### Sub: Faculty development Programme

Sir,

You must be aware that our college has started offering BBA course from the academic year 2006-07. As a part of faculty development and knowledge improvement, the department of Management Studies( B.B.A.) of our College in association with Business Toys Private Limited is organizing a Faculty Development Programme for all the faculty members of Under Graduate Courses in Management and Commerce , on 13<sup>th</sup> October 2018, from 9.00 am to 4.30 pm.in the conference room of our College.

Basic objective of this F.D.P. is to provide insights about integrating "Data Teaching Methodology in delivering Management and Commerce Education". This F.D.P. will also provide hands on experience of solving data driven case studies on software platform, primarily using advanced Excel Analytics.

We invite faculty members of your College to participate in this F.D.P. As the number of seats are limited the registration are requested to be sent in advance by email to [jeevan\\_khed@rediffmail.com](mailto:jeevan_khed@rediffmail.com) latest by 6<sup>th</sup> October 2018. Registration fee of Rs.500/- (Rupees Five Hundred Only) will have to be paid at the time of registration on 13<sup>th</sup> October 2018.

Hoping for positive response from you in this regards.

Thanking you,

Yours faithfully,

(Dr. D. B. Arolkar)  
Principal

102<sup>nd</sup> Orientation Program  
08669609260 (O)  
[hrdc@unigoa.ac.in](mailto:hrdc@unigoa.ac.in)

Sir/ Madam

In response to your application for Orientation Program, I am pleased to inform you that you have been provisionally selected for the 102<sup>nd</sup> Orientation Program to be held from 13-11-2018 to 10-12-2018 at UGC-HRDC, Goa University, Goa.

You are hereby requested to **confirm your participation over email within TWO days** of receipt of this mail and send a non refundable Demand Draft for Rs. 1000/- as Registration fee, payable to **The Registrar, Goa University, Goa**, from any of the Nationalized banks, Payable at State Bank of India, Panaji, Goa, in order to confirm your selection. Please send DD to HRDC Office. If the HRDC does not get confirmation/DD, from you, within the specified time, it will be presumed that, you are not interested in attending the course and your seat will be forfeited and will be allotted to the next person in waiting

Your accommodation is arranged in Goa University Old Guest House from 12-11-2018 to 11-12-2018. You will be provided with travelling allowance, but you have to pay for your food and accommodation (Rs.400/day for out station participants) and Rs. 130/day for food for participants from Goa). Out station participants are advised to reach GUGH on 12-11-2018, so that you will attend the inauguration program at 1000hrs on 13-11-2018 at HRDC, which is compulsory as per the directives of UGC.

It may also be noted that NO FAMILY members will be entertained during the course period.

You are requested to bring PROPER RELIEVING ORDER from your institution for attending the course. Please bring this letter when you report for the course

You are requested to send a write up (~300 words) of your topic of talk during participant's session and will adhere to UGC-HRDC guidelines.

Yours faithfully

(I. K. Pai)  
Director, HRDC

Subject: Confirmation of registration for the NaiTalim - FDP

To: &lt;arunshete1987@gmail.com&gt;, &lt;seemavshete@gmail.com&gt;, &lt;ganpatharale81@gmail.com&gt;, &lt;meghaveemeshram99@gmail.com&gt;, &lt;savita.sindhu@ggdsd.ac.in&gt;, &lt;mhamal88@gmail.com&gt;, &lt;yogita13.ch@gmail.com&gt;, &lt;kaliddas@gmail.com&gt;, &lt;gaude.gautam@gmail.com&gt;

Dear Sir/Madam,

This is in the reference of your application received to the Mahatma Gandhi National Council for Rural Education for the Online Faculty Development Programme, we would like to inform you that your registration is confirmed for the FDP.

**Objectives:**

- 1) To establish the linkages of Work and Education
- 2) To introduce the aspects of the concept of dignity of labour and participation in productive work.
- 3) To introduce Gandhi's ideas on Nai Talim and Experiential Learning
- 4) To introduce various aspects of community engagement
- 5) To demonstrate various methods of engagement i.e., the school with neighborhood communities
- 6) To familiarize with Field Engagement component of Nai Talim's Experiential Learning

**Instructions to the Participants for the Online FDP:**

- 1) Filling the registration form is mandatory.
- 2) Attendance is mandatory for all sessions for the certificate to be issued.
- 3) All sessions will be conducted on online platform.
- 4) ID and password will be provided a day in advance.
- 5) E- certificate and physical copy of the certificate will be issued to all the participants. Limited seats available on first come first basis.
- 6) Participants need to have functioning Laptop/Desktop with webcam, microphone and headphones
- 7) Uninterrupted Internet Connectivity
- 8) Functioning email account
- 9) Only those participants who are having the "Link" can get connected with FDP
- 10) The FDP will commence at 11.00 am on all 5 days and close by 4.00 pm. Lunch break is from 1.00 to 2.00 pm.
- 11) There will be a 3 hours post session project assignment every day starting from 10th May (day before the sessions)

FACULTY DEVELOPMENT PROGRAM ON  
**Outcome based Education & Accreditation**

Date: 25<sup>th</sup> - 29<sup>th</sup> May, 2020  
Register: <https://forms.gle/R7bDHxqeoVbkHRYX9>  
Starts from: 4<sup>th</sup> May, 2020 | Ends : 20<sup>th</sup> May, 20

**ABOUT FDP**

Since 2008, Outcome-Based Education (OBE), a student-centered strategy aiming to enhance the quality of teaching and learning, has been launched as a major initiative among higher education institutions. When adopting OBE at the course level, other than designing the OBE framework, it is also very important to evaluate the effectiveness of the OBE implementation. As an organization, IILM College of Engineering and Technology has always taken steps which ranked it as one of the best institutes for higher education in the Engineering & Management stream. To sharpen the theme of quality of education and its globalization, IILM-College of Engineering and Technology is going to organize a FDP on "Outcome based Education and Accreditation" from 25 May, 2020 to 29 May, 2020. The aim of this FDP is to understand the basic concepts of OBE, its needs in the 21st century and its implementation to enhance the teaching learning methodologies in higher education systems. Keeping this in mind, this Faculty Development Programme is focusing on Challenges and needs of 21st century education, Outcome Based Education, necessity of accreditation and outcome based curriculum through different sessions, which will be chaired by national and international experts of OBE and accreditation. This program will enhance the quality of teaching and assessment. It also facilitates faculty members regarding different accreditation agencies, their rules and regulations and benefits from implementation.

**DAY 1**

- Inauguration & Introduction
- Challenges & needs of 21<sup>st</sup> Century Education
- Accreditation: Vision, Mission and PSOs

**DAY 2**

- NAAC Criteria
- Outcome based Education

- NBA Validation Criteria
- Course Rie Creation
- Outcome based evaluation

**DAY 3**

- Outcome based curriculum & Its significance
- Philosophy of OBE, Blooms
- Taxonomy and teaching pedagogy

**DAY 4**

- File Preparations and document Management
- Role of ICT in Education

**DAY 5**

- Mapping of COs and POs, Rubrics/Formats and examples
- Valedictory

**DISTINGUISHED SPEAKERS**

**Dr. Satish Tanvade**  
Caledonian College  
Oman, Muscat

**Prof. Sreeraj K. P**  
Government College Kottakkal,  
Kerala

**Dr. Manoj Gupta**  
Mata Vaishno Devi University,  
Jammu

**Prof. Neelam Pathak**  
Dr. Rammanohar Lohia Avadh  
University

**Mr. Anoop Thomas**  
Rajgiri College of Engineering &  
Technology, Kerala

**Ms. Kanchan Pujari**  
Professor  
SKNCOE, Pune

**Prof. Rajiv Manohar**  
Lucknow University

**Dr. Abdul Hafiz Bashir**  
University of Hail, Saudi  
Arabia

**ABOUT IILM**

IILM College of Engineering and Technology, Greater Noida is a dynamic and research intensive academy which provides world class education in the fields of Computer Science Engineering, Electronic & Communication Engineering, Mechanical Engineering, Automobile Engineering, Civil Engineering and Biotechnology and Management. Along with an excellent ambience, the emphasis here is on quality education through various teaching aids and overall development of the students through different interactive ways. IILM – College of Engineering and Technology is affiliated to Dr. A.P.J Abdul Kalam Technical University, Lucknow was established in the year 2002. IILM College of Engineering Technology is committed to responsive and responsible education with the objective of creating global technology leaders.

**Schedule of FDP On Outcome Based Education and Accreditation**

25 <sup>th</sup> May, 2020	26 <sup>th</sup> May, 2020	27 <sup>th</sup> May, 2020	28 <sup>th</sup> May, 2020	29 <sup>th</sup> May, 2020

Subject: Confirmation of registration for the NaiTalim - FDP

To: &lt;arunshete1987@gmail.com&gt;, &lt;seemavshete@gmail.com&gt;, &lt;ganpatharale81@gmail.com&gt;, &lt;meghaveemeshram99@gmail.com&gt;, &lt;savita.sindhu@ggdsd.ac.in&gt;, &lt;mhamal88@gmail.com&gt;, &lt;yogita13.ch@gmail.com&gt;, &lt;kaliddas@gmail.com&gt;, &lt;gaude.gautam@gmail.com&gt;

Dear Sir/Madam,

This is in the reference of your application received to the Mahatma Gandhi National Council for Rural Education for the Online Faculty Development Programme, we would like to inform you that your registration is confirmed for the FDP.

**Objectives:**

- 1) To establish the linkages of Work and Education
- 2) To introduce the aspects of the concept of dignity of labour and participation in productive work.
- 3) To introduce Gandhi's ideas on Nai Talim and Experiential Learning
- 4) To introduce various aspects of community engagement
- 5) To demonstrate various methods of engagement i.e., the school with neighborhood communities
- 6) To familiarize with Field Engagement component of Nai Talim's Experiential Learning

**Instructions to the Participants for the Online FDP:**

- 1) Filling the registration form is mandatory.
- 2) Attendance is mandatory for all sessions for the certificate to be issued.
- 3) All sessions will be conducted on online platform.
- 4) ID and password will be provided a day in advance.
- 5) E- certificate and physical copy of the certificate will be issued to all the participants. Limited seats available on first come first basis.
- 6) Participants need to have functioning Laptop/Desktop with webcam, microphone and headphones
- 7) Uninterrupted Internet Connectivity
- 8) Functioning email account
- 9) Only those participants who are having the "Link" can get connected with FDP
- 10) The FDP will commence at 11.00 am on all 5 days and close by 4.00 pm. Lunch break is from 1.00 to 2.00 pm.
- 11) There will be a 3 hours post session project assignment every day starting from 10th May (day before the sessions)

Roll Number :	ARP20102119	
Candidate's Name :	UADDDHAV VIJAY POL	Father's Name : VIJAY JAGANNATH POL
Mother's Name :	SHARADA VIJAY POL	Date of Birth : 30-05-1979
Gender :	Male	Person with Disability : NO
Category :	General	Application Number : 200710010582

Test Details

Exam Paper Title			
Shift 1:	--		
Shift 2:	Refresher Course on Teacher and Teaching in Higher Education (arp19-ap67)		
Date of Examination	16th Feb 2020		
Shift	First	Second	
Reporting Time at Centre	--	13:30 Hrs (IST)	
Gate Closing Time of Centre	--	14:15 Hrs (IST)	
Timing of Test	--	2:30 PM to 5:30 PM	
Test Centre No	8099		
Venue of Test	ION Digital Zone IDZ, Pato Plaza, The Tristar, 1st floor, 13B EDC Complex, Patto Plaza, Panaji, Goa, India, 403001		
			Candidate Signature
			
			NTA-ARPIT Unit

IMPORTANT INSTRUCTIONS FOR CANDIDATES

- The Admit Card is provisional, subject to the eligibility conditions given in the Information Bulletin.
- Candidates are suggested to visit the examination venue, a day in advance, so that they can reach the venue on time on the day of examination.
- Candidates are required to present the following documents to the examination officials, for identity verification:
  - Admit Card downloaded from the NTA website (a clear preferably colour printout on A4 size paper).
  - One Passport size photograph (same as uploaded with the Online Application Form) to be pasted on the attendance sheet at the Centre.
  - Any one of the original and valid Photo Identification Proof issued by the government – PAN card/Driving License/Voter ID/Passport/ Aadhaar Card (With photograph)/E-Aadhaar/ Ration Card.
  - PwD certificate issued by the Competent Authority, if claiming the relaxation under PwD category.
  - Note:** No Candidate would be allowed to enter the Examination Centre, without identity verification.
- Candidates are NOT allowed to carry any personal belongings including electronic devices, mobile phone and other materials listed in the Information Bulletin, to the Examination Centre. Examination Officials will not be responsible for safe keep of personal belongings.  
**Pen/Pencil and blank paper sheets for rough work will be provided in the examination Hall/Room. Candidates must write their name and Roll Number at the top of the sheet, and must return the sheet to the invigilator, before leaving the examination Hall/Room.**
- Candidates should take their seat immediately after opening of the Examination Hall. They can login and read instructions, before the commencement of the examination.
- Candidates will NOT be permitted to leave the Examination Room/Hall before the end of examination. After the completion of the examination, candidates should hand over their Admit Card, rough sheet and Pen/Pencil to the invigilator on duty.
- Candidates must enter required details in the Attendance Sheet in legible handwriting, put their signature and paste the Photograph at the appropriate place. They should ensure that their Left-Hand Thumb Impression is clear and not smudged.
- No Candidate should adopt any unfair means, or indulge in any unfair examination practices.

