Appreciation Letter for Conducting Beach Cleanup Drive

Dear Sir

Morjim Panchayat expresses our heartfelt appreciation for the outstanding initiative taken by Vidya Prabodhini College in organizing a beach cleanup drive at Temwada (Turtle nesting site) on 2nd October 2023. The efforts put forth by your institution have made a significant impact on the cleanliness and environmental health of our beautiful coastal area.

The pristine beaches in our village are a source of pride and a vital part of four local eco systems. However, in recent years, they have faced challenges due to the accumulation of litter and waste. We would like to commend the students, faculty, and staff of Vidya Prabodhini College for their dedication and commitment to this cause. Their efforts went a long way in restoring the natural beauty of our beaches and preserving the marine life in our coastal waters.

The impact of your initiative extends beyond just the physical cleanup. It has helped raise awareness among our villagers about the importance of maintaining clean and healthy beaches. This educational aspect of your work is equally valuable in fostering a sense of responsibility towards our environment.

We would like to extend our gratitude to you and your team for your willingness to collaborate with the local community and Forest Department. This spirit of cooperation is essential in achieving lasting change, and your college has shown a commendable commitment to working alongside us for the betterment of our village.

Please convey our appreciation to all those who were involved in this initiative, and we look forward to more such collaborations in the future.
