SEM I					
1	Spoken English	I	MR. KEDARNATH TADKOD	<p>1 The Course aims to develop the language skills of listening, reading and writing.</p> <p>2 The course covers most of the basic skills required for completing an undergraduate program in the English medium and to be able to undertake other day-to-day personal and professional transactions using English as the medium of Communication.</p> <p>3 The prescribed texts help the students increase their proficiency in English by enhancing their resources to deal with communicative needs of everyday life at home, at work, and in social interaction.</p> <p>4 The material, methodology and language tasks create contexts for interaction and language use, so that learners acquire and sharpen their language skills as they process the text on their own.</p> <p>5 The prescribed grammar book provides rules, explanations and examples in easy, accessible language supported by pictorial representations (wherever possible) with practice exercises on the facing page. This format allows for easy reference, so that students are able to internalise the rules. • The course covers 3 out of the 4 language skills: listening, reading and writing.</p>	<p>1. Provide relevant information.</p> <p>2. Explain and give cause and effect.</p> <p>3. Disagree, argue and use persuasive speech in appropriate language.</p>
