी भाई का,
अब खुशी के आँसू बहाती है भाई के नाम हर साल।

था वह अपनी सखी का सिंदूर,
जन्म-जन्मों का वचन लिया था दोनों ने एक साथ।
हर दिन दुआएँ माँगती थी, अपने पति के रक्षा के लिए,
अब बहुआएँ माँगती है, पति के कातिलों की मौत के लिए।

था वह अपने बेटे का पहला प्यार,
डॉक्टर बनकर करना चाहती थी पापा का नाम शान।
आखरी साँस तक चाहती थी पापा का प्यार,
अब सिर्फ आँसू बहाती है, लिए आधा पापा का प्यार।
देश के लिए लड़ता रहा, आखरी साँस तक,
किसी की पर्वा किए लड़ता रहा अंत तक।
था वह भारत माँ के आँखों का तारा,
अब सिर्फ चमकता रहता है, बनकर आसमान में सितारा...!!!

जिंदगी अकेली पड़ गइ

चलते-चलते बहुत दूर पहुँच गए हम
जरासा रूक कर देखा आसपास था ना कोई थीं सिर्फ तनहाई

हमारे जिंदगी कि रफ्तार ज्यादा हो
फिर जरा मूडकर देखा शायद कोई छूट गया पिछे
कोई नहीं था

घबरा गइ मैं, कहां गए सारे लोग यह सोचू मैं
आएं बादल पानी भरने आँखों में खो गई थीं मैं

अब अकेली थीं, अब अकेली हूँ
किया फिर से चालू जिंदगी का सफर
देखा सामने और मैं चल दी गुम सूम सी अकेली

ना साथ था किसी का
ना कोई संग था चल दी मैं अकेली
गुम सूम सी

यह मन मेरा रोता है, तडपता है
और एक ही आवाज आती है दिल से
जिंदगी क्यों अकेली पड़ गइ

जिंदगी की सबसे बड़ी भूल
क्यों चखी मैंने मदिरा की वह बूंद

सोचा धूम्रपान करके गोपियों का मन रिझाऊँगा

पर किसे पता था धरती पर ही नरक की जिंदगी पाऊँगा।