Candidates are advised to check updates on [www.ntaarpit.nic.in](http://www.ntaarpit.nic.in) website regularly. They may also check their mail box on the registered E-mail address and SMS in their registered Mobile No. for latest updates and information.

NTA website : NTA website: [www.nta.ac.in](http://www.nta.ac.in) and [www.ntaarpit.nic.in](http://www.ntaarpit.nic.in)

For any Assistance: Email: [arpit@aicte-india.org](mailto:arpit@aicte-india.org) Call: 1800 121 9025

Note: No candidate will be allowed to enter the examination Centre after gate closing time mentioned on the Admit Card.

December 3, 2018

Respected Sir/Madam,

A unique initiative of online professional development of in-service teachers' of higher education, using MOOCs platform SWAYAM-Annual Refresher Programme in Teaching (ARPIT) was launched by MHRD on 13<sup>th</sup> November, 2018. The ARPIT is 40 hour programme with 20 hours of video content offered in a highly flexible format which can be done at one's own pace and time. The programme has built-in assessment exercises and activities as part of the academic progression in the course. At the end of the course, there is a provision for terminal assessment which can be either online or written examination.

It has been decided by the UGC that successful completion of the courses offered under the ARPIT programme with 40 hour of instruction material with a proctored examination will be treated as equivalent to one Refresher Course for the purposes of Career Advancement.

This is for the information of all universities and colleges.

With regards,

Yours sincerely,

(Rajnish Jain)

To the Vice-Chancellors of all Universities

## Refresher Course on Teacher and Teaching in Higher Education

By Prof (Dr.) Sanjeev Sonawane, Dr. Vaibhav Jadhav | Savitribai Phule Pune University

This is an **inter-disciplinary Refresher Course** focusing on teacher and teaching in higher education.

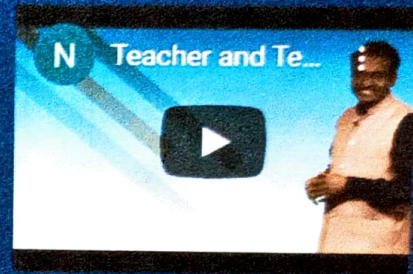

This course explores the theoretical background of teaching and practical knowledge for teachers in higher education. This course designs various activities for teachers and they have opportunity to apply in their workplace. During this course, teacher acquires various teaching skills, methods and models in higher education institutes. Therefore, the prospect of higher education is increasing continuously.

This course helps learners to understand the objectives and development of higher education. It is trying to focus on various policies and commissions of higher education along with all concern bodies and councils.

This course helps learner to realize the role of teacher in making digital India.

This course is initially design for the professional development of teachers working in the higher education institutions/ colleges/ university departments.

**Intended Audience:-** faculty members of any subject or discipline in graduation and post graduation colleges/ institutions and/or University can join this course. As per the guidelines of MHRD and UGC, participation in this course will be considered as one refresher for the CAS.

Learners enrolled: 6405

## ADVANCED RESEARCH METHODOLOGY: TOOLS AND TECHNIQUES

The Ministry of Education (erstwhile, Ministry of Human Resource Development) launched the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT) in 2014. One of the main objectives of this mission is to facilitate teacher training by constituting Teaching Learning Centers in various institutions of higher education in our country. The Teaching Learning Centers (TLCs) are mandated to promote on a continuous basis the learning of new pedagogical practices, methodology of forming discipline-specific curricula and creating new learning materials (including e-content) for use by the teachers in colleges and postgraduate departments. It is envisioned that the TLCs will accelerate the teaching-learning process by encouraging independent critical and creative thinking and facilitating research for subject specific growth. The TLCs will assist the faculty in capacity building for curriculum designing, scientific assessment and evaluation and the development of innovative academic programs to strengthen the inclusive nature of higher education. The TLCs are also encouraged to reach out to teachers teaching in regionally disadvantaged locations. The Pandit Madan Mohan Malaviya National Mission emphasizes the need to change the role and workings of a teacher from a mere disseminator of information and knowledge to the one who helps students to develop critical, analytical skills, capabilities to generate information, the ability to reason and to empower themselves through open sources and globally oriented digitalized self-learning processes. The focus is not only on 'what is taught' but also importantly, to 'the way it is taught,' in an effort to develop and enhance individual education, that will eventually go on to define the manner in which the future generations will work and live. The Teaching Learning Centers offer Faculty Induction Programs (FIPs) for newly recruited faculty and Faculty Development Programs (FDPs) for teachers with experience who wish to update their field of knowledge, expertise and skill with the latest available research, resources and technology. In the FDPs, special emphasis is given to inter and cross-disciplinary methodologies of study.

Currently, the teaching fraternity is missing their lively and interactive classrooms due to COVID-19 Pandemic. To address the present situation, the University Grants Commission (UGC) has intensified its efforts to have a strong virtual engagement with the students through email/WhatsApp and

hosting lectures using Google Class Room and other video-conferencing platforms. Keeping in view the immense benefits and reach of online courses in the present academic set-up, the Teaching Learning Centre Ramanujan College, University of Delhi is offering a Two Week Interdisciplinary Refresher Course/ Faculty Development Programme on “Advanced Research Methodology: Tools and Techniques” for faculty members and research scholars of higher education.

## CONCEPT NOTE

Research is a form of systematic enquiry to delve deeper into a subject and produce socially relevant results in different forms like a product, research paper, patent or thesis. There are varied forms of research; each characterized by different methodologies. Research methodology holds prime importance as it outlines the course of the research endeavor and its final outcome. The process of research and the associated tasks need to be conceptualized appropriately to bring in the much needed quality in the research. Every task involved, like collection of data, searching literature review, deriving a mathematical or computational solution or presentation of the results, requires a concrete and systematic approach. Formulation of such an approach requires immense deliberation in terms of the tools and techniques to be deployed as well.

This Online Refresher Course is diligently planned around developing the foundational knowledge needed to step into the arena of research. The programme is an effort towards exploring different dimensions and paradigms of research. The modules intend to enhance the ability of the participants to undertake independent research in a planned manner, identify appropriate and significant literature review, design questionnaires, collect and analyze data, perform simulations and, to assist them in writing research papers for good quality journals. The participants will be trained to use several open source tools that are useful in accomplishing their research outcomes. The primary tools covered are those that would aid a researcher in a systematic background knowledge probe, data visualization, and effective presentation of results, writing research paper, preparation of reports and thesis, and prevention against plagiarism. One will learn how to create individual research profiles, find relevant and good quality journals. The modules would be an amalgamation of the much needed digital skills which can play a significant role throughout the research process.

The course content is designed to disseminate knowledge of some of the important digital tools used for academic purposes. One will learn how to create individual research profiles, find relevant and good quality journals. The modules would be an amalgamation of the much needed digital skills which can play a significant role throughout the research process.

## THEMATICS

- **Introduction to Research: Research Philosophy and Types**
- **Development of deeper understanding of the dynamics of research philosophy and design and the underlying technology and proficiency**
- **Research Design and Types**
- **Data collection and Data Visualization**
- **Analysis of Data and Techniques**
- **Systematic Literature Review and Meta Data Analysis**
- **Introduction to different Qualitative Research Methods**
- **Developing an understanding about Qualitative and Quantitative Data Analysis**
- **Writing Research Report and Research Papers using LaTeX**
- **Advanced Searching Tools and Referencing Tools**
- **Scientific Journal Finder**
- **Indexing and Impact Factors**
- **Publication Ethics: Patent, Copyright and Plagiarism**
- **Creating Research Profile and Collaborations**

## EXPECTED LEARNING OUTCOMES

After successful completion of the online course, the participants will be able to:

- Comprehend the research process and underlying design principles
- Gain better understanding on how to identify a research problem and design a valid research project to answer specific research questions
- Get hands-on training in the usage of several open source tools that can assist them in their research endeavors
- Effectively analyze and present their data and research outcomes
- Write effective research papers and thesis in the journal designated formats using online tools
- Gain awareness on the concept of originality of research
- Know the process of finding good quality journals for research and publishing
- Establish collaborations with the research community
- Improve their quality of research

## RAMANUJAN COLLEGE

Ramanujan College is a University of Delhi college, located in the well-known area of Kalkaji, near Nehru Place, in South Delhi.

Ramanujan College has highly qualified, dedicated, and committed faculty members. The college runs 16 courses in different subjects in Humanities, Commerce and Science streams. It is also the study centre for the students of the Non-Collegiate Women's Education Board, University of Delhi, and the Indira Gandhi National Open University. The college also runs several professional courses. The teachers of Ramanujan College are highly motivated and have original, published academic and creative work, including journals and other print media articles and educational film making to their

credit. Ramanujan College is a premier institution of the University of Delhi and has been accredited grade "A" by the National Assessment and Accreditation Council (NAAC). We at Ramanujan College emphasize the holistic development of personality, meaningful exposure to real-world, and inculcating practical skills amongst our students apart from ensuring academic excellence.

### **Enrichment Spectrum at the Teaching Learning Centre (TLC), Ramanujan College**

- Emphasis on creating self-learning space for students
- Hands-on assignments and live projects
- Expert guidance on live projects
- Follow-up tasks
- Provision of study content (wherever required)
- Developing appropriate attitudinal orientation
- A learning experience for personality enrichment
- Augmentation of professional capabilities
- Co-creation and mutual contribution between participants and facilitators
- Access to global resources
- Adaptation skills for the dynamic contemporary environment

## **REGISTRATION PROCESS**

**Eligibility:** Faculty members (regular/adhoc/temporary) in teaching profession and research scholars are eligible to apply for this Faculty Development Programme.

- Registration is mandatory for all the participants of the FDP.
- All those who meet the eligibility criterion are required to pay a **Non-Refundable fee of INR 1100/-** (See the details provided below regarding the payment process).
- The eligible participants who have made the payment are required to register online **on or before April 14, 2021**.

## IMPORTANT:

- Attempting and submitting all the quizzes and assignments are mandatory, and each participant should score a minimum of 40% in total to avail of the programme completion certificate.
- Graded certificates on the basis of performance will be awarded to the participants.
- As part of the Ministry of Education's requirement under the PMMMNMST scheme, all participants need to submit online feedback for each session.
- Failing to meet any of the above conditions will result in denial of a certificate of completion to the participants.
- **NO OBJECTION CERTIFICATE (NOC)/ LEAVE is not required to participate in the programme.**

## PAYMENT PROCESS AND STEPS OF REGISTRATION

**First Step:** The participants must make the prescribed payment by (NEFT/UPI/IMPS) to the below-mentioned account and keep the screenshot of their payment for further clarification.

**Bank: ICICI Bank**

**Branch: Kalkaji Branch, New Delhi - 19**

**A/c Name: PRINCIPAL RAMANUJAN COLLEGE**

**A/c no: 072001003912**

**IFSC: ICIC0000720**

**Second Step:** Participants need to fill up the online application form <https://forms.gle/3z7M2pZpoeFhDVTL9> with all the required details before the final date of submission. The screenshot of the payment should be uploaded while filling in the form. The participants are advised to carefully fill their transaction details of payment at the time of filling of the registration form. Kindly take note that late applications and payments will not be accepted. The last date of registration is April 14, 2021.

After successful registration & payment, the participants will receive a confirmation via email. **Please keep checking the spam folder of the email as the bulk email sent may end up in the spam folder.**

An official group has been made for communication with the participants on "Telegram." You are therefore requested to install the Telegram App either from the Play Store or App Store. The link to join the official group will be provided in the confirmation mail.

Under Pandit Madan Mohan Malaviya National Mission on Teachers & Teaching Scheme  
Ministry of Education, Government of India

Phase-IV, Programme No. - 9  
10 Days Online National Workshop

### Quantitative and Qualitative Approaches in Research

From 18<sup>th</sup> to 28<sup>th</sup> November, 2020

#### About

The Teaching Learning Centre (TLC) of Shri Lal Bahadur Shastri National Sanskrit University (Central University), New Delhi was established in the component of Centres of Excellence for Curriculum and Pedagogy under **Pandit Madan Mohan Malaviya National Mission on Teachers & Teaching (PMMNMTT) scheme of Ministry of Education, Government of India.** This scheme was launched with an intent to improve quality in educational development at all stages of education. The vision of the established TLC is to prepare Teachers, Teacher Educators and Researchers for empowering them to address the needs for designing, implementing and evaluating teaching-learning systems in the field of language education especially Sanskrit. **The centre has been identified in the list of 30 new centres (IInd phase) for conducting one month mandatory Faculty Induction Programme (FIP) and also notified as National Resource Centre (NRC) for ARPIT-2018 & 2019 courses in the discipline Sanskrit by MHRD. In addition to this, the centre has published two handbooks for teaching Sanskrit one at upper primary level and other at secondary level.**

#### Backdrop

The increasing use of research as a basis for knowledge about education and for influencing decisions, programs and policy requires educators, teachers and researchers to possess research skills. The educational research embodies a deliberate, objective and systematic attempt at exploring an answer to meaningful educational questions. The educational system all over the world are now conscious about the role which research plays in the improvement of its instrumentalities, its goals and outcomes. In the past educational research has been strongly influenced by the psychological research tradition with an emphasis on designing experiments and testing hypothesis as well as on measurement and statistics. Now in the present time, it has been witnessed that qualitative methods also contributes significantly to our knowledge of education primarily inductive logic and focuses on particular event, group of people, process and institution or concept in a case study design which provide an understanding of the investigated phenomena. In this backdrop ten days workshop has been organised with an intent to bring insight in the qualitative and quantitative research designs and methodologies for ensuring deeper understanding, knowledge and appreciation for each approach in educational research.

