MESSAGE FROM PRINCIPAL'S DESK

Dear Students, Faculty, and Staff,

It is with great pleasure and enthusiasm that I welcome you to the Department of Commerce at our esteemed institution. It is heartening to learn that Commerce department, as one of the most promising departments of Vidya Prabodhini College is bringing out “**Vanijyavidya**”, as the mouthpiece of commerce community in the college.

Commerce, as a field of study, encompasses a diverse array of disciplines and perspectives, ranging from economics and finance to marketing and management.

It is a dynamic domain that mirrors the ever-evolving landscape of global business and trade. At the heart of commerce lies the pursuit of understanding markets, creating value, and fostering sustainable growth – principles that resonate deeply with our department’s mission.

Here in the Department of Commerce, we are committed to providing our students with a transformative educational experience that goes beyond the confines of the classroom. Through our rigorous curriculum, experiential learning opportunities, and engagement

with industry experts, we strive to equip our students with the knowledge, skills, and mindset necessary to thrive in today's interconnected and fast-paced world of commerce.

Moreover, our faculty members, renowned for their expertise and dedication to teaching and research, serve as mentors and guides, inspiring students to push the boundaries of their intellectual curiosity and pursue excellence in all their endeavors.

As we navigate the complexities of the modern business environment, it is imperative that we embrace innovation, embrace diversity, and embrace change. The Department of Commerce at VPC serves as a catalyst for innovation and discovery, fostering an inclusive and collaborative community where ideas are exchanged, challenges are confronted, and solutions are forged.

We have tried to give national level platform and exposer to our students by signing in MoU with prestigious institutions like Bombay Stock Exchange Institute (BSEI) and Policy Advocacy Research Centre (PARC), Jan shikshan Sansthan, an initiative of skill Development Ministry, GOI, etc.

We have tried to give hands on training, experiential learning opportunities to the students by encouraging them to open DEMAT account...etc.

Besides providing latest knowledge in the field of commerce, we have also made efforts for their all-round development through workshop and activities related to personality Development, C.V writing, how to face interview's, effective speaking etc.

I am honoured to serve as your principal, and I look forward to working closely with each and every one of you as we embark on this exciting adventure together.

I extend all my good wishes to the Commerce department through '**Vanijyavidya**'.

Dr. Bhushan V. Bhave
Principal

Dear Students, Faculty, and Staff,

It gives me immense pride and gratitude to present “Vanijyavidya”-the Commerce handbook which encapsulating the remarkable journey of our department over the past five years. It uncovers the activities of the department as well as the creative contributions of the students and the faculty members.

As the Head of Department, I am delighted to reflect on the strides we have made, the challenges we have overcome, and the milestones we have achieved together.

I am privileged to lead a team of dedicated faculty members and staff who are committed to nurturing the next generation of business leaders, innovators, and changemakers. It is our mission to equip our students with the knowledge, skills, and competencies needed to thrive in this ever-changing landscape.

The last five years have been a testament to the unwavering dedication, passion, and commitment of our faculty, staff, and students. Through their collective efforts, we have fostered a vibrant academic community that thrives on innovation, collaboration, and excellence, everywhere and every time..

This handbook serves as a chronicle of our department’s evolution, highlighting our

academic programs, research endeavors, industry collaborations, etc.

I extend my deepest appreciation to all those who have contributed to the success of our department, including our faculty, staff, students, alumni, industry partners, and supporters. Your dedication and support have been instrumental in shaping the trajectory of our department and propelling us toward greater heights of excellence.

As we embark on the next phase of our journey, let us reaffirm our shared commitment to academic excellence, innovation, and service to society. Together, we will continue to push the boundaries of knowledge, inspire future generations, and make meaningful contributions to the field of commerce and beyond.

Thank you for your continued support, dedication, and enthusiasm and I look forward to seeing each of you thrive and succeed in your academic and professional pursuits.

