The students of T.Y.B.Com A went for a field trip to Cabo - de - Rama fort located in South Goa. Old and Ancient fort on a small hilltop having spread across an area of about 180,000 square meters. Originally the fort was built by the Hindu rulers. However, later with changes in time and ruling power, it came under Muslims, Portuguese and English rulers. It has also witnessed many historically important battles in the past. With a captivating architecture which is still worth remembering, the fort also presents a mesmerizing view of the Arabian Sea and the Goan coastline. The trip started at 8.00 am from the college and ended at 7pm in the evening. Around 39 students along with one faculty member attended the field trip.