#### Objectives

The objectives of this workshop are:

- to provide conceptual understanding of educational research .
- to give insight in the process of conducting quantitative and qualitative researches.
- to develop insight in the process of quantitative and qualitative, research designs, methods and data analysis.
- to familiarise with the formats for writing quantitative and qualitative research proposals.
- to enhance research skills & competencies.

## Target Group

- Higher Education language teachers especially that of English, Hindi & Sanskrit.
- Teacher Educators from both traditional and modern universities.
- Higher Education faculty of all disciplines but preference to traditional disciplines such as Vyakaran, Vastushastra, Darshan, Sahitya, Dharamshastra, Jyotisha etc.
- Sanskrit school teachers only PGT or TGT.

## Workshop Registration

There will be no registration fee for this Workshop. The intake capacity of this Workshop is **240** and registration will be accepted on **first come & first serve basis**. The interested participants may fill the registration form by using the Google form through this link <https://bit.ly/37SNEoa> **latest by 8<sup>th</sup> Nov., 2020 till 5 PM**. Last date can be extended, if required. We reserve the right to cancel any registration without any intimation. **(Only online registration will be considered)**.

-  **Prerequisite: -**
1. The participants must have **LAPTOP** and **SMARTPHONE** with good internet connectivity during the workshop for ensuring active participation.
  2. **Online platform to be used: GOOGLE MEET** 

**Head & Dean, Faculty of Education**

**Prof. K. Bharathbooshan**

**Convenor cum Coordinator**

**Prof. Amita Pandey Bhardwaj  
Project Head**

**Programme Co-coordinator**

**Dr. Jitender Kumar  
Dr. Parmesh Kumar Sharma**

**Programme Facilitator**

**Sh. Surender Nagar**

## A Step-by-Step Guide to Write a Good Research Paper

25th April 2021 to 1st May 2021

Time-3:00 PM to 5:00 PM

### Organized By

Indore Management Institute & Research Centre,  
Research Foundation of India, JHERF

RESEARCH FOUNDATION OF INDIA  
रिसर्च फाउंडेशन ऑफ इंडिया

### Association with

IMI Business School

### Sponsored by

World Federation of Science and Technology (WFST),  
International Research Guide Federation (IRGF), & Edu Academic

### Chief Patrons

**Mrs. Ankita Gupta**  
Managing Director,  
IMI Group of Institutions

**Dr. Sourabh Jain**  
Chairman  
Research Foundation of India

**Prof. (Dr.) Ashok Kumar Gupta**  
Chief Managing Director  
Research Foundation of India

### Patrons

**Mrs. Nikita Pandey**  
Management Head,  
IMI Group of Institutions

**Prof. Ajay Jain**, President,  
Central India Board,  
Research Foundation Of India

**Mrs. Ayushi Gupta**  
V.P Academic Affairs,  
IMI Group of Institutions

**Dr. Sanjay Sharma**  
Principal, Indore Management  
Institute & Research Center

### Coordinators

Dr. Reena Gupta

Prof. Rahul Joshi

### Convener

**Dr. Parul Sharda**  
Research and Innovation Cell  
(IMI Group of Institutions)

### DESCRIPTION

**Date -25/04/2021**  
Topic -How to construct relevant topic, Hypothesis, Objectives and give Citation & Reference

**Date-26/04/2021**  
Topic-Literature Review, Rationale of Study and Preparation of questionnaire

**Date-27/04/2021**  
Topic-Research Design, Sampling, Importance of checking Normality, Reliability and Validity of Data.

**Date-28/04/2021**  
Topic-Data Analysis Techniques including normality, reliability and validity (through SPSS)

**Date-29/04/2021**  
Topic- Result Interpretation, Hypothesis Testing and format of writing results in a research paper.

**Date-30/04/2021**  
Topic- How to reduce Plagiarism in Research paper. Indexing and Impact Factors.

**Date-01/05/2021**  
Topic-Guidelines for publishing research papers in different journals. Also cover the importance to attend National and international

**Platform: Google Meet (Live at Youtube & Facebook)**

**Two-week Refresher Course**

# **GEOGRAPHY, GEOGRAPHERS AND GEOSPATIAL TECHNOLOGIES:**

## **Impacting Physical, Social & Gendered Spaces 2021**

### **22 November - 06 December 2021**

## **CALL FOR REGISTRATION AND PARTICIPATION**

*This Refresher course is  
Dedicated to the life and works of*

**Prof. Ram Babu Singh**

(3 Feb. 1955 - 22 July 2021)

An exemplary scholar, Secretary General IGU,  
and former Head- Dept. of Geography,  
University of Delhi (India)

## RAMANUJAN COLLEGE

Ramanujan College is a constituent College of the University of Delhi (DU). It is inspired by the life and work of Srinivasa Aiyangar Ramanujan, one of the world's greatest mathematicians. The College has been accredited Grade "A" by the National Assessment and Accreditation Council (NAAC) in its First Cycle. It is located in the well-known area of Kalkaji, near Nehru Place, in South Delhi.

The College was established in 1958 as an evening college for boys with just five programmes. Since 2010, Ramanujan College has been expanding and now with the latest addition of B.Sc. Environmental Sciences (Hons) in 2020, it at present offers sixteen undergraduate programmes in different disciplines. This achievement, in alignment to the recommendations of the National Education Policy (NEP) 2020, makes the College a centre for interdisciplinary studies and research with a future focus on blended learning. It has gradually grown into a self-sufficient and self-reliant institution owing to its academic vigour and intellectual capital.

Ramanujan College was awarded the Deen Dayal Upadhyay – Knowledge Acquisition and Upgradation of Skilled Human Abilities and Livelihood (DDU KAUSHAL) Kendra in 2016 by the UGC, under which two vocational courses were started in Banking Operations and Software Development.

The College has conducted a Course on Human Rights, Environment and Ethics through its National Resource Centre (NRC), under the Annual Refresher Programme in Teaching (ARPIT) scheme of Ministry of Education (MoE). This Course was uploaded on MoE's Massive Open Online Course (MOOC) platform SWAYAM and many participants registered for it.

Ramanujan College offers various short-term diploma, certificate, and executive development programmes on contemporary and skill-oriented themes. These are conceived and designed by faculty members in consultation with external experts.

The courses get exceptional response from the students and are conducted throughout the academic session. They are open to alumni and students of all the colleges. Some of these courses support the curriculum, some prepare the students for higher studies and also accelerate the professional growth.

The College is the Study Centre of School of Open Learning (SOL), Non-Collegiate Women Education Board (NCWEB) and Indira Gandhi National Open University (IGNOU) for various courses. As an initiative towards students and teachers exchange programmes, the College has entered into Memorandum of Understanding(s) with foreign universities. It is also working for collaboration with other higher education institutions located in remote areas of the country, under the Vidya Vistar Scheme of the University of Delhi.

The prestigious Teaching Learning Centre was awarded to Ramanujan College in 2017 by the Ministry of Education, under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT) scheme.

In pursuit of its vision: "Discover, Empower, Transform: Building A Better World", Ramanujan College is today perceived as one of the best colleges in the country.

## **TEACHING LEARNING CENTRE, RAMANUJAN COLLEGE**

Teaching Learning Centre (TLC) is mandated by the Ministry of Education (MoE) to organise Faculty Development Programmes (FDPs), Faculty Orientation and Induction Programmes (FIPs), discipline specific and interdisciplinary Refresher Courses, conferences, workshops, through offline and online modes. These programmes are based on in-depth subject knowledge, quantitative and qualitative research methodologies, and on an interdisciplinary approach as is envisaged in the National Education Policy (NEP), 2020.

The TLC, Ramanujan College has been set up with the aim of "Reaching the Unreached" teachers in terms of regional diversity and geographically remote areas of the country. It has successfully conducted more than hundred learner-centric programmes since October 2017 and trained over one lakh teachers across the country in various discipline specific and interdisciplinary programmes.

In the TLC Programmes distinguished and internationally acclaimed resource persons deliver lectures and conduct sessions on wide ranging disciplines/topics of relevance in the contemporary and ever evolving global scenario to benefit the teaching fraternity, corporates and researchers. The sessions are also uploaded for larger audiences on the official YouTube Channel of the College.

Ramanujan College is a pioneer in offering offline/online courses for faculty members of higher education institutions and research scholars through the customised Learning Management System (LMS), designed by the College's Research Development and Services Cell. It is predominantly participant-friendly and incorporates evaluation methods and comprehensive feedback systems to judge learning outcomes. The LMS is hosted on CLOUD with high scalability and reliability. The College has installed its own Cloud Infrastructure to host its servers for research and data analysis.

## **Enrichment Spectrum at the TLC, Ramanujan College**

- Transforming teachers into knowledge-creators
- Emphasis on creating self-learning space for participants
- Interaction with eminent scholars and academicians
- Four Quadrant Approach (e-tutorial, e-content, Self-Assessment and Web Resources).
- Regular follow-up with the participants through Google Classroom/ Telegram/ Discussion Forum.
- Adaptation skills for the dynamic contemporary environment
- Augmentation of professional capabilities and research-based knowledge
- Inter and cross-disciplinary methodologies of study
- Co-creation and mutual contribution between participants and facilitators
- Formation of knowledge capital
- Online certificates using the Blockchain Technology to ensure authenticity and verifiability

## **KIRORI MAL COLLEGE**

Welcome to Kirori Mal College, an institution of academic excellence, established in 1954, that has always strived to, and successfully maintained its place as one of the finest within the University of Delhi. We at Kirori Mal believe in providing for our students an environment rich in knowledge and supportive of their extracurricular interests. The college encourages a quest for knowledge that is rooted in an ethical understanding of the world that we inhabit and this enthusiasm for learning along with a desire to evolve into socially responsible beings is reflected not only in the academic atmosphere but also visible in the field of extra-curricular activity. Our tradition of excellence in theatre, art and music only adds to the richness of the academic fabric of the college. You will encounter the unique combination of social activism, creativity and learning in every discipline and every corner

of this institution. Over the years, the college has built up an impressive array of academic facilities such as a fully computerized library, a state of the art computer center and an active placement cell. Our endeavor is to make individuals more mature, responsible and socially aware.

## CONCEPT NOTE

Geography matters in everyday decision-making, and we use it knowingly or inadvertently without realizing it. The implementation decade of 17 Sustainable Development Goals (SDG's) has accentuated the relevance of the subject across disciplines. With the higher education ecosystem impacted directly through scores acquired for Academic Performance Indicators (API) in recruitments and career advancement, the refresher course like the present becomes beneficial. Present Refresher Course is designed for Geographers and all those for whom Geography Matters. Geography crops up everywhere, yet whose uses seem to be changing recurrently, producing new and often surprising variations of meaning. COVID 19 has added a visual meaning to geography with a mega display of maps and spatial data. Geo analytics have never been pitched so high by researchers as today. The course aims to target Geography faculty, Cartographers, Environmental Geographers, Social Scientists, Demographers, Urban and Rural

Planners, Geo-Political experts, Gender experts, and all others who value locations, place, space and have ever wished to use remote sensing, GPS, and GIS in their research and academic writings. This refresher course, "Geography, Geographers and Geospatial Technologies: Impacting Physical, Social & Gendered Spaces 2021, "is about how relevant today is to contextualize decision-making around geographies. It aims to bridge the complexities and understand the relational inter-linkages between 3G's, geography, geographers and geospatial technologies.

Present refresher course is dedicated to the loving memory of Professor Ram Babu Singh (3 Feb. 1955 - 22 July 2021), an exemplary Geographer, Secretary General IGU, and former Head-Dept. of Geography, University of Delhi (India) who explored geography discipline, widened the role of a geographer and optimized the use of geospatial technologies in his research. He showed us the relevance and requisite pathways of "crossing borders and merging geographies". His 14 books, 35 edited research volumes, and more than 200 research papers published in national and international journals, symbolically glaring at us and motivating us with his smile and saying, *"If a boy from Majhanpura, gaon, Chappra district Bihar could do it, you all can do it."* The course navigates and asserts that geography is beyond boundaries and not a closed discipline with a catchment to be traversed only by the geographers. The course is divided into different themes, attaching meaning to fieldwork, acquisition of spatial and non-spatial data and holding Spaces that can be appropriated as well as dominated ,when we contextualize them with the geographers' lens.

Over the last four decades, geospatial technologies have proven to be an effective enabler to meet various challenges related to the sustainability of physical, social, cultural, and digital spaces.

That is why to enhance the participants' capacity building, the course includes exposure to hands-on experience with locational data, remote sensing data, and attribute data through exposure to GIS open source and proprietary software the pathways towards. The relevance of spatial and non-spatial data, data analytics, and the basics of GIS, remote sensing and GPS, would be explored with the low and high-resolution degree. The participants after completing the course will get ready to explore new pathways, where Geographers' lens will empowers spaces and reinforces the particular ways in which men, women, and the third gender participates and produce homogenous and heterogenous patterns for policymakers to make decisions.

The present Refresher course aims at three integrated goals:

1. To conceptualize the 'geographers' lens in 2021 and conceive the idea of "geography " beyond geographies.
2. To reinforce the relevance of geographers in understanding the diverse physical, social and gendered landscape and comprehend evolved interlinkages for sustainable development.
3. To develop the participants' capacity to understand spatial data and use geospatial tools and technologies for visualization, academic research, and contributing to the grassroots.

