Subject: Request for Plant Saplings to Support Green Initiatives on College Campus

Dear Sir,

I hope this letter finds you in good health and high spirits. I am writing on behalf of Vidya Prabodhini College to express our deep interest in collaborating with Dhavrukha NGO for an important initiative that aligns with our shared vision of environmental conservation and sustainability.

As you may be aware, Vidya Prabodhini College has been actively involved in various environmental campaigns and initiatives aimed at creating a greener and more sustainable campus environment. In our continued efforts to promote a healthy and eco-friendly atmosphere for our students, faculty, and the surrounding community, we are seeking your support in the form of plant saplings.

By planting saplings, we aim to create a green heaven that not only benefits our immediate campus community but also serves as an inspiration to others to embrace environmentally conscious practices.

We kindly request your assistance in providing us with a selection of native plant saplings that are suitable for our region's climate and soil conditions. These saplings will be nurtured and maintained with utmost care by our dedicated team of environmental enthusiasts and gardening volunteers.

Your support will not only contribute to our ongoing green initiatives but also foster a sense of responsibility and environmental stewardship among our

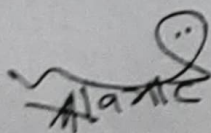

students. We believe that this collaboration will serve as a model for other institutions and organizations to follow, leading to a positive ripple effect in our community.

We are open to discussing any terms or conditions that your organization may have regarding this collaboration. Your expertise in environmental conservation and sustainable practices will be invaluable as we continue to work towards a brighter and greener future.

Please let us know how we can proceed further and coordinate our efforts effectively. We eagerly await your response and look forward to the possibility of creating a lasting impact together.

Thank you for considering our proposal and for the incredible work that Dhavrukh NGO is doing to make the world a better place.

Best regards,

(Dr. Bhushan V. Bhawe)
Principal

DHAVRUKH

Reg. No. 233/GOA/2021

Date: 1st July 2022

The Principal
Vidya Prabodhini College
Parvari, Bardez – Goa.

Subject: Request for Plant Saplings to Support Green Initiatives

Sir,

Thank you for reaching out to us and expressing your college's interest in collaborating with DhavrukH NGO for your green initiatives. We appreciate the dedication of your College towards environmental conservation and commend your efforts in promoting a greener future. We are more than happy to provide you with 5000 plant saplings to further enhance your campus and contribute to the overall well-being of your community.

Once again, thank you for considering DhavrukH NGO as your partner for this initiative. We share your enthusiasm and look forward to seeing your campus flourish with these saplings. Please feel free to reach out to us with any further questions or details that need to be addressed.

Wishing you the best in your ongoing efforts for a greener and more sustainable future.

Thanking You

(Rudresh Uttam Mhamal)

President DhavrukH