Warm regards,

Dr. Ujvala M Hanjunker

Asstt. Professor /HoD

ABOUT DEPARTMENT

- Vidya Probodhini College has a vision *Excellence, Everywhere and Everytime*. With this vision, the Commerce Department was established in the founding year, 2012, offering an undergraduate course in Commerce.
- The programme offered include B. Com (Honors) under CBCS system from academic year 2017 and NEP 2020 is implemented for F. Y. B. Com from the academic year 2023-2024. Initially, the college started with four temporary faculty members, and now the strength of the commerce and allied department has increased to fifteen.
- *All staff members are highly qualified, knowledgeable, energetic, and enthusiastic and dedicated to their work.* The allied Department includes Mathematics, Economics, Law, EVS and Computer.
- All the faculty members of the Commerce department are making extra efforts to reach the needy and poor students, aiding in their all round development through various activities, both curricular and co-curricular.
- To improve the overall performance of the students, faculty members strive hard to engage in extensive interactions with the students through Guardians-Teachers Meetings, Educational/Industrial Tours, Special Lectures, and more. Moreover, there exists homely atmosphere and intimate relationship between teachers and students.
- The main challenge is to enhance the skill potential of the students in classes as well as to create awareness about the vast employable and entrepreneurial potential they possess. In this regard, the *Commerce Department has initiated MOU with Bombay Stock Exchange Institute, along with Policy Advocacy Research Centre, Mumbai, and various certificate courses have been undertaken* starting from the academic year 2022-2023.

ACCLAMATIONS

“

My life in Vidya Prabodhini College took me a step ahead in my sports career. Firstly, I was introduced to sports. Our college sports faculties who made me believe in myself and encouraged me to participate in various activities and achieve successful path in my sports career.

- **Vinaykumar Hareram Kushwaha** -S. Y. B.Com

Without any hesitation I say that I'm a proud General Secretary of Vidya Prabodhini college and being a VPCIAN was of great honour. College made it possible for us to experience both - Joyful college life with a lot of serious-mindedness towards a brighter future. It is the only college in Goa to conduct morning assembly which helped us to be self-disciplined person and more focused. Our college campus offered ample space to inspire creativity, foster community, and cultivate personal development. I met the most supportive and hearten staff at Vidya Prabodhini College. As time passed, it felt like family. College always empowered students through dedicated and compassionate staff support, paving the way for success and growth.

Ms. Sudeepa Jayant Chodankar- Alumna

“

“

It gives me a great pleasure to say with pride that I have completed my graduation in commerce from Vidya Prabodhini college. The college has provided me the best of education. The teachers are very friendly and helpful. They have always motivated me to be a better person. Apart from academics, the cultural activities are well promoted and the college ensures the all-round development of its students.

- **Ms. Ritcha D Pirankar**, Alumna

“

I feel very proud to be student of VPC Parivar. We have a nice campus and healthy environment. Talking about academics, we have healthy environment in our college. All the Classrooms are smart board classrooms which gives more understanding to the academics. Our college also provide various facilities like library, sports room and many more. Teachers are really amazing and very friendly with students. They clear all our doubts and also always ready to help each student whenever needed overall the best college to be part of.

B. COM – UNDER NEP 2020 (F.Y.B. COM)

OA-38 Ordinance Governing the Undergraduate (UG) General Education Programmes

The Curriculum and Credit Framework for Undergraduate Programmes (CCFUP) under National Education Policy (NEP) 2020 envisages the incorporation of a flexible choice-based Credit system, multidisciplinary approach with multiple entry and exit options, to facilitate students to pursue their career path by choosing the subject/field of their interest.

The General Objectives of the Programme:

- (i) To recognize, identify, and foster the unique capabilities of each student to promote her/his holistic development.
- (ii) To provide flexibility, so that learners can select their learning trajectories and Programmes, and thereby choose their own paths in life according to their talents and interests.
- (iii) To impart multidisciplinary and holistic education across the sciences, social sciences, arts, humanities, and sports.
- (iv) To emphasize on conceptual understanding rather than rote learning; critical thinking to encourage logical decision-making and innovation; ethics, human & constitutional values; life skills such as communication, teamwork, leadership, and resilience.
- (v) To encourage extensive use of technology in teaching and learning, removing language barriers, increasing access for Divyang students, and educational planning and management.
- (vi) To provide respect for diversity and respect for the local context in all curricula, pedagogy and policy.
- (vii) To uphold equity and inclusion as the cornerstone of all educational decisions,

to ensure that all students are able to thrive in the education system, and the institutional environment is responsive to differences, to ensure that high-quality education is available for all.

- (viii) To have rootedness and pride in India, and its rich, diverse, ancient, and modern culture, languages, knowledge systems, and traditions.

Duration of the Programme

- (i) The duration of the UG Programme shall be of Four Years/Eight Semesters with multiple entry and exit options.
- (ii) A student may also be permitted to take a break from the Programme during the period of study.
- (iii) The total duration for completion of the UG Programme shall not exceed seven years from the date of initial registration.