# THEMATICS

- **The idea ' Geography' and 'academic discipline geography'**
- **Evolution of Geographical thought**
- **Geography of difference**
- **Conceptualizing place, space, and their relevance in decision making.**
- **Cartography today and tomorrow**
- **Mapping Physical landscape for sustainability**
- **Natural Resource Management**
- **Climate Change and Climate variability**
- **Mapping Social spaces**
- **Urban , Urbanization and recent concerns**
- **Understanding Gender and Development.**
- **Missing 'Gender Geography' in Higher Education Institutes.**
- **COVID 19 PANDEMIC :Bridging Geographies**
- **Sustainability and Sustainable development**
- **Field Work and geographers**
- **Relevance of Spatial and Aspatial data**
- **Overview of remote sensing GPS and GIS**
- **Application of Remote Sensing and GIS**
- **Hands-on Exercise**

## ABOUT THE RESOURCE PERSONS

The resource persons of this program are experienced and renowned faculty members and industry practitioners from India, France and Indonesia. There are senior level Gender Experts, Trainer of the Trainers , geospatial experts from academic community, industry and NGO's to name a few.

## REGISTRATION AND PAYMENT PROCESS

### ELIGIBILITY

Faculty members from various disciplines, scientists, technologists from organizations that include colleges, UGC recognized universities, national institutions of research and research management, preferably with interest in gender-related issues and concerns, and spatial and non-spatial data are eligible to apply.

All those who meet the eligibility criterion are required to register and pay a **Non-Refundable fee of INR 1450/- by visiting**

**[rcmoocs.in](http://rcmoocs.in)**

### REGISTRATION DEADLINE: 21 November 2021

After successful registration & payment, the participants will receive a confirmation via email. Please keep checking the spam folder of the email as the bulk email sent may end up in the spam folder.

An official group has been made for communication with the participants on "Telegram." You are therefore requested to install the Telegram App either from the Play Store or App Store. The link to join the official group will be provided in the confirmation mail.

## **IMPORTANT:**

- Registration is mandatory for participation.
- Attempting and submitting all the quizzes and assignments is mandatory, and each participant should score atleast 50% aggregate to be eligible for the completion certificate.
- Graded certificates on the basis of performance will be awarded to the participants.
- As part of the Ministry of Education's requirement under the PMMMMNMTT scheme, all participants need to submit online feedback for each session.
- **No Objection Certificate (NOC) or Leave is NOT REQUIRED to participate in the Programme**
- Failing to meet any of the above conditions will result in the denial of completion certificate.

**For further information, write to us at:**

## CO-CONVENOR

**Dr. Tapati Banerjee**  
Director, National Atlas Thematic Mapping Organisation  
(NATMO), Kolkata

## TECHNICAL HEAD

**Mr. Vipin Kumar Rathi**  
Department of Computer Science,  
Ramanujan College

## COORDINATOR

**Ms. Nidhi Mathur**  
Senior Assistant  
Ramanujan College

## ORGANISING TEAM

**Dr. Ashish Kumar Shukla**  
Department of Statistics  
Ramanujan College

**Ms. Shipra Yadav**  
Department of Political Science  
Ramanujan College

## For Whom

The workshop is designed for students, research scholars, faculty members and industry executives.

## Pedagogy

The pedagogy will have two major parts:

1. Basic theoretical lessons on applied econometrics and data analytics.
2. Practical sessions with econometric software.

## Resource Persons

Resource Persons from GIM and other reputed national and international institutes will deliver the lectures.

## Participation

Maximum 40 participants will be allowed based on a first-come, first-served basis. The participants will be given certificate on successful completion of the programme.

## Session Timing

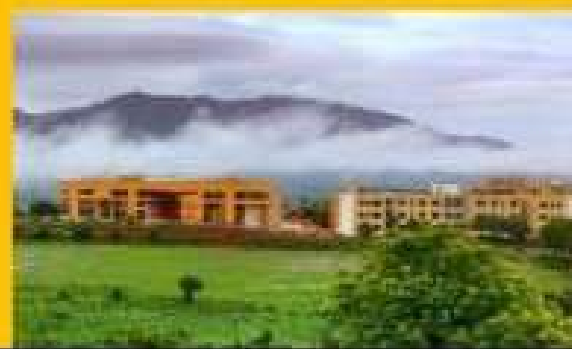

- Weekdays: One session (Late Afternoon, 2 hours)
- Weekend: Two sessions (Afternoon, 4 hours)

## Introduction:

Goa Institute of Management (GIM) is organizing a two-week modular programme on "Applied Econometrics and Data Analytics" during 19<sup>th</sup> April - 02<sup>nd</sup> May 2021 through online mode (MS Teams). The objective is to provide in-depth understanding of applied econometrics and data analytics along with hands-on experience using statistical software.

## Syllabus:

Module 1 (Basic)	Module 2 (Intermediate)	Module 3 (Advance)
Resource Allocation and Data Data Handling; The Structure of the Economic Data; Working with Data.	Time Series and Time Series Forecasting (AR, MA, ARMA, VAR, Vector Autoregressive Models and VAR)	Multivariate (GARCH) and Panel Data Econometrics
The Classical Linear Regression Model; Simple Regression; Multiple Regression and Panel Regression.	Dynamic, Nonlinear, Dynamic Economic Models; Nonlinear Econometric Models.	Two-Stage Regression and 2SLS.
Testing for Homogeneity of Cointegration; Multicollinearity; Heteroskedasticity; Autocorrelation; Misspecification.	ARDL, ARDL, Panel Co-integration, Panel Cointegration.	Fixed Regression, Logit, Tobit and Poisson.
How to Write a Research Paper?	How to Publish a Peer-Reviewed Journal?	How to Address the Business Community?
Project 1	Project 2	Project 3

## Two-Week Modular Programme

On

## "Applied Econometrics and Data Analytics"

19<sup>th</sup> April - 02<sup>nd</sup> May 2021.

(Online Mode: MS Teams)

## Resource Persons Details:

Name	Institute	Topic	Session
Prof. Pradeep Narayan	Goa Institute of Management	Dr. Pradeep Narayan	Dr. Pradeep
Prof. Sandhya Ghosh	Goa Institute of Management	Dr. Sandhya Ghosh	Department of Economics
Prof. Debprasad Ghosh	Goa Institute of Management	Dr. Debprasad Ghosh	Dr. Debprasad
Dr. Jyoti Datta	Goa Institute of Management	Dr. Jyoti Datta	Dr. Jyoti Datta
Dr. Anand Kumar	Goa Institute of Management	Dr. Anand Kumar	Goa
Dr. Sandhya Ghosh	Goa Institute of Management	Dr. Sandhya Ghosh	Goa
Dr. Rajendra Prasad	Goa Institute of Management	Dr. Rajendra Prasad	Goa
Dr. Kishor Kumar	Goa Institute of Management	Dr. Kishor Kumar	Goa

**Registration Fees:**

1	Student/Research Scholar	Rs. 2500 (Inclusive of 18% GST)
2	Faculty	Rs. 4500 (Inclusive of 18% GST)
3	National Corporate	Rs. 7000 (Inclusive of 18% GST)
4	Foreign National	\$ 200

**Important Dates:**

- > Last date of submission of registration form: 10<sup>th</sup> April, 2021.
- > Dates of commencement of the programme: 19<sup>th</sup> April 2021.

Any further queries, please contact: Dr. Chinmaya (9951385778) and Dr. Prakash (9958749250).

**Bank Account Details:**

Name of the account holder: Goa Institute of Management

Account Number: 23611450000018

IFSC Code: HDFC0002361

Bank: HDFC bank (Campanella branch)

Account Type: Saving account

(Payment can be made through QPay, Paytm and PhonePe also)

**About GIM:**

Goa Institute of Management (GIM), is amongst the top 5 schools of the country and has been producing high-quality managers and corporate leaders for more than 37 years. GIM boasts of some of the best faculty in Asia with doctorates from Cornell, Stanford, IIM Ahmedabad & other world-class institutions. GIM as an institution is dedicated to enhancement in standards of education. We seek to accomplish this through management education, training, research, consultation, and institutional networking in a national and global perspective.

GIM has been imparting training on the current areas of interest to academics, research professionals, corporate executives through Management Development Programs (MDPs), customized in-house programs, and consultancy. The programs are designed to provide innovative and practical solutions to critical management challenges. This programme is a part of a series of programs targeted to enhance the management and research skills and capabilities of people working in the academics and corporate.

**Advisors:**

Dr. Aji Parulekar (Director, Goa Institute of Management)

Dr. Neeraj Amarnani (Dean-Academics, Goa Institute of Management)

**Coordinators:**

1. Dr. Chinmaya Behera, Assistant Professor (Economics and General Management), GIM. Mobile: 9951385778  
Email: chinmaya@gim.ac.in and chinmayaeco@gmail.com
2. Dr. Prakash Singh, Assistant Professor (Economics and General Management), GIM. Mobile: 9958749250.

Pankaj Prakash Shirodker  
Vidya Prabodhini College of Commerce, Education, Computer and Management  
Vidya Nagar, Alto Parvari Goa.

Sir/ Madam,

This has reference to your application for the **Refresher Course in Basic Sciences : Big data driven approaches in Basic Sciences** forwarded by the Head of your Institution. This course will be conducted from **10 December, 2020 to 23 December, 2020 by UGC Human Resource Development Centre, University of Mumbai** and is sponsored by UGC.

This is to inform you that you have been selected for the same. You may confirm your participation by making an online payment of Rs.1000/- towards non-refundable registration fees. The details for making online payment are as follows:

Beneficiary Name : **UGC HRDC, University of Mumbai**  
Bank Name : **Indian Bank**  
Branch : **Kalina Branch, Santacruz (East), Mumbai 400 098**  
Saving Bank A/C No. : **20059647064**  
IFSC Code : **ALLA0210186**

The last date for paying the registration fees online and uploading the transaction details is **27 November, 2020**. You may also upload the relieving letter from the Head of the Institution before the same date.

In case the payment details are not uploaded before the given deadline your admission is liable to be cancelled.

Director

UGC Human Resource Development Centre  
University of Mumbai

**Note to the Participants :**

1.

This course will be conducted online and the details of the course will be communicated by the course coordinator 2 days before the commencement of the course.

2.

There will be continuous evaluation of the participants in this course and grades will be mentioned on the certificates wherever applicable.

3.

100% Attendance is compulsory and the participants will be required to observe complete punctuality without which the certificate will not be issued.

**CC : Principal/ Head of Institution**

(Note: The application to apply for above-mentioned courses may be downloaded from the website and duly filled application may be sent to The Director, Human Resource Development Centre, Goa University, Taleigao Plateau, Goa 403 206.)

#### TERMS AND CONDITIONS OF PARTICIPATION:

- UGC-HRDC, Goa University must receive duly filled applications in prescribed forms 45 days before the commencement of the course **The selected candidates will be intimated by an email communication. On selection, the participation is confirmed only after receipt of registration fees of Rs. 1000/- to the University. (The Bank and the account details will be communicated after selection of the candidate).**
- The participants' performance will be assessed with Grades. The grades will be indicated on the certificate given at the end of the course
- Absence of any kind during the course period is not allowed

#### METHODOLOGY:

For both the Orientation Programmes and Refresher Courses the medium of instruction is English. Orientation Programmes and Refresher Courses have in-built seminars / symposia. Apart from interactive lecture-cum-discussion sessions, panel / group discussions, role play, field visits are organized. The participants are provided with reading material in the form of synopsis of lectures and articles from journals.

#### EVALUATION:

The participants are evaluated on their performance and participation in various aspects of the programmes, such as journals, book-reviews, seminars, field-trips, tests, overall participation. Grades are then awarded as per the UGC guidelines:

Grade	Score
A	75% and above

D Below 50%

**INFRASTRUCTURE:****Lecture Halls**

Three air-conditioned spacious well-furnished lecture halls with modern amenities like public address system, projection system and network connectivity. Seating arrangement in all the halls is flexible and can accommodate 40 participants.

**Board and Lodging**

Accommodation for participants is arranged at the University Guest House located about one km from the UGC-HRDC. The UGC-HRDC, Goa University will provide breakfast, intra-session refreshments and working lunch on all the working days. However, the cost of the dinner has to be borne by the participants.

**Computer Laboratory**

An Internet ready computer laboratory with Multimedia Facilities, LCD projector, Scanner, Laser Printer, etc. Essential software are pre-loaded onto the computers.

**Library**

Print reading material and online access to the electronic resources on a variety of topics of interest are available.

**Office**

The offices for the Director, Deputy Director, Asstt. Director, Superintendent, Non-teaching staff and supporting staff besides a store room, etc., form part of UGC-HRDC building. They are equipped with desk top and printer facilities.

**ORIENTATION COURSES (RATIONALE):**

The Orientation Program enables the newly appointed teachers to discover their own potentialities and role. These programs provide various guideline to the teaching community to enrich their potentials in academics and research. Further, the teacher also get an opportunity to widen their outlook and inculcate social commitment with the following objectives:

- Understand the significance of education in general and higher education in particular with regard to National policies and International standards
- Understand the linkages between education and the socio-economic and cultural development with particular reference to Indian policy where secularism and egalitarianism are the tenets of society
- Understand the role of a College / University teacher in the National goal of achieving a secular and egalitarian society
- Acquire and improve skills of teaching at the College / University level
- Be aware of developments in the specific subject
- Understand the organisation and management of a College/ University and to improve the role of a teacher in the total system
- Utilise opportunities for the development of personality, initiative and creativity

To achieve these objectives, the curriculum for the Orientation Programme has the following four components with minimum of 108 contact hours (6 hours daily for 18 days) programme:

- Component A : Awareness of linkages between Society, Environment, Development and Education

◦ **Component D : Management and Personality Development**

[Click here to view the Orientation programmes of the past](#)

**REFRESHER COURSES (RATIONALE):**

All disciplines today are under pressure due to knowledge explosion. It becomes therefore essential for a College / University teacher to continuously update his knowledge in his field of expertise. The Refresher Courses provide opportunities to In-service teachers:

- To exchange their experiences with peers and counterparts and mutually learn,
- Update themselves on the latest advances and possibly pursue research,
- Get exposed to new methods, innovations and plan to develop their own techniques of instructions in their working environment, and
- Create the culture of learning and self-improvement.

