No of Day(s): One-Day

Venue: S.Y.Bcom class

Objectives of the Event: To Know the Importance of Ozone Day

Outcomes of the Event: Students will understand the Importance of Ozone Layer

A brief write-up about the Event (in about 300 words):

International Ozone day was celebrated on 7th October 2023 in S.Y. Bcom classroom. The resource person Mr. Prasad Rangnekar briefed students about the importance of the day. Ozone Day is of great importance because it raises awareness about the critical role of the ozone layer in protecting life on Earth by absorbing harmful ultraviolet radiation. Ozone Day highlights the connection between ozone layer protection and mitigating climate change, encouraging responsible and sustainable practices. It engages the public in environmental issues, empowering individuals and communities to take action. More than 55 Students participated in event.
