A brief write-up about the Event (in about 300 words):

"The Art of Cracking the GU-ART" is a workshop designed to equip students with the essential skills and strategies needed to excel in the Goa University Entrance Test for the Master of English program. The workshop focuses on three key objectives. Firstly, students will gain a thorough understanding of the GU-ART's format, including its structure, question types, and marking scheme. Secondly, participants will learn tailored study techniques designed to optimize their preparation, from prioritizing topics to mastering note-taking and revision strategies. Lastly, students will develop essential test-taking skills such as critical reading, analytical thinking, and effective writing strategies. By practicing with sample questions and receiving feedback, participants will learn how to approach GU-ART questions with confidence and precision. By the end of the workshop, participants can expect to see tangible outcomes, including improved performance on the GU-ART, enhanced study skills applicable to their academic pursuits, and increased confidence in their abilities. "The Art of Cracking the GU-ART" aims to empower students to excel in the entrance test and beyond, setting a strong foundation for their academic journey in the Master of English program.