No.ACAD-II/Course on Tally/19/2019/4882

Dated: 29/08/2019

**C I R C U L A R**

All Principals are hereby directed to conduct a certificate course in 'Computerized Accounting' for the clerical staff (Accountant, Superintendent, Head Clerk, UDC, LDC, etc) in their colleges during this calendar year.

The college-wise list of resource persons for the said certificate course is enclosed. The resource person shall be given a remission in lectures if the course is conducted during teaching hours or the resource person shall be paid an honorarium by this Directorate if the course is conducted after teaching hours. Colleges shall be free to choose the timings for the course.

The certificate course on 'Computerized Accounting' shall be compulsory for the clerical staff (Accountant, Superintendent, Head Clerk, UDC, LDC, etc) while interested MTS may also attend the same.

The course will be conducted by this Directorate in association with the respective college.

The participants of the above courses shall be awarded a certificate issued by this Directorate upon successful completion of the course and a test. Name of the college will appear on the certificate as a collaborating partner.

Exams will be conducted centrally. Based on the exams, the performance of the participants and the trainer will be evaluated.

The course has to be completed by 31<sup>st</sup> December, 2019.

The administrative staff members joining the above certificate course shall be relieved by the Principal during the course lectures.

The detailed syllabus of the course is enclosed.

A feedback about the courses will be taken from the participants at the end of the course.

(Prasad Lolayekar)  
Director of Higher Education

## **Certificate Course in Computerized Accounting in Higher Educational Institutions**

**Objective:** To enable course participants acquire knowledge of principles and framework of accounting in higher educational institutions and develop skills in practice of accounting using software applications.

### **Outcome:**

At the end of this course the participant should be able to -

1. List books of accounts and registers required to be maintained in higher educational institutions.
2. Recognize the elements of framework for accounting in higher educational institutions.
3. Demonstrate ability to setup secure accounting system using suitable computer software.
4. Demonstrate ability to create accounting masters and setup necessary features and configurations required for effective implementation for computerized accounting system.
5. Apply advanced features of accounting software for financial control and management of resources.
6. Perform error free accounting of transactions specific to higher educational institutions including management of taxation and payroll.
7. Prepare financial statements of higher educational institution using suitable software and demonstrate ability to work with spreadsheet functionalities and templates.

### **Allocation of total hours for each module:**

<b>S. No.</b>	<b>Module</b>	<b>Hours (Theory-cum-Practical)</b>
1.	Basic framework accounting in higher educational institutions	03
2.	Accounting process in computerized environment	10
3.	Accounting for specific transactions and taxation	10
4.	Financial statements and spreadsheet applications	07

### **Syllabus Outline:**

1. **Module 1:** This module introduces accounting system design suitable for higher educational institutions with details of books of accounts required to be maintained by colleges, accounting classification, and basic framework for maintenance of accounts in colleges.
2. **Module 2:** This module provides hands-on training in working with accounting software with emphasis on data security, access rights to accounting data, setting up masters for recording monetary transactions. The module further provides training in application of advanced features of software for financial control.
3. **Module 3:** This module provides hands-on training in dealing with transactions peculiar to higher educational institutions with particular focus on accounting for grants, funds, fixed assets, petty cash, advances, inter-unit transfers and taxation.
4. **Module 4:** This module includes components of hands-on training with respect to preparation of financial statements of colleges and performing advanced analysis using spreadsheet templates.

### **Detailed Syllabus:**

#### **Module 1: Basic framework of Accounting in Higher Educational Institutions**

(a) Heads of accounts and classification

(b) Books of accounts

- Receipt Book,
- Vouchers,
- Journal,
- Cash Book / Bank Book,
- Ledger

(c) Registers to be maintained

- Fee register,
- Grants-in-aid received,
- Scholarships,
- Asset register,
- Stock,
- Caution money,
- Salary register,
- Any other

(d) Framework of accounting for educational institutions.

- Accounting groups
- Number of sub-entities for the purpose of accounting
- Reports and statements to be generated
- Number of mandatory bank accounts and restrictions on transactions in the same.
- Method of accounting (cash system, mercantile system)
- Format of financial statements

## **Module 2: Accounting process in computerized environment**

(a) Setup of computerized accounting system

### Tally administration and user management

- Tally vault and password management
- Creating users and providing access rights for alterations and deletions in accounting records.

### Data security

- Creating robust backup and recovery system (For example, daily backup cycle for a week, Separate backup for monthly reconciled data).

(b) Creation of Masters and Accounting

- Company creation and alteration,
- Accounting features and configuration,
- Groups and Ledgers - Display, Creation, Deletion, Alteration)
- Vouchers (Types, Display, Creation, deletion, Alteration)
- Journal entries (Creation, retrieval, alteration, deletion)

(c) Advanced features

- Budgetary control – Creation of budgets, alteration, deletion.
- Cost centres - Creation and allocation of transactions to cost centres.
- Accounting for salaries and Payroll system.
- Bank reconciliation statement.
- Printing ledgers, statements and reports.
- Exporting of data

## **Module 3: Accounting for specific transactions and Taxation**

(a) Accounting for specific transactions

- Accounting for grants

- Transactions between institution and trust or society
- UGC schemes, MHRD schemes (RUSA, etc.)
- Development Fund and other funds (Corpus fund, general fund, alumni fund, etc.)
- Fixed assets and depreciation
- Petty cash
- Staff advances
- ERP
- Provisional entries ( Receivables & Payables)
- Accounting of Examination Fees and Exam related Expenditure
- Website and software development expenditure
- Inter-programme transfers
- NSS and NCC receipts and payments
- Accounting for laboratory materials.

(b) Taxation

- TDS
- GST (setup, voucher entries and reports).

**Module 4: Financial statements and Excel Applications**

(a) Financial Statements

- Trial balance, Receipts and payments account, Income and Expenditure account, Balance Sheet (including preparation, verification, export to MS-Excel)
- Various reports on items in financial statements (Receivables and payables, inventory, ledger summary, etc.).

(b) Excel Applications

- Basic Excel operations
- Excel Functions
- Preparation and analysis of financial statements using MS-Excel
- Excel templates for income tax, programme budgets and projections, CAS (Career Advancement Scheme cases).

**Suggested Software Applications**

- Tally ERP 9 and above
- MS-Excel (Version 2003 and above)

AND PARTICIPATION**

## SKILL & EXPERTISE IN DIGITAL INFORMATION LANDSCAPE

The Ministry of Education (erstwhile, Ministry of Human Resource Development) launched the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT) in 2017. One of the main objectives of this mission is to facilitate teacher training by constituting Teaching Learning Centers in various institutions of higher education in our country. The Teaching Learning Centers (TLCs) are mandated to promote on a continuous basis the learning of new pedagogical practices, methodology of forming discipline-specific curricula and creating new learning materials (including e-content) for use by the teachers in colleges and postgraduate departments. It is envisioned that the TLCs will accelerate the teaching-learning process by encouraging independent critical and creative thinking and facilitating research for subject specific growth. The TLCs will assist the faculty in capacity building for curriculum designing, scientific assessment and evaluation and the development of innovative academic programs to strengthen the inclusive nature of higher education. The TLCs are also encouraged to reach out to teachers teaching in regionally disadvantaged locations. The Pandit Madan Mohan Malaviya National Mission emphasizes the need to change the role and workings of a teacher from a mere disseminator of information and knowledge to the one who helps students to develop critical, analytical skills, capabilities to generate information, the ability to reason and to empower themselves through open sources and globally oriented digitalized self-learning processes. The focus is not only on 'what is taught' but also importantly, to 'the way it is taught,' in an effort to develop and enhance individual education, that will eventually go on to define the manner in which the future generations will work and live. The Teaching Learning Centers offer Faculty Induction Programs (FIPs) for newly recruited faculty and Faculty Development Programs (FDPs) for teachers with experience who wish to

update their field of knowledge, expertise and skill with the latest available research, resources and technology. In the FDPs, special emphasis is given to inter and cross-disciplinary methodologies of study.

Currently, the teaching fraternity is missing their lively and interactive classrooms due to COVID-19 Pandemic. To address the present situation, the University Grants Commission (UGC) has intensified its efforts to have a strong virtual engagement with the students through email/WhatsApp and hosting lectures using Google Class Room and other video-conferencing platforms. Keeping in view the immense benefits and reach of online courses in the present academic set-up, the Teaching Learning Centre Ramanujan College, University of Delhi is offering a Two Week Online Faculty Development Programme/Workshop on "Skill & Expertise in Digital Information Landscape" for faculty members, research scholars and post - graduate of higher education.

### **CONCEPT NOTE**

The role of library and library professionals has undergone a paradigm shift with technological development, redefining library management and end-user interactions with libraries. Information and Communication Technology (ICT) facilitates increased efficiency in terms of information storage, processing and dissemination, the core activities of libraries, and provides global access. The document delivery to the library users has been transformed from barcode technology to Near Frequency Communication (NFC), which makes for enhanced library effectiveness. To sustain in the emerging digital environment, libraries need to respond proactively and integrate their traditional services with recent ICT developments. The Faculty Development Programme will act as enabler in sharpening the technical and managerial skills of Library professionals and provide a forum for

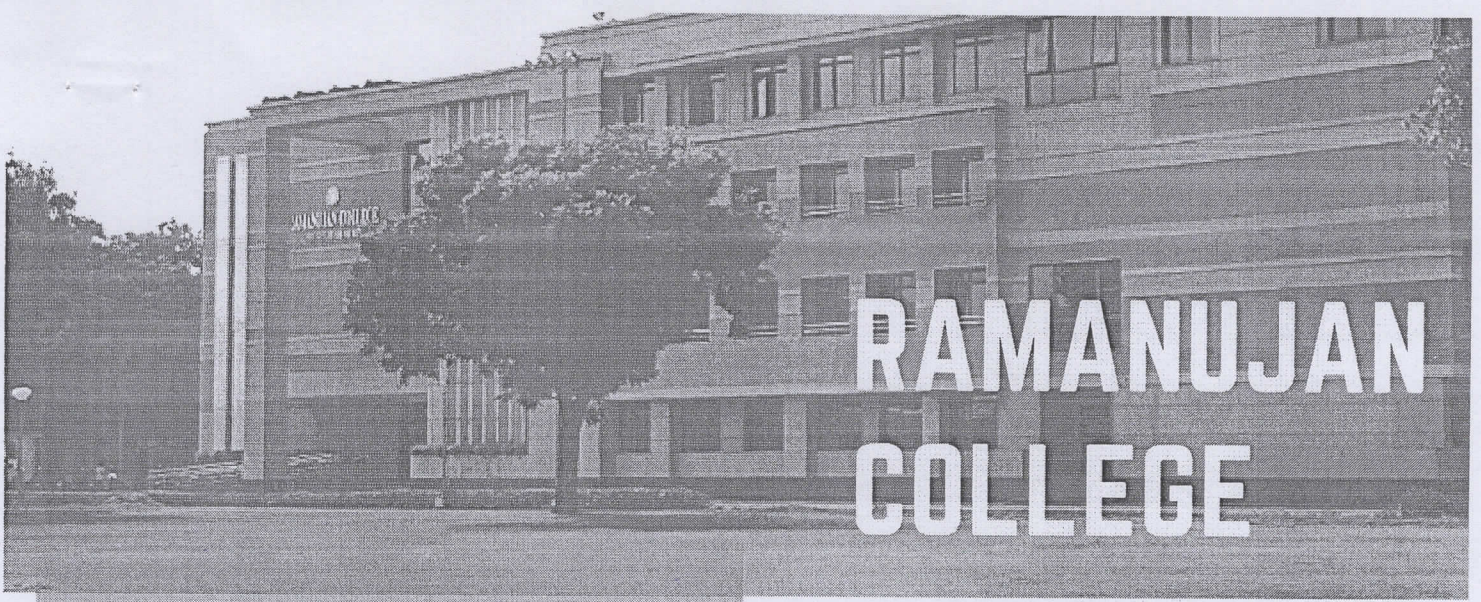

continuous engagement to investigate the future direction of growth in relevant areas. The FDP will be a significant instrument to rejuvenate the library and information skills, trends and other technological advancements. This programme is especially designed from the perspective of library professionals to understand the new technology and its uses in the library services and its allied areas.

The present FDP covers various areas such as changing role of libraries and librarians in digital era, Intellectual Property Rights, Plagiarism, Library Automation Software: Koha, Digital Library Software: Dspace, and Internet of Things (IoT), etc.

