Outcomes of the Event: STUDENTS ARE ENLIGHTENED ABOUT THE ILL-EFFECTS OF GASLIGHTING IN RELATIONSHIPS.

A brief write-up about the Event (in about 300 words):

The movie 'Gaslight, (1944)' was screened for the students of FY. B.Com B and FY. B. A. B. Ed B. while keeping into consideration that nowadays the youth are getting involved in romantic & intimate relationships. They could be susceptible to emotional and psychological abuse in such

relationships knowingly or unknowingly. Hence to spread this awareness the Guidance and Counselling committee chose the movie 'Gaslight' as the best movie that could address this issue subtly. 'Gaslight' is a form of psychological abuse where a person may cause someone to question his/her own sanity, doubt their own memory and have a confused perception of reality. The victims who fall prey to gaslighting may experience confusion, anxiousness and doubt their own self identity. In the movie the abuser husband gaslights his wife into insanity using the lights as a means to gaslight her into thinking she is slowly losing her sanity. He is in search of some expensive jewellery which his wife's dead aunt owned. He schemed the marriage with his wife Paula to have her institutionalised and inherit all of her dead aunt's property. When he himself is the murderer of Paula's aunt but had to flee from the scene before he could find her jewellery that he is now searching.

Irrespective of gender, students in this age could fall trap to such types of partners who may approach them asking for favors in the form of money, some could be sexual in nature etc. on the pretext of their love for their partner. The movie was an eye opener for the students to be aware of such relationships and seek help from their parents or the counsellor to get any assistance if they are in such situations.