BEST PRACTICES

- Integrating practical and real-world applications into the curriculum to enhance students' employability.
- Fostering a student-centric environment by providing academic support services and mentoring programs.
- Created opportunities for students to engage in internships, projects, and industry collaborations.
- Encouragement to faculty to pursue continuous professional development to stay current in their field and to attend workshops, conferences, and training programs to enhance their teaching and research skills.
- Embrace technology to enhance teaching and learning experiences.
- Encouragement to faculty and students to engage in research activities and publish their findings.
- Participating in conferences and collaborate with other institutions to promote knowledge exchange.
- Regularly communicate updates, changes, and important information to all stakeholders.

INNOVATIVE METHODS IN TEACHING AND LEARNING

- Use of Power Point presentations, smart class-rooms, Google classroom etc
- Internal Assessment in the respective subject by classroom test, Presentations by students, assignments, tutorials, group discussions, quiz etc.
- Usage of ICT infrastructure to prepare computer aided teaching and learning material.
- Conduct of Industrial visits to various companies and other organisations etc.
- Scheduling of extra and remedial classes for slow learners so as to improve the learning skills of the student
- Deputation of students to conferences, seminars and workshops etc
- Imparting value education to the student.

INITIATIVES FOR ADVANCED LEARNERS AND SLOW LEARNERS

- Initiated advanced courses or specialized tracks within the existing curriculum for fast learners who want to delve deeper into specific topics. eg. Course in Financial Market in collaboration with BSE and PARC, Mumbai.
- Provide access to research databases, journals, and resources to support their exploration of advanced topics eg. INFLIBNET, DELNET etc.
- Establish partnerships with leading companies and organizations to provide exclusive internship opportunities for fast learners .eg. TJSB bank etc
- Pair fast learners with faculty mentors or industry professionals who can guide them in their academic and career pursuits.eg. GCCI etc.
- Encourage mentors to provide additional challenges, resources, and insights through a programme of Mentor and Mentee.
- Host advanced workshops, seminars, or guest lectures featuring experts in the field.
- Offer continuous skill development programs, including workshops on leadership, communication, and critical thinking skills.
- Modify teaching methods, materials, and assessments to accommodate the diverse learning needs of slow learners, ensuring that they have access to content at their own pace and level.
- Pair slow learners with more advanced peers who can provide support, guidance, and encouragement in academic tasks and social interactions.
- Involve parents and families in the education process by providing resources, guidance, and regular communication about their child's progress and learning needs.

EXAMINATION - An Overview

EXAMINATION/ EVALUATION REFORMS INITIATED

- Continuous Assessment through emphasis on projects, presentations, and practical assessments throughout the academic year.
- Experimentation with open-book exams to assess students' ability to apply knowledge rather than memorization.
- Training programs for faculty members to adapt to new evaluation methods and provide effective feedback to students.
- Inclusion of skill-based assessments to evaluate practical knowledge and application of concepts.
- Use of technology for online / offline assessments.
- Efforts to reduce stress associated with high-stakes exams, including changes in exam formats, grading systems, and frequency of assessments by way talks, counselling, motivating etc.

The College examination committee prepares the detailed result statistics after each semester-end examination to closely monitor students' academic progression. The committee shares the statistical results with the respective department's heads for necessary actions.

The committee maintains the details of marks scored, starting from HSSC, and continuously updates the students' results to track their progression.

The graphs presented here depicts the average result of last five batches from B.Com. programme covering the assessment years 2018-19 to 2022-23. This progression is measured from the XII standard through the last semester. The progression is upward for the first four years and downward trend in the last year.

E- CON Tet -DISHTAVO/ Swayam/ MOOCS

The Digital Integrated System for Holistic Teaching and Virtual Orientations (DISHTAVO) is an online learning initiative launched by the Directorate of Higher Education (DHE), Government of Goa. This report aims to provide an overview of DISHTAVO, focusing on its recordings available in English and regional languages. The recordings were undertaken in two different series: DISTAVO 0.1 where the content was recorded in English language and the second series: DISTAVO 0.2 where in the content was recorded in Regional Language (Konkani).

The objective was to provide accessible and quality education to students in Goa while also bridging the digital divides and ensuring equitable access to education.

The faculty members of Commerce department and allied department in our college *recorded about 66 modules in both English and Regional Language (Konkani)* to cater the diverse student population in Goa.

