Sub: PRE-NAAC Administrative Audit of your College for the year, 2021-22.

Sir,

With reference to the above mentioned subject as requested by you, the Pre-NAAC Administrative Audit of the college was conducted on 25th May, 2022 and accordingly the report in form of the Check List/Format is enclosed herewith for your ready reference as well as further needful action at your end.

It may please be noted as under:

1. The records and registers are verified on random sample basis and therefore it is open for further verification and scrutiny.
2. The areas marked in red and so also the suggestions could be thought for further excellence in administration.
3. Overall it appears that the staff connected with the administration and accounts have made sincere efforts to maintain the up-to-date records.

I appreciate the co-operation extended by you as well as the Head Clerk, the Accountant, the System Administrator, the Librarian and other staff for their full support and because of which my work was made very easy.

Thanking you,

25/05/2022

OBSERVATIONS:

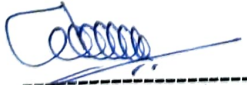

1. The administrative Audit is on random sample basis and therefore is open for further verification and scrutiny.
2. It appears that the administration is on sound footing though the college is established in 2012 which is to be appreciated.

SUGGESTIONS FOR FURTHER IMPLEMENTATION

1. The items in red may be looked into as per the need and requirements of the college.
2. Physical Verification Committees for the dead stock, Library, Computer Lab, Sports Equipments, Gymkhana Equipments be constituted before the close of the financial year so that actual physical verification could be done as on 31st March every year.
3. Actual physical verification including the specifications and other quality parameters of the purchases be done by a person other than making purchases.
4. Since the college is new with just almost ten years of its establishment, there is no need of the write off procedure for the dead stock except for computer and its accessories. A list of all the Dead Stock to be written off be prepared and signed by the members of the Physical Verification Committee and to be countersigned by the Principal and thereafter to be placed in the Governing Body for approval and subsequently to be submitted to the DHE for which guidelines if any issued by DHE should be followed.
