Excellence...Everywhere...Everytime

From the Principal's Desk

Dear Student

I am happy to see you considering our college as your preferred choice for bettering your career prospects. The college motto, "Excellence Everywhere, Everytime" has led the institution to various successes over the years, be they in the academic field, cultural stage, or the sports arena, and I am sure, you will find the college will play a significant role in advancing your academic, cultural, sporting needs and aspirations.

The year 2024-45 saw the college banner flying higher than ever. Having picked up prizes galore in the various student competitions, the college also became the only college in Goa to receive a grant of five crore rupees under the "Grant to Strengthen Colleges" component for the year 2024, initiated by the Government of India under the PM-USHA 3.0 scheme. The college was ranked among the top 300 institutions in India by the National Institutional Ranking Framework (NIRF). And most significantly, the college was awarded an A+ Grade with a CGPA of 3.42 out of 4 in the second cycle of NAAC Accreditation.

Of course, the credit for achieving these three milestones in such quick succession goes to the guidance of the Management, the dedication of the students and staff, and a massive effort by the alumni, the PTA and other stakeholders.

The college has also expanded its infrastructure rapidly. Today, the college boasts of a state-of-the-art board room for organizing meetings and functions, a library that accommodates more than 120 users, and an ICT lab that houses 50 computers equipped with the latest technology. The Department of Physical Education and Sports today offers enhanced sports facilities for students. The Geography laboratory offers updated equipment and literature to cater to the needs of the everchanging industry needs. And, the construction of a new conference hall with a capacity of 500+ seats is in progress on the fourth floor. Plans for other infrastructural developments such as the expansion of the college canteen and the construction of additional classrooms on the fourth floor are soon to be executed.

The college also received an excellent response from prospective students during the academic year 2024- 25, with 122 students admitted to the first-year B.Com. program and 100 to the first-year B.A.B.Ed. programmes. This year, the first batch B.Com. students, who enrolled for the NEP-enabled B.Com. programme, will be answering their Third Year university

examinations, while the B.A.B.Ed. programme will see the 11th batch joining the college. The college has also submitted an application to the NCTE for starting the Integrated Teacher Education Program (ITEP), and hopes to start the programme shortly.

The energetic NSS Unit and the vibrant Nisarg Club work proactively on activities such as a beach clean-up drive, Millet week celebrations, Vanamahatsav and promoting of Sustainable Development Goals (SDGs). The College Advisory Committee, Local Managing Committee, Internal Quality Assurance Cell, College Planning Board, the society-centric Red Ribbon Club, the dynamic Parent-Teacher Association (PTA) and Alumni Association play an active role in keeping the institution on track and in tune with the students' aspirations. The active Placement Cell organizes regular placement drives for interested students, providing students with valuable employment opportunities. The college also runs the Indira Gandhi National Open University (IGNOU) Study Centre-08033, which has been operating on campus since 2017, expanded its offerings this year. The centre, which provides seven bachelor's programs and one postgraduate diploma, introduced postgraduate programs such as the M.Sc. in Geography and the M.A. in Rural Development and has enrolled over 2,000 students during the past academic year. The college regularly organizes national and state-level conferences and workshops and seminars for academicians, industry and students, including a two-day national conference titled, "Gender Writes: A Dialogue on Rewriting the Gender Narrative", that saw Prof. Santishree Pandit, Hon'ble Vice-Chancellor of Jawaharlal Nehru University, New Delhi, as the keynote speaker. The college also boasts of associations with industry leading organisations such as the BSE, GCCI, Putzmeister, Muthoot Finance, TJSB and India Post Payments Bank. Furthermore, the college runs a number of certificate courses with several of these organisations, and trains students for various competitive exams including the UPSC, GPSC and TET.

The college has everything and more to offer you. And, I am sure, all your aspirations and dreams will find a home at this place we call the VPC Parivar!

I welcome you to our college, and hope you will make the most of the opportunities available here for your personal and professional growth.

Focus on Holistic Education

Holistic Education is a philosophy of education concerned with the development of every person's intellectual, emotional, social, physical and spiritual potentials. It emphasizes on relationships and primary human values within the learning environment. Towards this end, the college provides different platforms in the form of various clubs, societies and associations for the students to participate in various activities and develop different skills and qualities.

The Students Council is a body of students' representatives of the College that provides a forum to the student community to participate in various competitions and activities. It also organizes various talks, competitions and co-curricular and extra-curricular activities for the students. More importantly, it provides the students an opportunity for their self development in terms of leadership qualities, team spirit, organizing ability, adjustability, curriculum development, etc.

National Service Scheme(NSS) is actively involved in social service and welfare and tries to promote better relations among people in society through a framework of friendship. It aims at arousing social awareness/consciousness among the youth through community service. We take pride that our students have been actively involved in campaigns such as blood donation drives, anti-plastic drives, voters' enrolment drives and health care campaigns.

Sports Council and Gymkhana: The Sports Council is meant for providing platform to the students to have fun, enjoy, play and win at the same time stay fit and healthy. The Gymkhana room and other sports facilities are available for students only during recess or beyond their class hour. The Sports Council organises interclass competition in various sports events like Badminton, Football, Table Tennis, Chess, Cricket, etc. The College also participates in different sports competitions organised by Goa University and other colleges in the State. Students are entitled for sports merit marks to earn towards their sports participation at the end of every semester. Students are also allowed to participate in the State Level and National level tournaments organised by the respective associations.