ACCLAMATIONS

Vidya Prabodhini, a distinctive institution in the heart of Goa, stands out as a nurturing ground where students are provided with ample opportunities to shine brightly in the midst of their peers. Renowned for its excellence in cultural activities, academics, and more, the college is dedicated to ensuring that every student, even those facing academic challenges, receives the support needed to progress.

Personally, my journey at this institution has been incredibly enriching. The college has bestowed upon me numerous opportunities, valuable guidance, and unforgettable memories shared with dedicated teachers and staff within the vibrant campus. A crucial lesson I've imbibed from Vidya Prabodhini is the importance of not merely blending into the crowd. The college encourages students to step forward, take the lead, and discover their true potential, assuring unwavering support from the entire college community every step of the way.

Mr. Shriram Chandru Pujari, Alumnus

The college has played a role of a parent, who always tries to give the best possible facilities and amenities to shape each and every student. I'm grateful to the institution, the faculty members, and the entire staff for making my journey as a student so memorable. Not only did the college help me to gain knowledge in my field, but it also provided various facilities such as seminars, workshops, skill development programs, presentations that contributed to my overall growth and development, as an individual. I was impressed by the faculty's dedication, expertise and willingness to go the extra mile to support and encourage students in academic as well as co-curricular activities. I am also very grateful to all the MTS staff that always took care, guided, helped, encourages and supported the students in all matters.

Ms. Nisha Manish Narvekar, Alumna

Vidya Prabodhini College has always been a mode of learning more, gaining knowledge through different courses like learning about banking through Collaboration with TJSB Bank, writing a Resume, filing of income tax, GST etc and as well a platform to showcase my talents. I enjoyed all the lectures and would never miss a single lecture. The teachers, librarians and office staff were also very helpful and friendly. I miss each and every moment that I spent from celebrating teachers birthday to all the functions or extracurricular activities conducted.

Ms. Leela Audhut Sinai Navelkar, Alumna

I am very glad to be a student of Vidya Prabodhini College. I have learned a lot, not just academically but in all other aspects of career development. Faculty members have been supportive throughout. The all-time support and motivation of the faculty members has enlightened me throughout this wonderful journey.

Ms. Aafreen Julai, Alumna

Our college is the safest and best place where we feel secure. Our department and teachers provide us with the latest and best updated knowledge. The things I like about our college are that our teachers are very supportive and understanding. It's the best place for the students who enjoy sports. We are blessed with the best instructors. The journey in this college have been beautiful.

Ms. Sumitra Yadav, Alumna

Teachers in our college are knowledgeable, well-qualified, and supportive. I learned many new things from them. I appreciate the faculty, and I feel that I had the best environment for my studies

Ms. Akanksha Vernekar, Alumna

The faculty members at Vidya Prabodhini College are excellent and possess rich subject knowledge. They actively engage with students, readily addressing our doubts, and providing guidance on career options. The college offers numerous facilities to help students excel in their studies, project and research. Various individual visits, seminars and workshops are organized to enhance our knowledge. The friendly and supportive staffs always motivate and encourage us for a promising future. This college has provided me with ample of opportunities to showcase and develop my academic as well as sports skills. The institution also conducts NSS camps, which have been instrumental in improving my skills and overcoming stage fear, essential for speaking in front of large audience. I am grateful to have studied in this college where I gained a wealth of knowledge.

Mr. Sunil Vasanth Hebbare, Alumnus

It is my immense luck and fortune to be the part of Vidya Prabodhini College of Commerce Education, Computer and Management, where I can grow. I have got a great opportunity as well as full support from faculties and the entire department. It has been a great contribution for me towards my personality development as we also have Company law subject which gives us important knowledge of business environment to avoid unnecessary legal issues. Overall I have a very great experience as I have got a good platform for my career.

Asmita Anil Gawde, S.Y. B.COM

I am very grateful to have the opportunity to attend the college of my choice, and receive a quality education to better myself for the future. I am thankful to be a part of Vidya Prabodhini College of Commerce, Education, Computer and Management where there is excellence is evident everywhere and everytime. Our college fosters an empowering environment and we have supportive teachers who have played a crucial role in my academic journey.

Thanks to my teachers, I have been able to participate in sports and various courses that have enhanced my skills. I have completed certified courses in the stock market, e-financial services, calligraphy and more. Additionally, I have actively involved in powerlifting, judo, and other sports of the college. I have been a part of NSS and Nisarg Club where I have been experiencing the joy of nature. Overall I have a very great experience as I have got a great platform for my career and life.