## THEMATICS

- Digital Information Landscape
- NEP-2020 and Digital Information Environment
- Emerging Technologies in Digital Library Services
- Skills in Digital Information Landscape
- Skills and Competencies in Mobile Era
- Academic Excellence in Digital Environment
- Online Information Retrieval: Tool and Techniques
- Open Access Educational Resources
- Digital Research Networks
- Research Data Management
- Citation Analysis & Management Tools
- Research Ethics
- Academic Writing & Research Publications
- Bibliometrics as a tool for Research Evaluation
- Research Metrics: Impact Factor, h-Index, i-10 and G-Index
- Enhancing Citation and Impact of Research Publications

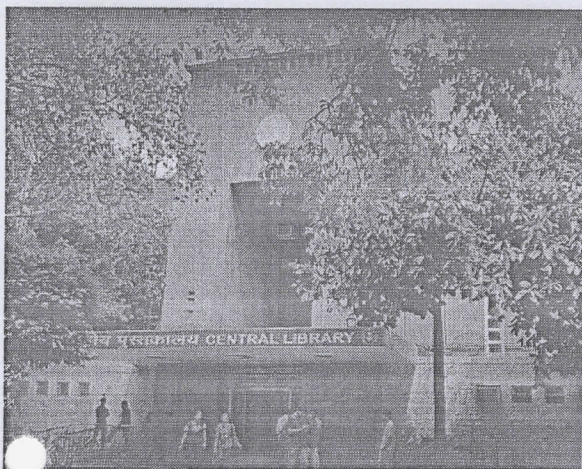

### **Enrichment Spectrum at the Teaching Learning Centre (TLC), Ramanujan College**

- Emphasis on creating self-learning space for students
- Hands-on assignments and live projects
- Expert guidance on live projects
- Follow-up tasks
- Provision of study content (wherever required)
- Developing appropriate attitudinal orientation
- A learning experience for personality enrichment
- Augmentation of professional capabilities
- Co-creation and mutual contribution between participants and facilitators
- Access to global resources
- Adaptation skills for the dynamic contemporary environment

Ramanujan College is a University of Delhi college, located in the well-known area of Kalkaji, near Nehru Place, in South Delhi.

Ramanujan College has highly qualified, dedicated, and committed faculty members. The college runs 15 courses in different subjects in Humanities, Commerce and Science streams. It is also the study centre for the students of the School of Open Learning, University of Delhi, the Non-Collegiate Women's Education Board, University of Delhi, and the Indira Gandhi National Open University. The college also runs several professional courses. The teachers of Ramanujan College are highly motivated and have original, published academic and creative work, including journals and other print media articles and educational film making to their credit. Ramanujan College is a premier institution of the University of Delhi and has been accredited grade "A" by the National Assessment and Accreditation Council (NAAC). We at Ramanujan College emphasize the holistic development of personality, meaningful exposure to real-world, and inculcating practical skills amongst our students apart from ensuring academic excellence.

# DELHI UNIVERSITY LIBRARY SYSTEM

Delhi University Library System (DULS) is a federally managed combination of physical and virtual collections and associated information services, wherein on the one hand, the traditional system of library holdings is maintained and on the other hand, ICT based services are implemented.

Established in the year 1922, the University Library shifted to its present locale in 1958 and developed into Delhi University Library System

around 1974. DULS is accomplishing its task of reaching to wider academic community. It is one of the largest academic library systems of the country with about 1.6 million books, 1296 current print journals, 4,56,806 bound back volumes of journals, and 27, 539 thesis and dissertations in its collections. The core DULS collection is computerized with the provision of a centralized Web OPAC facility to cater to the information needs across various disciplines. The system is actively involved in advanced web based information services and promotes the use of e-content in teaching, learning and research by conducting innovative Information Literacy Programs (ILP) focusing on e-resources, research metrics- Impact Factor, h-Index, academic integrity, etc. for the benefit of scholars at large. It is also making efforts in developing tutorials to make the community proficient in the use of online e-content.

More than 35, 000 e-journals and other academic materials are accessible to its users through online databases - more than 200 in number- either subscribed by the university or made available through e-Sodh Sindhu- a UGC Consortium, and through open access e-resources.

DULS supports the academic activities of students, researchers and teachers of the university through Delhi University Campus Network which has in its ambit both the campuses and all the colleges affiliated to the University. In nutshell DULS endeavors to carve out an approach and create an atmosphere which is conducive to high quality research and other academic activities in the university.

## REGISTRATION PROCESS

**Eligibility:** Faculty members (regular/adhoc/temporary) in teaching profession, research scholars, library and non - teaching workforce are eligible to apply for this Programme

- Registration is mandatory for all the participants of the FDP/Workshop.
- All those who meet the eligibility criterion are required to pay a fees of INR 1100/- (Non - Refundable). The details for the same are mentioned in the Payment Process.
- The eligible participants who have made the payment are required to register online **on or before April 09, 2021.**

### IMPORTANT:

- Attempting and submitting all the quizzes and assignments are mandatory, and each participant should score a minimum of 40% in total to avail of the programme completion certificate.
- Graded certificates on the basis of performance will be awarded to the participants.
- As part of the Ministry of Education's requirement under the PMMMMNMTT scheme, all participants need to submit online feedback for each session.
- NOC or Leave is **NOT REQUIRED** for enrolling in the programme.
- Failing to meet any of the above conditions will result in denial of a certificate of completion to the participants.

## PAYMENT PROCESS & STEPS OF REGISTRATION

**First Step:** The participants must make the prescribed payment through NEFT/IMPS to the following account:

**Bank:** ICICI Bank

**Branch:** Kalkaji Branch, New Delhi - 19

**A/c Name:** PRINCIPAL RAMANUJAN COLLEGE

**A/c no:** 072001003912

**IFSC:** ICIC0000720

**Second Step:** Participants need to fill up the online application form <https://forms.gle/aDKPaJCEaMfH6JyF8> with all the required details before the final date of submission. The screenshot of the payment should be uploaded while filling in the form. The participants are advised to carefully fill their transaction details of payment at the time of filling of the registration form. Kindly take note that late applications and payments will not be accepted. The last date of registration is April 9, 2021. After successful registration & payment, the participants will receive a confirmation via email. Please keep checking the spam folder of the email as the bulk email sent may end up in the spam folder.

An official group has been made for communication with the participants on "Telegram." You are therefore requested to install the Telegram App either from the Play Store or App Store. The link to join the official group will be provided in the confirmation mail.

The above incharges shall report at Goa Institute of Public Administration & Rural Development, Ella Farm, Old Goa, on the date and time mentioned above.

They may contact Ms Arlette Mascarenhas, Course Director, GIPARD for further details (Mobile No.9552475791).

GIPARD will follow SoP while conducting face to face training programme. The SoP is attached herewith for reference.

  
 (Prasad Lolayekar, IAS)  
 Director of Higher Education

**Encl:-SoP's**

To,  
 All the above incharges  
 through their respective Colleges.

Copy to :-

- 1) The Principal of respective colleges.
- 2) Ms. Arlette Mascarenhas, Course Director, GIPARD, Old Goa, Goa.
- 3) Guard File
- 4) Office Copy
- 5) Academic Section II & III for information.

**SoP for functioning of face-to-face training programmes at GIPARD/ Off Campus from December, 2020 onwards.**

1. **Social Distancing:** - Seating arrangement during the training programme/ sessions will be at least 1.5 meter distance between two chairs.
2. **Mask:** - Wearing of mask will be mandatory for all participants.
3. **Seating Capacity:** - The number of participants for the training programme will be as per the size of the training hall. Non A/C training hall will be preferred for training sessions.
4. **Food & Refreshments:** - During the training programme the trainees will be served working lunch. The food will be provided in the box container (disposable) which will include basic items and 02 water bottles (1/2 liter each) will be provided.
5. **Hand Sanitizer:** - All participants will have to enter the training hall by using hand sanitizer.
6. **Sanitization of Training Hall:-** After each training day training hall and seats/article will be sanitized.
7. **Thermal Gun:** - Each participant will be allowed to enter the training hall after checking of temperature through thermal gun.
8. **No Permission for ILI:** - Any participant suffering from ILI (Influenza Like Illness) such as Cold, Cough, Fever, Headache, Running Nose, Body ache etc. will not be permitted to attend the training programme.

## University Library

Kerala University of Digital Sciences,  
Innovation and Technology

(Digital University Kerala)

organizes a workshop on

### "Scholarly writing and publishing"

from 7th February to 12th February

on Zoom Platform

from 7 pm to 9 pm every day.

## Six days Workshop on "Scholarly writing and publishing"

### Topics covered

1. Selecting a Journal for Research Publication
2. E-Resources for Academic Research
3. Creating an Exhaustive Reading List prior to Research
4. Research Productivity Measurement Based on Publications
5. Visibility to Research: Methods of making Research Visible
6. Research reporting using MS Word

### Resource persons

- Dr Murari P Tapaswi
- Dr IRN Goudar
- Dr Santhosh Hulagabali
- Dr Gopakumar V

Registration fee Rs 300/- (Payment options available in website)  
e-Certificated will be issued on attending all sessions.

Registration Link <https://forms.gle/cNh4e9ZmGQinX1t6>

Website <https://sites.google.com/duk.ac.in/workshop/home>

Attend all sessions and enhance your academic writing skills....!

Respected Sir/Madam

I am directed by the Principal, GCASCK to extend a warm invitation for the Workshop on Teaching Methods, Tools and Aids in Geography on 23.10.2021 to be held from 9.30 am onwards. Kindly find the details of the workshop as an attachment with this mail. Kindly acknowledge the receipt of the email and depute your team of interested teachers and students for the same.

We also request you to kindly inform us the number of participants for the workshop by tomorrow noon so as to enable us to do the proper arrangement for the participants.

With Regards

Organising Secretary &amp; Jt. Secretary

Dr. Prabir Kumar Rath,

### ELIGIBILITY:

The Orientation programmes and Refresher Courses are meant for in-service teachers eligible as per UGC-HRDC rules, regulations and guidelines. They are:

- Orientation programmes and Refresher Courses
  - Lecturers / Assistant Professors working in the university or colleges that are included in the 'list of colleges' under Section 12-B of the UGC Act
  - The temporary/ contract teachers, teaching for at least two academic sessions in an institution affiliated to a UGC recognized University for at least two years (UGC circular No.F.271(i)/2002(ASC) dated 18.2.2005)
- Orientation programme
  - For the newly appointed teacher up to six years of continuous service
  - Adhoc/Temporary teachers who have been working for at least one year as Lecturer/Assistant Professor are permitted to participate in Orientation Programme
- Refresher courses
  - A teacher who attended a Orientation programme a year before
  - The gap between two successive Refresher Courses is at least one year

### PROGRAMME SCHEDULE (2020-21)

	Duration	
	From	To
Orientation Programmes (3 Weeks)		
107th Orientation Programme	07-07-2020	27-07-2020

(Note: The application to apply for above-mentioned courses may be downloaded from the website and duly filled application may be sent to The Director, Human Resource Development Centre, Goa University, Taleigao Plateau, Goa 403 206.)

#### TERMS AND CONDITIONS OF PARTICIPATION:

- UGC-HRDC, Goa University must receive duly filled applications in prescribed forms 45 days before the commencement of the course **The selected candidates will be intimated by an email communication. On selection, the participation is confirmed only after receipt of registration fees of Rs. 1000/- to the University. (The Bank and the account details will be communicated after selection of the candidate).**
- The participants' performance will be assessed with Grades. The grades will be indicated on the certificate given at the end of the course
- Absence of any kind during the course period is not allowed

#### METHODOLOGY:

For both the Orientation Programmes and Refresher Courses the medium of instruction is English. Orientation Programmes and Refresher Courses have in-built seminars / symposia. Apart from interactive lecture-cum-discussion sessions, panel / group discussions, role play, field visits are organized. The participants are provided with reading material in the form of synopsis of lectures and articles from journals.

#### EVALUATION:

The participants are evaluated on their performance and participation in various aspects of the programmes, such as journals, book-reviews, seminars, field-trips, tests, overall participation. Grades are then awarded as per the UGC guidelines:

Grade	Score
A	75% and above

## INFRASTRUCTURE:

### Lecture Halls

Three air-conditioned spacious well-furnished lecture halls with modern amenities like public address system, projection system and network connectivity. Seating arrangement in all the halls is flexible and can accommodate 40 participants.

### Board and Lodging

Accommodation for participants is arranged at the University Guest House located about one km from the UGC-HRDC. The UGC-HRDC, Goa University will provide breakfast, intra-session refreshments and working lunch on all the working days. However, the cost of the dinner has to be borne by the participants.

### Computer Laboratory

An Internet ready computer laboratory with Multimedia Facilities, LCD projector, Scanner, Laser Printer, etc. Essential software are pre-loaded onto the computers.

### Library

Print reading material and online access to the electronic resources on a variety of topics of interest are available.

### Office

The offices for the Director, Deputy Director, Asstt. Director, Superintendent, Non-teaching staff and supporting staff besides a store room, etc., form part of UGC-HRDC building. They are equipped with desk top and printer facilities.

## ORIENTATION COURSES (RATIONALE):

The Orientation Program enables the newly appointed teachers to discover their own potentialities and role. These programs provide various guideline to the teaching community to enrich their potentials in academics and research. Further, the teacher also get an opportunity to widen their outlook and inculcate social commitment with the following objectives:

- Understand the significance of education in general and higher education in particular with regard to National policies and International standards
- Understand the linkages between education and the socio-economic and cultural development with particular reference to Indian policy where secularism and egalitarianism are the tenets of society
- Understand the role of a College / University teacher in the National goal of achieving a secular and egalitarian society
- Acquire and improve skills of teaching at the College / University level
- Be aware of developments in the specific subject
- Understand the organisation and management of a College/ University and to improve the role of a teacher in the total system
- Utilise opportunities for the development of personality, initiative and creativity

To achieve these objectives, the curriculum for the Orientation Programme has the following four components with minimum of 108 contact hours (6 hours daily for 18 days) programme:

- Component A : Awareness of linkages between Society, Environment, Development and Education

◦ **Component D : Management and Personality Development**

[Click here to view the Orientation programmes of the past](#)

**REFRESHER COURSES (RATIONALE):**

All disciplines today are under pressure due to knowledge explosion. It becomes therefore essential for a College / University teacher to continuously update his knowledge in his field of expertise. The Refresher Courses provide opportunities to In-service teachers:

- To exchange their experiences with peers and counterparts and mutually learn,
- Update themselves on the latest advances and possibly pursue research,
- Get exposed to new methods, innovations and plan to develop their own techniques of instructions in their working environment, and
- Create the culture of learning and self-improvement.

