BSE CEO wants Goa to cash in on BPO, IT boom

Says the two sectors can give jobs to a large number of youth

Amid efforts by the government to make the state a hub for information technology (IT), the Bombay Stock Exchange (BSE) managing director and chief executive officer (CEO) Ashishkumar Chauhan on Friday suggested that Goa must focus on business process outsourcing (BPO) and IT services units.

He said that BPOs and IT services require graduate-level skills and have the ability to give large number of jobs to local youth.

"BPOs serve Indian as well as international countries. Large portion of the world's back office work of banks, insurance and retail companies is run from India. BPOs will provide employment to the scores of Goan commerce graduates who pass out of the local colleges," said Chauhan, in his key-note address at a function organised by Vidya Prabodhini College

of Commerce, Education and Computer Management, Porvorim.

Chauhan spoke on Swayampurna Goa in Banking, Financial Services and Insurance (BFSI) and insurance sector. He spoke on the origins of the BSE which is the first stock exchange of Asia. "Every one rupee out of three rupees of wealth created in India comes from the BSE," said Chauhan.

He said that Goan commerce graduates can branch out in financial services or stock trading.

"Today a large portion

of the world is into trading. BSE conducts specialised training courses for commerce graduates in share trading, financial modeling, mutual fund certification, etc. Such courses are job-oriented as well as entrepreneurial," pointed out the BSE CEO.

The function was held to announce a MOU between the college and Policy Advocacy Research Centre (PARC) and BSE for short-term courses in BFSI.

Earlier during the event, Minister for Tourism and IT Rohan Khaunte, who presided over the function,

said that the biggest challenge faced in implementing the Goa IT Policy 2021, is "finding the right skill set."

Other dignitaries present were Sanjay Walawalkar, chairman of Prabodhan Education Society; Kiran Shelar, founder-director of PARC; Dr Bhusan Bhawe, principal of Vidya Prabodhini College and Arun Marathe, assistant professor.

Goa has 21 commerce colleges and about 2,500 commerce graduates pass out every year, it was disclosed during the function.

NEED FOR THE CERTIFICATE COURSE IN FINANCIAL MARKETS AND FINANCIAL SERVICES

The Indian Financial Market & Financial Services sector has experienced unprecedented growth over the last few decades in the BFSI sector which is valued at approximately INR 6,500 billion and contributes roughly 6% to the economy. It is estimated that the BFSI industry employs over 50 lakh persons as of 2016. If the BFSI Process Outsourcing employment is added, the total figure increases to about 73-74 lakh. This sub-sector contributes over 32% (23-24 lakh) to the BFSI sector's total employment, whereas insurance agents comprise another 27% (about 20 lakh) and banks around 22% (15-16 lakh). Furthermore, it is estimated that the BFSI Sector (lending, Fund Management, Broking, Mobile Wallets and Sector Outsourcing) will provide 34,39,260 additional jobs in year 2022 when compared to 69,83,185 in the year 2021. Moreover, this sector has created entrepreneurial opportunities both in onshore and offshore markets. It has been observed that Goa has potential to acquire employment and entrepreneurship opportunities in the above mentioned sector. However, it is evident that there is lack of relevant Skills. In this context, Vidya Prabodhini College(henceforth VPC) has envisaged up-skilling and fresh skilling of youth in financial market and financial services sector. VPC has further collaborated with the Bombay Stock Exchange Institute and Policy Advocacy Research Centre to introduce state of the art and industry relevant certificate program with their practical application in the State of Goa in a view to enhance "Employability and Entrepreneurship opportunities in the financial markets and financial services sector.

OBJECTIVES OF THE CERTIFICATE PROGRAM

- To acquaint the participants with the knowledge of the financial market and regulatory framework.
- To acquaint the participants with fundamentals and practice of security analysis and investment.
- To ensure in-person interaction with the Bombay Stock Exchange Institute certified trainers.
- To provide exposure of working of the Stock Exchange to the enrolled participants by conducting field visit to the Bombay Stock Exchange, Mumbai.
- To Up-skill And Fresh-Skill the youth with a vision to empower them to acquire employment and entrepreneurship opportunities in the finance sector.

We aim to provide quality multi-disciplinary and inter-disciplinary education to our students with the state of the art facilities. For this we strive to introduce futuristic courses fostering institution- industry linkage and innovative teaching methodologies to instil industry ready skills in our students. We work with the vision 'Campus to Community & College to Village', by providing skill sets to our students which help them overcome the multifaceted challenges as well as to fulfil the expectations of the society making them future ready.

Dr. Bhushan Bhave, Principal, VPCCECM

'Developing human capital, through education coupled with practical skill-development & exposure, is key to nation building. This intervention in developing financial skills & acumen would certainly lead to a socio-economic multiplier effect, with impact for generations to come'.