Zubiya Jaffarali Javali, SY. B.COM.A

My college days are the best part of my life. The staff, the faculty members, and the positive environment of the campus encouraged me to explore my talent and potential by providing an exceptional integrated learning environment. I liked their positive response and attention towards each and every student. I am very grateful to my teachers who supported me, guided me and helped me to attain a quality education to enhance my skills for the future. In addition to the curriculum, I learned many positive things from the faculty.

Ms. Bhavana Pradeep Kashyap, Alumna

Attending college was a transformative experience. The diverse coursework broadened my perspectives, and the connections I made with professors and peers enriched my understanding of various subjects. Beyond academics, the campus culture fostered personal growth, independence, and lifelong friendships. College equipped me with the skills and knowledge needed for my career, making it a pivotal chapter in my life.

Ms. Shreya Jitendra Toraskar, Alumna

The memories we made, the friendships we formed, and the knowledge we gained all shaped us into the individuals we are today. The college provided us with a supportive and inclusive environment, where we were encouraged to pursue our passions and strive for excellence. It's a place that holds a special place in our hearts, and I'm forever grateful for the experiences and opportunities it provided.

Mr. Pavan Halgekar, Alumnus

It gives me great pleasure to say with pride that I have completed my B. Com in cost accounting from Vidya Prabodhini College of Commerce, Education, Computer & Management. My first visit left me awestruck after looking at the atmosphere of the college. The campus is full of limitless opportunities if you want to discover yourself. Besides that, this college gave me, sweet memories, faithful friends & faculties. I would like to thank Vidya Prabodhini College and all the faculties and staff for making me "Better Person".

Ms. Anita Rathod, Alumna

I am Very grateful to be a student of Vidya Prabodhini college. It's been a great journey of learning and growing. The college has helped me a lot in every possible way. I have seen my growth. The kind and helpful nature of the faculty members has made the college life very remarkable. The faculty members have always motivated and supported us throughout the journey. They were always ready to provide guidance whenever required. I feel very blessed and happy for being the part of the Vidya Prabodhini Parivar.

Ms. Haritha Goli, Alumna

YOUNG MINDS MATTER !!

MY JOURNEY TO REPUBLIC DAY PARADE, NEW DELHI

Vinaynuj Kushwaha
T.Y.B.COM (A)

It always seems impossible until it is done. “Your potential is much more than what you think. Instead of hesitating and pulling yourself back, you should always give yourself an opportunity to try new things.”

In high school, I wasn't interested in marching, so I opted for Scout and Guide. When entering college, I chose NSS on my elder brother's recommendation. Little did I know that NSS would open doors to represent our state and nation in events like RDC (Republic Parade

Day Camp), Adventure Camp, and NIC (National Integration Camp).

Dr. Pinkesh Dhabolkar, our college's NSS coordinator, recommended that I should participate in the selection process for the Republic Day parade camp, which was to take place at Goa University. The selection process for these camps involves cultural performance, physical fitness, and a personal interview. Initially hesitant, I got support from friends proficient in cultural activities. Dr. Shailesh Chodankar, Assistant Professor in Physical Education, guided in parade and command practice, preparing me for selections.

The selection at Goa University comprised a physical fitness round, where I excelled, securing a spot in the Pre-RD Camp at Sardar Patel University, Gujarat. The camp was rigorous, involving daily marching and cultural performances.

On December 15, 2022, I received the call confirming my selection for the Republic

Day parade 2023- an overwhelming moment for me, my family, and my college. On December 29, 2022, I left Goa for Maharashtra, merging with volunteers from Maharashtra before heading to New Delhi on December 30.

Adjusting quickly with Pre-Rd acquaintances, the excitement grew as we reached New Delhi on December 31, 2022. Despite the challenges, cultural performances, and academic sessions, the experience was unforgettable.

Selected for the parade at kartavya Path, I faced strict monitoring, pushing me to perform at my best. Despite illness, I persisted, ensuring I didn't jeopardize my chance to participate. On January 26, 2023, I had the honor of parading in

front of the nation's leaders and citizens, an indelible moment in my life.