Sir / Madam

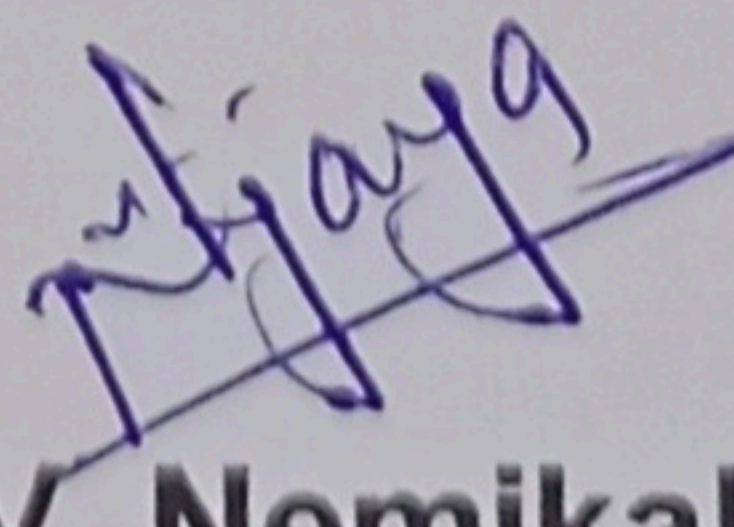

We are delighted to invite you for a Geography Workshop organized as an extension and outreach program of the PG Dept. of Geography of our College on "Teaching Methods, Tools and Aids in Geography" for the benefit of Geography Teachers and Trainers in Goa on 23.10.2021 from 9.30 a.m. to 2.30 p.m. Prof. (Dr.) H. M. Pednekar, Principal (Retd.), Mumbai University Colleges, Mumbai-75, who has 30 years' experience in that domain has consented to be the Resource Person for the workshop; where in Prof. Pednekar will train the teachers' trainer and Student Participants about using and making the teaching aids in geography for effective teaching and learning. Moreover, Prof. Pednekar, a Life Member of Geographers' Association, Goa (GAG) as a proven philanthropist and associated with iFactor (a voluntary organization for promotion of Education) will hand over some teaching aids to the participating Institutions and/or the teachers at the conclusion of the workshop. We admire your institutional academic contribution and request you to kindly depute 3 to 4 Teachers and/or Student members for the above said workshop. We shall provide the local home level hospitality for the participants who will be making it convenient to be a part of the workshop. Participation Certificate will be issued to the active participants.

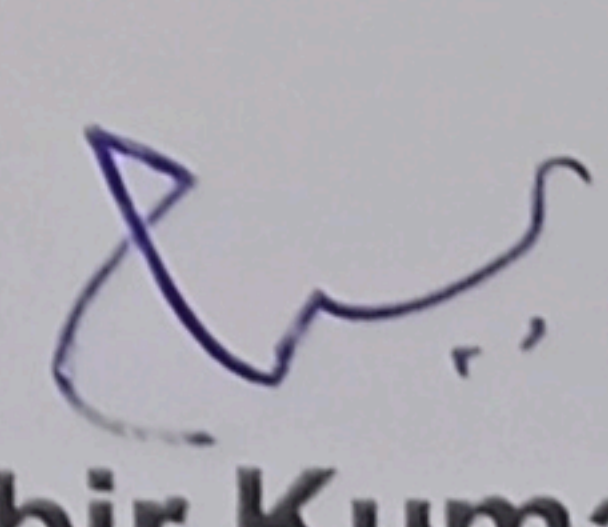

It will be highly appreciated if you could inform us the number and names of the participants on or before 22.10.2021 by email/WA/Phone call to the Organising Secretary Dr. P. K. Rath ([prathgcasck@gmail.com](mailto:prathgcasck@gmail.com) / 8668307829) for enabling him to make the necessary arrangement.

Looking forward to meeting the team of your Institution in our College on 23.10.2021.

With Regards,

GEOGRAPHY

**"NO RESEARCH WITHOUT ACTION, NO ACTION WITHOUT RESEARCH"**

## Background of the workshop

The workshop's goal is to assist attendees comprehend some basic research concepts and procedures, as well as discover acceptable study topics. This workshop also aids in the selection and definition of appropriate research questions and parameters. This workshop is also organized to instruct participants on how to create various thematic maps for efficient research presentation. All of the conceptual and methodological concerns that go into conducting good research will be covered in this workshop. This encompasses science philosophy, measurement methodological issues, hypotheses formulation and testing, scientific communication, and ethical issues in scientific research. The ultimate goal of this workshop is to provide a thorough understanding of advanced research methods.

## Rationale of proposed workshop

The quality of research and published articles has been observed to be poor in many cases. Proper research guidance from professionals and research scholars is required to increase the research quality. As a result, the focus of this workshop is on advanced tools used in twenty-first-century geographical research to produce high-quality results. Participants will learn how to develop a personal research profile, as well as how to discover relevant and high-quality articles.

## Eligibility

Young Faculties and Scientists in Universities/ Colleges associated with Geography Discipline

## Accommodation

Guest House, Shivaji University, Kolhapur

The workshop will also include a comprehensive discussion and training on how to write a research project/paper using effective methodologies and tools. The workshop's content is intended to impart knowledge of some of the most essential academic research tools.

## Objectives of the workshop

- To comprehend some basic research concepts and methodologies
- How to choose appropriate research topics
- How to organize and conduct research in a proper manner
- Provide some basic guidelines for producing a research report and an article
- Acquainting oneself with advanced research methods

## Curriculum of the Workshop

This workshop is divided into 5 sections:

- Section 1: Nature and Scope of Research
- Section 2: Data Quality, Data Collection, data visualization (using geospatial technology)
- Section 3: Quantitative Techniques in Geographical Studies and Research Design
- Section 4: Scientific Writing
- Section 5: Innovative Research, Data management in STATA
- Section 6: Seminars, Test and Valedictory function

**Sub.: Training Programme for FAAs on the Right to Information Act, 2005 ... reg.**

Sir,

GIPARD, on the request made by the Goa State Information Commission, proposes to conduct a one day training programme on RTI Act, 2005 for **First Appellate Authorities (FAAs)** from **10.00 a.m. to 5.00 p.m. on 19<sup>th</sup> November, 2021**, in **GIPARD, Ella Farm, Old Goa**.

The aim of this programme is to make the participants aware of the detailed provisions of the RTI Act, which will enable them to handle the RTI applications and related appeals more effectively.

This Institute will provide the necessary stationery, meals and refreshments during the programme. However no TA / DA will be borne by this Institute. No training fees will be charged towards this programme.

You are requested to kindly depute the FAAs of Goa University and all the Colleges under your Directorate to attend the abovesaid training programme:

The list of participants may be sent to this Institute by 12<sup>th</sup> November 2021 by email to [gird.goa@nic.in](mailto:gird.goa@nic.in), to enable us to make further necessary arrangements in the matter.

Yours faithfully,

(Michael M. D'Souza, IAS)

Thereafter nominations will **not be accepted**. For any further queries, please contact on mobile no. 9860124328.

4. Kindly note that the participants deputed for the programme have to reach the venue by 9.30 a.m. Attendance and punctuality is compulsory for all sessions, failing which they will not be entitled to the certificate which is awarded on the completion of the programme. It will be appreciated if the concerned Department insists for a training report from the participants once they join duties after the programme.

5. GIPARD will follow SoP on COVID related appropriate behavior, while conducting face to face training programmes on account of prevailing pandemic conditions. A copy of the SoP is attached herewith for your reference.

6. Soliciting your co-operation in making this programme more meaningful & effective.

Yours faithfully,

(Michael M. D'Souza, IAS)

## ABOUT COLLEGE

The college came into being in 2013 with the solemn objective to offer an undergraduate education at affordable cost to the students hailing from marginalized sector of the society, from rural and mining regions. However, the students from other parts of Goa as well as from different socio-economic status seek admission to this college.

This institution is one and only one college to offer tertiary level education in the entire of Dharbandora Taluka. Since 2013, the College has established its mark in the field of education by organising novel programs for the enrichment and welfare of students and society. It is the matter of satisfaction that the college has been able to fulfil its obligations of starting the same.

## RESOURCE PERSONS

**Mr. Sriram Nagarajan**

Founder & CEO RoboRAM Technologies, Tamil Nadu

He is an expert in PLC Automation, Microcontroller & Embedded Systems, Low Cost & Industrial IoT Solution, Pneumatic and Hydraulic Systems, RPA Programmer. He is an Automation Consultant, and Entrepreneurship & Automation Trainer.

**Mr. Dinesh Paranthagan**

Founder & CEO Hackup Technology Pvt. Ltd., Coimbatore

## Special Guests of the Day

Day-1 (24 September 2022)

Dr. Redra Prasad Ghimire  
CEO, School of Economic Policy  
Studies, Nepal

Day-2 (25 September 2022)

Prof. Renia Lambou  
Global Educationist, Author,  
Global Peace Ambassador,  
Ambassador GREECE RFI.

Day-3 (26 September 2022)

Von Eric Tandoc  
Global Speaker, Author, DTM,  
Ambassador RFI CANADA

Day-4 (27 September 2022)

Dr. Nada Ratkovic  
Global Speaker, Professor of  
Statistics, Econometrics on  
Faculty of Economics, Business  
and Tourism, Ambassador RFI  
CROATIA

Day-5 (28 September 2022)

Betriz Lucia Salvador  
Global Educator and Speaker  
BRAZIL

Day-6 (29 September 2022)

Dr. Kodhandaraman  
Chinnathambi  
Lecturer, English language  
Centre, University of Technology  
and Applied Sciences, Sultanate of  
Oman

Day-7 (30 September 2022)

Er. Sonesh Bhardwaj  
Motivational Speaker, Certified  
Corporate, Behavioural Trainer,  
Life & Business Coach,  
Youth Mentor

## Schedule Subject Experts

Day-1 (24 September 2022)

Dr. Deepak Agrawal  
Director-SSIBM, Indore  
Topic: Research Paper  
Writing

Day-2 (25 September 2022)

Dr. Basanti Mathew  
HOD Commerce, Rabindranath  
Tagore University - Bhopal  
Topic: How to write Literature  
Review in Research Papers

Day-3 (26 September 2022)

Dr. Sanir Dabey  
Associate Professor, Asepolls  
Institute of Management Studies  
and Research, Indore  
Topic: Application of Statistical  
Tools in Research Paper

Day-4 (27 September 2022)

Dr. Priyanka Chawla  
Prestige Institute of  
Management and Research,  
Indore  
Topic: Research Data  
Analysis Using SPSS

Day-5 (28 September 2022)

Dr. Moushmi Datta  
Professor Geography  
Principal Nagindra Khandwala  
College, Autonomous, Mumbai  
Topic: An overview of Research  
Ethics & Plagiarism Issues

Day-6 (29 September 2022)

Dr. Sadhna Bagchi  
Assistant Professor  
ITM University, Raipur C.G  
Topic: Introduction to Statistical  
Data Analytics with R

Day-7 (30 September 2022)

Dr. Charul Jain  
Associate Professor,  
Symbiosis University of  
Applied Sciences Indore (M.P.)  
Topic: Content Copyright  
Mine the work

## Host of the Days

Day-1 (24 September 2022)

Dr. Indira Dixit  
MP State Coordinator,  
Research Foundation of India

Day-2 (25 September 2022)

Dr. Gunjan Shukla  
Co-ordinator- Indore Zone,  
Student Wing  
Research Foundation of India

Day-3 (26 September 2022)

Dr. Amrita Soni  
Assistant Professor,  
Presidency University,  
Bangalore

Day-4 (27 September 2022)

Dr. Neha Jaiswal  
Member Secretary Scientific  
Officer, IMCHRC,  
Maharaja Pratap Singh  
University, Indore

Day-5 (28 September 2022)

## Course Director

### Dr. Jaspreet Kaur

Associate Professor,  
Pearl Academy, India

Dr. Jaspreet Kaur is an associate professor at Pearl Academy. She has over 16 years of teaching experience in Marketing research. She has authored two books on Customer relationship Management and Service Marketing and has written many research papers in Scopus and ABDC journals. She is an Editor and Reviewer to many ABDC and Scopus journals like International journal of consumer studies (Wiley) and Management Decisions (Emerald). She is an AMT certified faculty from AIMA and has received the GRABS "Best Researcher Award" in 2008 and the ITSR "Best Researcher's Award" in 2020. She has conducted over 55 FDPs and workshops on the topics of "Systematic review and Meta-Analysis" and "Qualitative research with NVIVO" this year.

## Program Objectives

- To help researchers do Qualitative Research
- To increase the awareness of NVIVO software
- To help faculties publish papers in Qualitative Research

## Course Content

Day	Content
1	Introduction to Qualitative Research
2	Introduction to Inductive & Deductive Coding
3	Word count, Text search and Maps
4	Coding of images and video files in NVIVO
5	Social Media Analysis with NVIVO

## Course Outcome

NVIVO is a software program used for qualitative and mixed-methods research. The course will help faculties and research scholars to learn how to conduct qualitative research. Specifically, at the end of the session participants can analyse unstructured text, audio, video, and image data, including (but not limited to) interviews, focus groups, surveys, social media, and journal articles.

