Topics covered will include: tackling the seven criteria, understanding the role of the IQAC and functioning of Higher Educational Institutions (HEIs) and, preparing the IIQA, AQAR and SSR documents. The seminar will also have a Q&A after every two sessions and a panel discussion on the second day of the seminar.

The sessions will be conducted by experienced and qualified resource persons from Centre for Educational Development Administration (CEDA), Pune.

We are sure you will find the seminar beneficial towards your preparations for the NAAC assessment and accreditation process.