Through RDC 2023, I met soldiers and officers from the Armed Forces, Navy, and Air force- heroes safeguarding our nation. Additionally, I had the privilege to meet influential figures such as President, Smt. Draupadi Murmuji, Prime Minister, Shri Narendra Modi, Vice-President, Shree Jagdeep Dhankar, and minister of youth affairs and sports, Anurag Thakur. In conclusion, my journey to the republic Day parade was a testament of pushing boundaries, overcoming challenges, and embracing new opportunities.

BEING VPCIAN

Miss. Pooja S. Kamat
T.Y.B. COM (A)

College life is a big changeover from school life and most memorable time in one's life. During my three years at Vidya Prabodhini College, I gained a lot of knowledge, developed my communication skills and got new opportunities in the form of the various courses, skilled development workshops, seminars, events, programs, competitions, informative talks, etc conducted by the college which I enjoyed too. In this college, we had the safety and discipline same as school life. We had disciplined academics with morning assembly, the rules & work ethics were followed by all students, teachers and staff.

We had highly qualified protective teachers, who other than academics even taught us to socialize, guided us to form opinions, encouraged to deal with difficult

situations and taught us to fly too. VPC has made me disciplined and confident individual and prepared me to face challenges in life. We had healthy teacher-student relationship. Our teachers were approachable mentors yet informal during various events and friendly whenever we required to share our troubles.

Field trips/Study tours were organised by various subject teachers every year which cherished students the most, where we studied and enjoyed too. Library facility provided by college offline as well as 24 hours online made me more studious and developed my reading skills. Canteen facility provided good food and a hub where we could enjoy with our friends- eating and chatting. Every year, 'Srujanotsav' was celebrated, a fulfilled event which was enjoyed by all of us enthusiastically. Various creative ideas, dress codes, themes were planned and implemented by all the students as well as by our loving teachers.

Three years in VPC was a life-changing moment for me. I enjoyed at the same time got serious about my career and studied thoroughly for my brighter future. All these years in Vidya are memorable as 'Time flies when you're having fun'.....

SEEPING INTO NEW CHAPTER WITH MEMORIES

Parikrama Anil Parab
T.Y.B. COM (A)

Three years, Three chapters in a story still being written. College wasn't just about textbooks and exams, though they were a constant companion. It was a transitory of emotions, days with laughter, late-night study sessions, friendships goals, assignments and presentations.

First year was a blur of unfamiliar faces and navigating independence. The excitement of student life blended with the fear of getting lost in the crowd. We discovered passions we never knew existed, joining clubs, attending lectures, different courses and staying up until sunrise debating the meaning of life.

Second year brought a newfound confidence. We settled into routines, our friend circles solidified, and our

academic pursuits gained focus. We challenged ourselves, pushing our limits, facing failures that taught us more than any textbook. We learned to balance responsibility with the freedom that came with being away from home, navigating the delicate dance between academics and social life.

We witnessed stock trading at BSE and NSE in the second year. The visit wasn't just about numbers and charts. We met real-life brokers, learned about outcry systems, trading, brokerage and many more. They shared their stories of triumphs and setbacks, reminding us that the market is a living entity, shaped by human emotions and calculated decisions. The visit ignited a spark in many of us, a curiosity about the world of finance that went beyond textbooks.

Three years. A kaleidoscope of experiences that shaped us, challenged us, and helped us discover who we are. We leave behind not just memories, but a piece of ourselves etched in the halls of our college. As we step into the next chapter, we carry the lessons learned, the friendships, and the unwavering spirit of youth that will forever define this extraordinary journey.

A COMPARATIVE ANALYSIS ON INCOME TAX NEW REGIME VS. OLD REGIME

Muskan Muzawar
T.Y.B. COM (A)

Introduction:

Income tax regimes undergo changes periodically, aiming to taxation processes, incentivize savings, and align with the economic goals of the nation. In India, the introduction of the new income tax regime marked a significant shift in the tax world. This article offers a comparative analysis of the new and old income tax regimes, elucidating their key features, advantages, and considerations for taxpayers.

The Old Regime:

Traditionally, India's income tax structure followed the old regime,

characterized by deductions and exemptions under various sections of the Income Tax Act. Taxpayers could claim deductions for investments in specified instruments such as Public Provident Fund (PPF), Equity Linked Savings Scheme (ELSS), life insurance premiums, and contributions to pension funds. Additionally, deductions were available for expenses like children's tuition fees, home loan interest, and medical insurance premiums.

