Report

The two day workshop on 'FREE AND OPEN SOURCE SOFTWARE & TYPES AND APPLICATION IN THE FIELD OF EDUCATION' was organised by the Department of Education of Vidya College of Commerce, Education, Computer and Management, Parvari on 5th and 6th March, 2020. Dr. Manisha V. Kulkarni warmly welcomed and introduced the resource person.

Objective: The two-day workshop aimed to educate student teachers on the significance of Free and Open Source Software (FOSS) and explore its diverse applications in the field of education. The workshop covered various types of FOSS and highlighted practical examples of how FOSS can be integrated into educational settings.
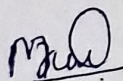

1

Day 1: Introduction to FOSS and its Types

The workshop began with an overview of FOSS, emphasizing its key principles, including freedom to use, modify, and distribute software. Types of FOSS were discussed, including operating systems, productivity tools, programming languages and content management systems. Demonstrations showcased the installation and basic usage of popular FOSS applications.
Day 2: Application of FOSS in the field of Education

The second day focused on the practical applications of FOSS in educational settings. Classroom tools: Participants explored FOSS applications tailored for education, such as Moodle for learning management systems and hands-on sessions were conducted on using FOSS tools for content creation, including GIMP for graphic design, Audacity for audio editing, and vector graphics. Student teachers were introduced to repositories of open educational resources (OER) and learned how to leverage FOSS to access, modify, and share educational content.

The Programme was attended by 57 S.Y.B.A.B.Ed - div A and B student teachers. Vote of thanks was given by Ms. Ashwini Abhyankar.
