

NOTICE
(2021-22)
(Teaching & Non-Teaching Staff)

In our commitment to environmental sustainability, we are implementing a ban on the use of single-use plastic within our college premises. This includes all events and class assignments. Effective immediately, we urge everyone to avoid the use of disposable plastic items such as bottles, cutlery, bags, and packaging materials.

This initiative aligns with our responsibility to reduce our environmental impact and promote eco-friendly practices. We encourage you to choose reusable alternatives, such as water bottles, containers, and bags, to contribute to a greener and cleaner campus.

Please take this notice seriously and cooperate in making our college a more environmentally conscious institution. Let us work together to create a positive impact on our surroundings and instil a sense of responsibility towards our planet.