## Registration Details

Kindly fill the Registration form to confirm your participation

<https://forms.gle/3EpvegPKEDBMxNJG6>

### Registration Fee

**Rs. 500/- (Five Hundred Only)**

Scan QR Code

E-Certificate will be provided to those who successfully complete the programme.

## Net Banking

Ministry of Education, Government of India

One Week Online National  
Faculty Development Programme (FDP)

## Design & Develop: Assessment Tests

From 04<sup>th</sup> to 08<sup>th</sup> July, 2022

### About TLC

The Teaching Learning Centre (TLC) of Shri Lal Bahadur Shastri National Sanskrit University (Central University), New Delhi was established in the component of Centres of Excellence for Curriculum and Pedagogy under **Pandit Madan Mohan Malaviya National Mission on Teachers & Teaching (PMMNMTT) scheme of Ministry of Education, Government of India**. The vision of the centre is to develop skills and competencies of teachers and teacher educators associated with language education especially Sanskrit for designing, developing, implementing and evaluating teaching-learning systems. The centre has been identified in the list of 30 new centres (IIInd phase) for conducting **one month mandatory Faculty Induction Programme (FIP) for newly inducted higher education faculty** and **also notified as National Resource Centre (NRC) for developing & conducting online Annual Refresher Programme In Teaching (ARPIT-2018, 2019 & 2020 courses) through SWAYAM in the discipline Sanskrit by Department of Higher Education of Ministry of Education, GOI**. In addition to this, the centre has **published two handbooks for teaching Sanskrit** one at upper primary level and other at secondary level. The centre has successfully **organized 50 programmes** and **03 Faculty Induction Programmes (FIP)** till now.

### Backdrop

The role of assessment is of paramount importance for knowing the academic achievements, amount of learning, gaps in learning, strengths & weaknesses and for reviewing & monitoring any programme or process in any educational setting. This learning may belong to cognitive, affective and or psychomotor domains of an individual. Thus, assessment provides a systematic basis for making inferences about the learning & development of learning on one hand & whether or not the objectives are achieved on the other. To have such inferences various types of assessment tests are required as per the nature & objective of the intended information. So one must have the knowledge & skills of developing these tests in order to ensure the right assessment at the right time which will lead one step towards quality assessment. In this backdrop, a one week national FDP is organised with an intent to enhance the competencies & skills related to designing & developing various types of assessment tests.

### Objectives

The objectives of this programme are:

- to familiarise with the various approaches & types of assessment & their tests.
- to give insight in the process of designing & developing assessment tests viz. Formative, Summative, NRT, CRT, Achievement, Performance, Diagnostic, Portfolio etc.
- to develop skill of preparing blue print for a test.
- to promote the skills related to developing various types of tests for assessment.

## Target Group

- Higher Education teachers of All Disciplines.
- Teacher Educators from both traditional and modern universities.
- Sanskrit school teachers only PGT or TGT.
- Research scholars from All Discipline.

## Registration

The registration fee for this programme is **₹600 (non-refundable)**.  
The interested participants can register online through the link

<https://forms.eduqfix.com/slbsnsuform/home>

**latest by 03<sup>rd</sup> July, 2022.**

## IMPORTANT

Online Platform to be used:  
**GOOGLE MEET** 

- ✓ Online Registration is mandatory for participation.
- ✓ Please provide your valid email address and WhatsApp mobile number in the registration form as all the communication related to the programme will be done through them.
- ✓ e-certificate (based on performance) will be awarded in the programme.
- ✓ **e-certificate of this FDP will be valid for Career Advancement Scheme (CAS) as per UGC Regulations 2018 (Item no. 18.0 (ix)).**
- ✓ **The regular teachers from Colleges/Universities participating in this programme will be treated as "ON DUTY".**

### Programme Timings

10.30-01.00 PM  
03.00-04.30 PM

-  **Prerequisites for Active participation: -**
1. **Laptop/ Desktop with Camera and Microphone/Smartphone**
  2. **Good internet connectivity with at least 3GB data per day during the programme.**

## Patron

Prof. Murlimanohar Pathak  
Vice Chancellor

### Convenor cum Coordinator

Prof. Amita Pandey Bhardwaj  
Director

### Co-coordinator

Dr. Tamanna Kaushal  
Dr. Arti Sharma

### Facilitators

Sh. Surender Nagar  
Sh. Gyan Chand Sharma  
Sh. Rakesh Kandpal  
Sh. Akshat Dabral  
Sh. Sachin Kumar

# CONCEPT NOTE

The last two years have witnessed significant transformation in the nature of educational ecosystem in India. From using Information technology as an additional tool in classroom to its careful incorporation in the teaching and learning process, the academic community is continuously adapting to the changed requirements. This change becomes more pertinent in the wake of the National Education Policy, 2020 (NEP 2020). NEP 2020 calls for an innovative approach and latest skills from educators for creating a holistic learning environment in this unprecedented context.

The classroom space needs strengthening and expansion in terms of multi-dimensionality. Innovative approaches, both for teaching and evaluation, should be adopted in addition to imparting immense value to the skill development and understanding of the ever-changing dynamics between the local and the global. This calls for a careful incorporation of digital technologies with experiential and activity-based learning. These changes can be accomplished only through a systematic training mechanism focused on preparing a pool of efficient and effective educators.

In this backdrop, the present Online Induction Training/Orientation Programme organised under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching scheme of Ministry of Education aims to acquaint teachers with the most recent techniques in pedagogy along with a focus on developing their technological, administrative skill-set. The objective is to empower and motivate the teachers for enlivening the learning process which is collaborative and participant-centered. Further, the focus is to integrate learning and teaching with Information Communication Technology (ICT), and to equip the teachers with the latest assessment tools in higher education.

For this, the programme will have deliberations on teaching and research methodologies, curriculum structure, and design, gender and social diversity, professional ethics, sharing of best practices, and also the updating of developments in specific disciplines in which the teachers are engaged. The training module for this Induction Programme also emphasizes the personal development of the teachers in terms of interpersonal skills, career development, and life planning issues. It will provide the teachers with the instructional tools for curriculum design and assessment, accessing technology. There is a detailed discussion on the organizational skills required for the teachers to initiate and improve the institutional environment.

The Programme will be conducted online in a self - paced manner through the Learning Management System (LMS), designed by the Research Development and Services Cell of the college. It is predominantly participant-friendly and incorporates the four - quadrant approach prescribed by the Ministry of Education. The sessions are also uploaded for larger audiences on the [official YouTube Channel of the College.](#)

The Induction Programme also involves expert guidance of eminent academics and specialists, hands-on training modules, exercises in direct classroom teaching, questionnaire-based responses, interactive sessions, collaborative learning, assessment of learning outcomes, project work, and field visits.

## **Enrichment Spectrum at the Teaching Learning Centre (TLC), Ramanujan College**

- Transforming teachers into knowledge-creators
- Emphasis on creating self-learning space for participants
- Interaction with eminent scholars and academicians
- Four Quadrant Approach (e-tutorial, e-content, Self-Assessment and Web Resources).
- Regular follow-up with the participants through Google Classroom/ Telegram/ Discussion Forum.
- Adaptation skills for the dynamic contemporary environment
- Augmentation of professional capabilities and research-based knowledge
- Inter and cross-disciplinary methodologies of study
- Co-creation and mutual contribution between participants and facilitators
- Formation of knowledge capital
- Online certificates using the Blockchain Technology to ensure authenticity and verifiability

**Note: As per the latest UGC regulation ([UGC Regulation Page 99](#)), training programmes conducted in PMMNMTT Centres have been recognised. Induction Training Programme is now a mandatory training programme for newly inducted college/university teachers. This programme is equivalent to one-month orientation programme. It fulfils requirement as per CAS of UGC and AICTE for promotional purposes. Upon successful completion, participants will be awarded graded certificates.**

# MODULES/ TOPICS

The topics for the Faculty Induction Programme has been developed using the content outline prescribed by the Ministry of Education's Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMMNMTT) programme.

**Module 1** Roles and Responsibilities of a Faculty / Academics in Higher Education

**Module 2** University Structure and Functioning

**Module 3** Curriculum Design and Content Development

**Module 4** Pedagogic Techniques & Teaching - Learning Methods

**Module 5** Assessment and Evaluation

**Module 6** Research in Higher Education

**Module 7** Personal-Emotional Development and Counselling

**Module 8** ICT: Effective Use of Technology for Teaching, Learning and Evaluation

**Module 9** E-Content Development & MOOCs

**Module 10** University Governance and Administration

**Module 11** Academic Leadership

**Module 12** Strategic Planning and Management

# RAMANUJAN COLLEGE

Ramanujan College, a constituent College of the University of Delhi was established in 1958 as an evening college. The College has been accredited Grade "A++" by the National Assessment and Accreditation Council (NAAC) in its Second Cycle.

At present, Ramanujan College offers sixteen undergraduate programmes in different disciplines. Besides this, the college has been awarded the DDU KAUSHAL (Deen Dayal Upadhyay - Knowledge Acquisition and Upgradation of Skilled Human Abilities and Livelihood) Kendra (2016) by UGC and Teaching Learning Centre (2017) by the Ministry of Education. The College also offers short-term diploma, certificate, and executive development programmes on contemporary and skill-oriented themes to complement the regular graduation courses. It is also the Study Centre of School of Open Learning (SOL), Non-Collegiate Women Education Board (NCWEB) and Indira Gandhi National Open University (IGNOU) for various courses.

In 2018, the College conducted a Course on Human Rights, Environment and Ethics through its National Resource Centre (NRC), under the Annual Refresher Programme in Teaching (ARPIT) scheme of MoE. The College has also entered into Memorandum of Understanding(s) with foreign universities. It is also working for collaboration with other higher education institutions located in remote areas of the country, under the Vidya Vistar Scheme of the University of Delhi.

# WOMEN'S COLLEGE, TINSUKIA

The Women's College, Tinsukia came into being in 1966 on the auspicious day 9 July. A handful of visionaries viz. the Late Anath Bandhu Bose, Late Shanti Ranjan Bhattacharjee, Late Prithwish Chandra Bhadury etc. with unstinted support of academicians like Late Subodh Chandra De Sorcar were behind the genesis of the College. Eminent educationist the Late Uma Prasanna Dey was the founder principal of the College with 78 students on roll as the first batch. The auspicious occasion was blessed by the Late Dr. Indira Miri the revered educationist and pioneer of women empowerment in Assam. At present with the 2(f) and the 12(B) status of the UGC, the College has flourished into a multi faculty institution offering Arts and Commerce programs with fifteen hundred students and more than hundred teaching and non teaching faculties. A full-fledged study centre of the IGNOU and one Distance Education centre of the Dibrugarh University housed in the institution offer various courses at distance mode to aspiring students. Of late a new plot of land has been acquired by the College, where a New Campus is being developed utilizing grants received from the Rashtriya Uchchatar Shiksha Abhiyan - RUSA.

The Brilliant results of the College both in the H. S. and the Degree examinations and its ideal location, mixed with its academic ambiance attract students from not only from the entire State, but from other states like Arunachal Pradesh, Nagaland etc. The College is a veritable melting point of diverse cultures and different people - creating a confluence of ideas and attitudes among the students, which makes for its unique character among the Colleges of the region.

# REGISTRATION & PAYMENT DETAILS

## ELIGIBILITY

Faculty members (regular/adhoc/temporary) in teaching profession are eligible to apply for this INDUCTION PROGRAMME.

All those who meet the eligibility criterion are required to register and pay a **Non-Refundable fee of INR 1950/- by visiting**

**[rcmoocs.in](http://rcmoocs.in)**

## REGISTRATION DEADLINE: 19 October 2022

After successful registration & payment, the participants will receive a confirmation via email. Please keep checking the spam folder of the email as the bulk email sent may end up in the spam folder.

An official group has been made for communication with the participants on "Telegram." You are therefore requested to install the Telegram App either from the Play Store or App Store. The link to join the official group will be provided in the confirmation mail.

## IMPORTANT:

- Registration is mandatory for participation
- Attempting and submitting all the quizzes and assignments is mandatory. Participants should score a **minimum of 50% in total** to avail the programme completion certificate.
- Graded certificates will be awarded on the basis of performance.
- As part of the Ministry of Education's requirement under the PMMMMNMTT scheme, all participants need to submit online feedback for each session.
- Failing to meet any of the above conditions will result in denial of a certificate of completion to the participants.
- **No Objection Certificate (NOC) or Leave is NOT REQUIRED to participate in the Programme.**

## About FDP

Experiential learning is an engaged learning process whereby students "learn by doing" and reflect on the experience. Experiential learning is one of the teaching pedagogies recommended by NEP 2020. In view of this, Directorate of Higher Education (DHE) and the Goa State Higher Education Council (GSHEC) are conducting a Faculty Development Program (FDP) on "Experiential Learning, Creative Thinking, and Hands-on Pedagogy" for the faculty across the colleges of Goa. This FDP will help faculty purposefully engage with students using direct experience and focused reflection to increase students' knowledge, and develop skills.

Experiential learning involves several steps that offer students a hands-on, collaborative, and reflective learning experience that helps them to "fully learn new skills and knowledge." During each step of the experience, students will engage with the content and instructor, then self-reflect and apply what they have learned in another situation.

The participating faculty in this FDP shall undergo hands-on training on essential aspects of experiential learning methodology. The proposed FDP will help faculty to design a well-planned, supervised, and assessed experiential learning program. Such a program will stimulate academic inquiry by promoting interdisciplinary learning, career development, leadership, and other professional and intellectual skills.