The New Regime:

The new income tax regime, introduced in the Union Budget 2020, aimed to simplify the tax structure by offering lower tax rates while eliminating most deductions and exemptions. Under this regime, taxpayers have the option to choose between the old and new tax structures based on their financial preferences and tax strategies. The new regime offers lower tax rates but restricts the availability of deductions and exemptions.

Comparative Analysis:

Tax Rates: Old Regime: Tax rates are higher compared to the new regime, with multiple tax slabs ranging from 5% to 30%. New Regime: Offers lower tax rates with seven slabs ranging from 5% to 30%, providing relief to taxpayers across different income holders. **Deductions and Exemptions:** Old Regime: Provides a plethora of deductions and exemptions, allowing taxpayers to reduce their taxable income significantly. New Regime: Offers reduced tax rates but restricts most deductions and exemptions, simplifying the tax structure.

Flexibility :

Old Regime: Provides flexibility in tax planning through the utilization of various deductions and exemptions.

New Regime: Offers limited flexibility as taxpayers cannot avail most deductions and exemptions, except those specified by the government.

Considerations Taxpayers Should keep in Mind: Taxpayers should assess their financial circumstances, including income level, investment portfolio, and tax-saving requirements, before choosing between the old and new regimes. Those with significant deductions may find the old regime more advantageous, whereas individuals seeking simplicity and lower tax rates might prefer the new regime

Long-term implications on savings, investments, and overall tax liabilities should be carefully evaluated to make an informed decision.

RIGHT TO EDUCATION

“Education is not the preparation for the life, Education is life itself”

- John Dewey

Asmi Firoj Pathan

S.Y.B. COM

Right to education is as precious as right to life itself. Education makes a person a good human being, makes him aware about his rights. Education plays an essential role in our lives and paves the way for all of us to reach our highest potential. When we talk about the importance of education in life, it is extremely important to understand what education is. Education is the medium that gives us the skills, techniques, and knowledge to know, understand and respect the duties we have towards our society, families and nation.

Education is the key to change. It is an important tool that allows a person to understand his or her rights and responsibilities to his or her family, society, and nation. It improves a person's ability to view the world and to fight against

misdoings such as injustice, corruption, and violence, among other things. Education is an essential element for employment. A good education is a great way to make a decent living. This is because it gives you the skills to land a high-paying job. People are able to improve their lives through the skills to land a high-paying job. People are able to improve their lives through education.

In the case of Unnikrishnan v/s State of Andhra Pradesh, Supreme Court held that Education is a Fundamental right flowing from Article 21. The Constitution (86Amendment) Act, 2002 inserted Article 21-A in the Constitution of India to provide free and compulsory education of all children in the age group of six to fourteen years as a Fundamental Right. The Act is titled “the Right of Children to Free and Compulsory Education Act”. It was passed by the Parliament in August 2009. When the Act came into force in 2010, India became one among 135 countries where education is a fundamental right of every child. The Act makes it clear that ‘compulsory education’ implies that it is an obligation on the part of the government to ensure the admission, attendance and completion of elementary education of children. In conclusion, education makes you a better person and helps develop your overall personality. It enhances your personality and helps you make better rational decisions. Right to education is a fundamental human right and is important to exercise all other human rights.

E-COMMERCE THREATS & SOLUTIONS

Neha Pujari
F.Y.B. COM (A)

1. Online Security Breach

Some of online security risks can include phishing, website hacking, and unprotected web services. There are many hackers who can breach the network of a company and access sensitive information.

What's The Solution?

- Enforce additional layers of network security. You can start from the firewall.
- After that you can add more layers on the website through contact forms, sign up boxes and search queries.

2. Client Disputes and Refund

Most of the time dispute arises when the product never arrives and the amount has been charged from customers account. Sometimes the customer

gets charged twice and sometimes the product description does not match the actual product.

What's The Solution?

- Avoiding shipment of wrong product.
- Not charging the customer until and unless you are sure that all items have been shipped and delivered.
- Using tracking number for each order that is placed and shipped.

3. Violation of Intellectual Property

Violation of intellectual property is also one of the common security threats of e-commerce business.

What's The Solution?

- Do not copy IP of any other company.
- Enforce strong copyright rules.

5. Credit Card Scams

Hackers or anybody can use a stolen credit card to make an online transaction.

What's The Solution?

- You should be PCI compliant because PCI compliance protects the data of a credit card holder and maintains the firewall.
- Use Secure Sockets Layer authentication for the protection of data.
